REPORT OF THE TRUSTEES

for the Year Ended 31 December 2018

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2018. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives

To give charitable relief to immigrants and refugees who are suffering hardship, distress or are in need.

Mission and activities

The mission of the Gatwick Detainees Welfare Group is to improve the welfare and wellbeing of people held in detention by offering friendship and advocating for fair treatment. The charity provides emotional and practical support through its volunteer visitors, to asylum seekers and immigration detainees held at Tinsley House and Brook House immigration removal centres, near Gatwick airport.

The charity has seven paid employees (five full-time equivalent), otherwise it is entirely staffed by volunteers. The volunteers visit people held in detention in the Gatwick area.

Public benefit

The trustees have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives in planning its future activities. In particular, they have considered how planned activities will contribute to the aims and objectives they have set.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In 2018, GDWG continued its core services of visiting and supporting people held in detention at Brook and Tinsley Houses. We assisted over 1,000 detainees in total, seeing over 470 people at our drop-in and providing one-to-one volunteer visitors to over 210 people. We continued to meet a wide range of emotional and practical needs at a time when we saw increasing homelessness and destitution on release and high levels of vulnerability amongst people detained.

The wider profile of the charity continued to grow, largely through the ongoing success of Refugee Tales that was featured on Radio 4 'Ramblings' and on the 'Today' programme. '28 Tales for 28 Days' highlighted the charity's call for a 28 day time limit for detention through the generosity of writers and actors who filmed the tales and a successful crowdfunder campaign. Parliamentary work continued to gain cross-party support for an end to indefinite detention.

FINANCIAL REVIEW

Financial position

Net outgoing resources for the year totalled £28,684 (2017 net outgoing resources: £12,440), as shown on the Statement of Financial Activities on page 5. All the assets of the charity are used to carry out its objectives.

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which equates to three to nine months' turnover. This enables the Charity to fund its planned future activities with a reasonable level of confidence. The target level of free reserves has been calculated by reference to future unrestricted expenditure and future shortfalls in committed restricted grant income compared to projected restricted expenditure. The actual level of free reserves of £92,273 at 31 December 2018 is within the desired range.

REPORT OF THE TRUSTEES for the Year Ended 31 December 2018

- the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or

NOTES TO THE FINANCIAL STATEMENTS for the Year Ended 31 December 2018

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

the requirements of Section 7 Statement of Cash Flows.

Income

Donation income is recognised at the point the charity receives the income.

Grant income is recognised at the point when the charity becomes legally entitled to the income and may be deferred in accordance with the terms of the funders at the time of receipt.

Fundraising income is recognised when the charity becomes legally entitled to the income and the event to which it relates has taken place.

Investment income is recognised as it is received.

Expenditure

Resources expended are accounted for on an accruals basis as a liability is incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

Allocation and apportionment of support and governance costs

All support costs have been allocated to the activity relief to immigrants and refugees.

Support costs include office running costs, as well as staff costs and depreciation. They also include governance costs which are those costs associated with meeting the constitutional and statutory requirements of the charity.

Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

for the Year Ended 31 December 2018

1. ACCOUNTING POLICIES - continued

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings

- 10% Straight Line

Computer equipment

- 20% - 33% Straight Line

Assets costing less than £500 are not capitalised.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments

The charitable company only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Debtors, Cash and Creditors

Other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposits or similar account.

Creditors are recognised where the charitable company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any discounts due.

Key Judgements and Accounting Estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

The only key accounting estimate included in the accounts concerned the recognition of deferred income which is deferred based on the dates the income relates to.
