## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Constitution**

The Trust was originally established on 9 July 1926 when the then Head Master of Bedford School and others enacted a deed whereby certain funds, securities and property were declared for the general benefit of Bedford School. Since the Charity became incorporated on 8 July 2003, it is governed by Memorandum and Articles of Association which place no specific restrictions on the way that the charity may operate.

The former unincorporated Bedford School Trust continues to hold the endowed funds as required by charitable law; however, a single set of accounts may be produced following the granting of a uniting direction by the Charity Commission on 16 May 2003. The quoted investments owned by the Trust are held in an Investec Client Nominee company, or relevant Depot, or held to order by overseas agents as appropriate.

### **Organisational Structure**

The charity employs no staff directly. The day to day running of the charity is delegated to the Clerk in consultation with the Chairman. Trustees meet three times per annum, with the Chapel, Investment and Property sub-committees meeting as necessary, but at least twice per annum except that the Property sub-committee did not meet during the year. The Scholarship sub-committee is convened as necessary. In addition, Trustees are consulted out of committee on any matters of importance arising.

### **Trustee Selection, Recruitment and Training**

In considering new Trustee appointments, a skills audit is carried out to identify any areas of expertise in which the committee is lacking. Potential individuals are identified by current trustees through personal contacts, word of mouth, teaching staff and parents of boys at the School. Individuals interested in becoming Trustees submit a CV which is circulated to existing Trustees and approval of appointment is sought at the next Trustee meeting. New Trustees are encouraged to meet with the Clerk of the Trust, and are furnished with copies of constitutional documents, the most recent audited financial statements, Charity Commission publications concerning roles and responsibilities of charity trustees, and any other information thought to assist them in their new role.

### **Relationship with the Harpur Trust and Bedford School**

Although Bedford School is owned by the Harpur Trust, Bedford School Trust is a separate charity. The Trustees decide their operational and financial policies independently of the Harpur Trust and the Governors of Bedford School, a sub-committee of the Harpur Trust. As a matter of courtesy, the Trustees of Bedford School Trust liaise with the Governors of Bedford School on matters of mutual interest, but there is no obligation laid upon them to do so. Staff time has been provided by the Harpur Trust at no cost but with effect from 1 July 2009 the Trustees have authorised that an annual donation be paid by Bedford School Trust to the Harpur Trust (a registered charity) to reflect usage of its staff and premises.

### **Relationship with Bedford School Foundation**

Bedford School Foundation was founded in 2002 as a fundraising charity for the benefit of Bedford School. Many of the amounts raised are passed to the Trust to administer. As a consequence of the Foundation, the Trust does not usually engage in any fundraising activities, beyond minor School-related events.

### **Risk Management**

The Trustees have continued to examine the various areas of the Trust's operation and have considered what major risks might arise in these areas. Key risks identified include: potential lack of required experience and knowledge in the Trustee body; failure to make sufficient or appropriate grants to beneficiaries; inaccurate or insufficient financial information on which to base decisions; inadequate investment management policies; and failure to comply with regulatory requirements. The Trustees plans and strategies for managing these risks include the following activities:

- Regular review of the composition of the body of Trustees and identification of required skills when vacancies occur
- Scrutiny of curriculum vitae and meetings with potential candidates for Trusteeship in order to examine skills and fully appraise candidates of the responsibilities and duties associated with Trusteeship
- Establishment of guidelines and communications framework for application to the Trust for funding

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**TRUSTEES' ANNUAL REPORT**

- External review where possible of financial information in order to frame good decision making with reference to grant awards
- Regular review of investments to include cycle for review of investment policy and appointment of investment manager
- Attention given to communications from the Charities Commission, Companies House, HMRC, Information Commissioner's Office and other external advisers, with regular reporting to Trustees at meetings and out of committee when required.

