Section B Structure, governance and management

Description of the charity's trusts

Type of governing document	This charity is governed by a Deed of Trust established on 6 July 2010
How the charity is constituted	
	This charity is constituted as a Trust
Trustee selection methods (eg. appointed by, elected by)	

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Longhoughton Parish Council act as the custodian trustees for this charity with the above trustees running the hall for the community benefit in line with the charities objectives.

As trustees, we have established policies and procedures to ensure the safety of the premises for all who use the facilities. This includes regulated checks for fire safety and food hygiene alongside PAT testing and other health and safety risk assessments. All trustees are up to date with the requirements of their role in line with Charity Commission regulations and additional guidance is available via Community Action Northumberland and the Village Hall Consortium.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

Our objectives are as follows:

- to provide and maintain a village hall for the use residents of Howick and surrounding area of Alnwick for recreational and educational purposes.
- To advance education and skills in an aim to enhance prospects for the community as required.
- To reduce any isolation in this remote rural area.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit) In line with guidance issued by the Charity commission, we are confident that we have carried out these aims for public benefit by :

- Continuing a programme of improvements to the hall and its facilities, including rewiring of the heating system, fitting of the new kitchen, installation of an audio visual (AV) system, installation of insulation to the annex and re-roofing. These improvements have extended the use of the hall particularly in the colder months. Also with the AV system in place the hall can now be used for talks and films thus widening the range of booking possibilities. We have recently completed phase three of the refurbishments by replacing the existing toilet facilities, including a toilet with easy access for all. The increase in the number of toilets overall has been very well received.
- Providing a hall which is organised in a manner which ensures that it is welcoming, safe to use and inclusive. Trustees carry out regular risk assessments and work hard to maintain the appearance of the hall.
- Increasing the revenue raised due to additional lettings.
- Increasing the number of outside agencies who have used the facilities for training and information sharing. (e.g. First aid courses, wild life groups).
- Increasing the number of smaller groups who use the hall which in turn has included a larger number of the local residents who have been able to join in.
- Establishing a development plan for further improvements which will enhance the facilities and possibly increase usage and therefore revenue to meet maintenance and running costs.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D

Summary of the main achievements of the charity during the year

Achievements and performance

We would consider this a successful year for the village hall with grants obtained which have resulted in some major renovations being completed. The insulation of the annex and the re-roofing alongside the rewiring of the heating system has had a huge impact on the availability and suitability of the hall for use by new groups. The installation of Audio visual equipment opens up other avenues and alongside the general improvements we are generating more revenue to meet the hall running costs. We have recently completed phase three of the refurbishments by replacing the existing toilet facilities, including a toilet with easy access for all. The increase in the number of toilets overall has been very well received.

In general the Village hall has been used more with an increase in the number of groups and individuals using the hall for a wide range of purposes. Groups now established include the Coastal Choir, the Craft Club, the Film Club, the WI, the church Kneeler Group and regular bingo nights for all the family. Events such as a moth night has generated huge interest with children and adults excited to find out more. Training events such as First Aid have been well attended. Local cadets are using the hall for fundraising events and numerous members of the community have used the hall for private parties and celebrations. Whole community events celebrating events including Christmas are special occasions firmly placed on the calendar.

All in all a good year.

Section E	Financial review
Brief statement of the charity's policy on reserves	We have a reserved fund which will meet the cost of refurbishments which are already planned and any unplanned emergency repairs which may occur.
Details of any funds materially in deficit	N/A
Further financial review details	(Optional information)
 You may choose to include additional information, where relevant about: the charity's principal sources of funds (including any fundraising); how expenditure has supported the key objectives of the charity; investment policy and objectives including any ethical investment policy adopted.

Audit of 2017/18 Annual Accounts

I refer to the above and would inform you that I have completed a review of the accounting statements and the documents supporting those statements for the year ended 31 October 2018 and confirm that in my opinion the statements show a true and fair view of the organisations financial position at that date.