Key controls used include: formal agendas for all meetings; detailed terms of reference for all sub-committees; clear authorisation and approval levels, within an established organisational structure, as detailed above. Financial information is reviewed at each Trustee meeting, including all grant applications.

## **OBJECTS AND AIMS**

### **The Objects of the Charity**

The Trust is established to manage funds and property donated to Bedford School so as to:

- promote the education of pupils at Bedford School
- promote the further education of former pupils of the School
- to support the School and its charitable activities

The above revised objects were adopted by the Trustees on 13 June 2009.

In addition, the Trust incorporates 5 other charities under the uniting direction by the Charity Commission in May 2003, as follows:

**Colonel Wells Charity for Bedford School** The Charity Commission approved a new scheme for Colonel Wells Charity on 10<sup>th</sup> July 2002 with Bedford School Trust as the trustee. This charity is now a subsidiary of Bedford School Trust and has the following object:

"To promote the education of pupils attending Bedford School in the study of agriculture and allied subjects and sciences, botany, geography, geology and environmental subjects".

Colonel Wells Charity owns a nature reserve and study centre at Ickwell and other freehold and leasehold properties, which have been let and have earned rental income for the charity. The sale of the final lot of farm land, other than the nature reserve, study centre and one bungalow, was completed in August 2015 and the net funds realised were reinvested as part of the permanent endowment of the Charity. The Colonel Wells Charity also holds investments which are pooled with the common investment portfolio of Bedford School Trust.

**The Rice Classical Scholarship Fund** To provide an exhibition for a boy who is a strong classicist.

**The Phillpotts Benefaction** To pay the Chaplain appointed to Bedford School Chapel. In practice the Chaplains are paid by the School and the income from the fund's permanent endowment helps to defray the other operating expenses of the Chapel.

**The Siddons Benefaction** To provide for the upkeep of the Siddons family panel in the Chapel and to apply the balance to improving, furnishing and equipping the Chapel.

**Heriz Smith Bursary Fund** To aid any pupil or former pupil of Bedford School who is desirous of entering holy orders in the Church of England to enter a university or theological college for that purpose or to study theology at university.

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**TRUSTEES' ANNUAL REPORT**

The capital assets of the subsidiary charities are treated as permanent endowments. The accounts for these funds are maintained within the Bedford School Trust accounts and shown as Endowed Funds. The purpose of each of the above fits within the overall objects of the Trust and, for all practical purposes they are managed as part of the main Trust.

### **Public Benefit Aims and Intended Impact**

In meeting the Objects of the Trust, including the incorporated subsidiary charities, the public benefit aim is to provide accessible first class education in the broadest sense for grantees, through the provision of academic, sporting, artistic and social activities which will enhance life skills. This is intended to assist all those receiving support through the Trust to develop and fulfil their potential, and to inculcate in them a life-long desire to contribute to the wider community.

In the furtherance of these aims the Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the Charity Commission's published general and relevant sub-sector guidance, concerning the operation of the Public Benefit requirement under that Act.

### **Aims of the Trust**

**Assistance with Fees:** the Trustees are committed to widening access to the education provided by Bedford School, through the funding of scholarships and bursaries. Details of all awards funded by Bedford School Trust are included in the annual booklet published by the School giving information for prospective pupils. The awards are made by the Chairman of Trustees, in consultation with the School's Scholarship Board and the Clerk, and approved by the Trustees, (if necessary out of committee and reported to Trustees at the next meeting). Whilst acknowledging that the School has adopted a stringent means testing basis for awards, the Trust recognises that a measure of flexibility is required to reflect certain circumstances arising. The Trustees have agreed that some scholarship funding could be used on a non means-tested discretionary basis in exceptional circumstances. In particular, scholarships based purely on merit will be awarded from the Brian Saville Awards fund.

**To provide funding for special projects:** Grant applications for individual special projects at the School are brought to the Trustees' meetings for consideration. Projects are required to meet the objects of the Trust and to be such that could not be expected to be funded by the School from fee income. Projects which include the provision by Bedford School of ancillary or incidental educational activities and other associated activities for the benefit of the community are strongly encouraged and supported as a priority.

**Special Purpose Funds:** the Trust facilitates the operation of various activities run within the School. The person or persons appointed to be responsible for authorising expenditure from each of the funds for these activities is agreed by the Chairman and the Clerk. Examples of special funds are the Prep School account, the Monitors Fund, and the Charities Committee account.

**To manage the affairs of Bedford School Chapel:** the Chapel Committee acts as a sub-committee of the Trustees. It is established to manage the affairs of the School Chapel and controls the associated restricted funds. It meets once a term. Terms of reference for this committee, including membership, were agreed in June 1999.

**To aid the operations of the Combined Cadet Force (CCF):** the CCF operates its private account under the financial control of the Trustees. The CCF public fund operates under the control of the Ministry of Defence. The Trust collects the rent for the land owned for the benefit of Bedford School CCF (formerly the OTC) and pays it to the CCF as an annual grant. It also manages a designated fund for the benefit of the CCF.

### **Policy on Making Grants**

The Trustees have delegated the power to make grants up to £1,000 to the Chairman and up to £2,000 to the Chairman and Clerk acting jointly, in cases of urgent need. Otherwise requests for grant support are considered by the Trustees at their meetings or electronically out of committee.

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**TRUSTEES' ANNUAL REPORT**

### **Charitable Donations**

The Trustees have decided that the Chaplain, the Master i/c Charities Committee and the Head Master of the Prep School may authorise grants to external charities and worthy causes from funds raised from collections and activities under their control of up to £250 and, with the appropriate agreement of the Chairman and Clerk, up to £2,000.

Above this, the authority of the Trustees as a whole is required.

## **REVIEW OF ACHIEVEMENTS AND PERFORMANCE FOR THE YEAR**

### **Objectives for the Year**

The main objectives for the year have been:

- Via the Investment Committee, to ensure all investments are managed in accordance with the Investment Policy, to regularly review that policy for relevance in an uncertain market and meet with the investment advisors to discuss accordingly
- Pursue further suitable investments to replace the lands sold, as permanent endowment of Colonel Wells Charity, 32 St Peter's Street, Bedford (awaiting completion), but also looking at wider investment opportunities
- Continue to promote the Brian Saville Awards Scholarship and the wider scholarship and bursary programme, combining means tested and discretionary awards, enabling both wider access to the School, and to support current pupils in need
- Encourage applications for grants for an even wider range of School and alumni projects
- Support the School in encouraging community access for educational purposes to the School's site and facilities, and in further developing links with local state schools, including maximising the STEM project initiative.
- Appoint additional Trustees, with appropriate skill sets, to enhance the Board's breadth of experience.

### **Review of performance against those Objectives**

#### **Scholarships and Bursaries**

During the year, 48 boys (41 in 2016/17) have benefitted from major scholarship support. The generous legacy of Brian Saville has meant more boys than ever can now access Bedford School through scholarship support with twelve scholarships being offered this year, although only a small number (3) were taken up.

Eight new scholarships have been awarded to commence from 1 September 2018 and the commitment (for two or five years each) has been fully accounted for in these accounts. Parental income and family circumstances have been taken into account in assessing the value of each award:

- Brian Saville Awards (3)
- Professor Roach Awards (1)
- General Access Scholarships (5)

The total additional cost of the scholarships charged in the year, including hardship awards and amendments to reflect increases in school fees for awards already accrued was £235,657 (2016/17 £299,419).

#### **Grants**

Total grants, including scholarships, of £352,474 (2016/17: £403,635) were made during the year. Significant grants awarded this year have been as follows (awarding Fund in brackets):

- £24,000 for a golf simulator coaching system (Golf Coaching Scholarship)
- £11,250 in hardship support for 1 boy (General)
- £5,000 to the Head Master as a discretionary fund for staff professional development (General)
- £4,762 subsidy to boys for various tours (General)
- £5,000 for theological support for an Old Bedfordian (Heriz Smith Fund)
- £21,249 total in donations to other charities (Charities Committee, Chapel and Prep School), based on collections and fund-raising activities in the School

**TRUSTEES' ANNUAL REPORT**

**Promotion of the Trust with a wider public benefit impact**

The work of the Trust is advertised to parents and staff each year, via information on the School's website and by e-mails to staff termly, and this has continued to raise the profile of the Trust. The Trustees remain committed to increasing the number and diversity of grant applications, particularly those which have wider community aspects but still meet the objectives of the Trust:

- Sports and music facilities were again enhanced by the purchase of additional equipment
- A series of art exhibitions and lectures, open to the general public was widely attended
- Pupils at the School are encouraged to be charitable, with £21,249 donated to other charities in the year
- Use of the Ickwell Reserve for a wide range of educational visits by Bedford School boys, other local schools and community groups.

**Colonel Wells Estate, Ickwell**

The continuing reinvestment of net proceeds from earlier sales continues and the pre-existing offer to purchase a property at 32 St Peter's Street, Bedford remained in place for £225,000 at the year end. Shortly after year-end, an agreement was reached and settlement made on the property for revised price of £245,000.

**FINANCIAL REVIEW AND RESULTS FOR THE YEAR**

**Review of the Overall Financial Position at the Year End**

The total value of the Trust increased by £1,661,946 during the year. The value of the investment portfolio increased by £641,128 whilst net current assets increased by £968,252. Overall, capital funds increased by £1,559,691, and revenue funds increased by £102,257. The net assets of the Trust total £18,877,016 (2017 £17,215,070) of which £2,419,224 is in cash or cash equivalents.

**Income and Expenditure**

The income of the Trust was £1,919,210. Collections in Chapel raised £3,219 and this was distributed to other charities and worthy causes. The Charities Committees (Upper and Prep School) run by the pupils raised further funds totalling £18,030 for donation to external charitable organisations.

Expenditure of the Trust totalled £956,825 during the year and governance cost represented less than 1% of overall revenue expenditure (2017 1.31%). Generally, governance costs are not expected to vary hugely with fluctuations in total expenditure and this increase is in line with that expectation.

The result of the above income and expenditure totals is a net inflow for the year after the net gains and losses on investments of £1,661,949.

**Reserves**

At the end of the reporting period, the total funds held by the Trust were £18,877,019. Of these, £3,617,798 are permanent endowments whilst £13,722,341 are expendable endowments. £1,235,102 of the permanent endowments are held as fixed assets, with the balance of the endowment funds held in the investment portfolio and bank deposit account.

Of the revenue funds, £675,164 are restricted, leaving the balance of unrestricted funds of £861,717. £885,438 of these funds are held as fixed assets and of the unrestricted funds, some £122,984 are designated. The largest fund concerns the support of educational school trips and the balance at the end of the reporting period will be expended in the subsequent year. The other balances provide a contingency for the related activities and should there be no further income, it is expected that the amounts so designated will be expended in the following one to two years.

The Trustees' policy on holding reserves is that ideally General Reserves should be maintained at a level of between one and two years' typical income to the main account. Under this policy, 'General Reserves' are defined as unrestricted reserves less the more liquid works of art and chapel assets, amounting to £165,845 as at 30<sup>th</sup> June 2018. 'Typical' income has been taken to be the average of the past 5 years' (including the current period) unrestricted income, excluding parental contributions, resulting in unrestricted reserves representing 1.35 years of average unrestricted income. The Trustees are confident that the Trust retains sufficient overall Reserves to operate

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**TRUSTEES' ANNUAL REPORT**

efficiently and that the balances at the reporting period end are in line with the level of reserves defined in the policy above.

### **Investments**

Trustees have the power to invest the money of the Trust not immediately required for its objects in and upon such investments, securities or property as they see fit. The Trustees have delegated discretionary powers to manage the investment portfolio to the investment managers. The Trustees' Investment Sub-committee monitors the performance of the portfolio manager and reports to the main committee of Trustees on a regular basis. The Charity Commission approved an investment pooling scheme for the varying funds in June 2003.

The Trust's Investment Policy is reviewed regularly, and was reviewed by the Trustees in June 2018. The objective of the Portfolio is to increase both the capital value and the income in real terms. This objective is reflected in a benchmark comprised of a composite index that specifies a percentage range for each type of investment within which the investments managers must invest. The target given to the Investment Managers is to outperform the benchmark on a rolling annual basis.

### **Review of Investment performance**

In the year to 30 June 2018 the value of the investment portfolios increased by £641,128 to £14,743,727, including unrealised investment gains of £690,594 (2016/17 gain of £1,387,516). Net income earned from the investment portfolio increased to £374,690 from £338,752 in 2016/17, following the addition of a final instalment for the Brian Saville legacy funds, a further interim payment for the Professor Roach Fund and an interim payment for the Allan Goode legacy, which was a new legacy received within the year. The annualised performance of the general investment portfolio was above the benchmark set by the Trustees by 2% (17.1% against 15.1%), but showed signs of improved performance in the last quarter. The Trustees, in consultation with the Investment Managers, are satisfied with this performance in prevailing market conditions.

## **FUTURE PLANS**

The following targets have been reviewed and confirmed for the coming year:

- Purchase of further suitable investments to replace the lands sold, as permanent endowment, including the completion of the purchase of 32 St Peter's Street, Bedford
- Continue to promote the Brian Saville Awards Scholarship, Prof Roach Awards and the wider scholarship and bursary programme, combining means tested and discretionary awards, enabling both wider access to the School, and to support current pupils in need
- Encourage applications for grants for an even wider range of School and alumni projects
- Support the School in encouraging community access for educational purposes to the School's site and facilities, and in further developing links with local state schools, including maximising the STEM project initiative
- Support the School in developing facilities and resources in support of the aims and objectives of both the Trust and the School
- Appoint additional Trustees, with appropriate skill sets, to enhance the Board's breadth of experience.

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable law.

Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its net outgoing resources for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**TRUSTEES' ANNUAL REPORT**

- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate
- observe the methods and principles in the Charities SORP.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2017**  
**INDEPENDENT AUDITOR'S REPORT**

**Independent Auditor's Report to the Members of the Bedford School Trust**

**Opinion**

We have audited the financial statements of the Bedford School Trust for the year ended 30 June 2018 which comprise the statement of financial activities, income and expenditure account, the balance sheet, the cashflow statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102. The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 June 2018 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2017**  
**INDEPENDENT AUDITOR'S REPORT**

work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion based on the work undertaken in the course of our audit

- the information given in the trustees' report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**BEDFORD SCHOOL TRUST**

**INDEPENDENT AUDITOR'S REPORT**

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**NOTES TO THE FINANCIAL STATEMENTS**

**1. CHARITY INFORMATION**

1.1 The Trust is a private limited company (registered number 4479551), limited by guarantee, which is incorporated and domiciled in the UK. The Trust registration number is 1094232 and the address of the registered office is 10 Glebe Road, Bedford, MK40 2PL. The main objective of the Trust is to support Bedford School by promoting the education of the pupils and former pupils and to support the School and its charitable activities.

**2. ACCOUNTING POLICIES**

The principal accounting policies adopted and critical areas of judgements are as follows:

**2.1 Basis of preparation**

These accounts (financial statements) have been prepared in accordance with the Charities SORP (FRS102) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

Bedford School Trust meets the definition of a public benefit entity under FRS 102 and due regard has been given to Charity Commission guidance. In addition, assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The financial statements have been prepared under the historical cost convention, subject to carrying out fixed asset investments at market value, and in accordance with the Charities SORP (FRS102), and with applicable accounting standards and current statutory requirements.

After making enquires, the trustees have a reasonable expectation that the charity has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements as outlined in the Statement of Trustees' Responsibilities on page 7.

The Trustees of the Bedford School Trust are also the Trustees of the Colonel Wells Charity, which operates in the Trust's area of benefit. During 2003, the Charity Commission granted a uniting direction, and therefore the results for the year are included with those of the Bedford School Trust.

**2.2 Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Trust's accounting policies, Trustees are required to make judgements, estimates, assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Such estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects the current and future periods.

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to the carrying amounts in the next financial year.

**2.3 Financial instruments**

Bedford School Trust has financial assets and financial liabilities of a kind that qualify as basic financial instruments, which are initially recognised at transaction value and subsequently measured at amortised

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**NOTES TO THE FINANCIAL STATEMENTS**

cost. Financial assets held at amortised cost comprise cash at bank and in hand, together with trade and other debtors. Financial liabilities held at amortised cost comprise trade and other creditors.

Investments, including bonds held as part of an investment portfolio are held at fair value at the Balance Sheet date, with gains and losses being recognised within income and expenditure.

**2.4 Incoming Resources**

Contributions, donations and subscriptions are accounted for on a receivable basis. Legacy income is accounted for when there is entitlement and reasonable probability of the legacy's value and receipt.

**2.5 Resources Expended**

Expenditure is classified under the principal categories of cost of generating funds, charitable activities and governance rather than the type of expense, in order to provide more useful information to users of the accounts. Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any irrecoverable VAT.

Raising funds comprise those costs directly attributable to managing the investment portfolio, trading and fund-raising costs, which are those incurred in seeking voluntary contributions for the Charity.

Grants payable are charged to the Statement of Financial Activities when the offer is conveyed to the recipient except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled.

Governance costs are those incurred in connection with compliance with constitutional and statutory requirements.

**2.6 Investment Property**

Investment properties are included in the balance sheet at their open market. They are valued by an independent Chartered Surveyor every five years. In addition, the market value of Investment property is revalued to net sales value where there is a prospective sale in progress at the year end. Informal Trustees' reviews are carried out annually by reference to market values of other similar properties in the surrounding area, with any material gains and losses resulting from revaluation being reported in the Statement of Financial Activities. Because of this annual review no depreciation or amortisation is provided.

**2.7 Investments**

Investments are revalued to market value at the balance sheet date and the surplus or deficit of this revaluation together with realised gains and losses are shown as gains or losses on the face of the Statement of Financial Activities.

**2.8 Works of Art**

The valuation of Works of Art is formally reviewed every five years, and monitored annually to ensure the value is adequate. The next review will be undertaken in the 2018-19 financial year. Additions are included at cost, with any additions over £500 being capitalised. The Trustees consider the useful life of the assets to be so long that depreciation would be immaterial.

**2.9 Tangible Fixed Assets**

Purchases of assets in excess of £1,000 are capitalised, with the exception of artworks where the de minimis is £500 to reflect potential for appreciation in value.

Depreciation is provided on operational fixed assets to write off their cost less estimated residual value over their estimated useful economic life by equal annual instalments as follows:

Freehold Property – 50 years

Motor Vehicles- 5 years

Chapel Assets and Works of Art are not depreciated as Trustees consider the useful life of the assets to be so long that depreciation would be immaterial.

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**NOTES TO THE FINANCIAL STATEMENTS**

**2.10 Restricted Funds**

These are monies, which have legal restrictions on their use where donors have specified the funds can only be spent on certain of the charity's activities.

**2.11 Unrestricted Funds**

Unrestricted general funds are those funds, which can be used in accordance with the charitable objects at the discretion of the Trustees. Designated funds are set aside by the Trustees out of unrestricted general funds for specific future purposes or projects.

**2.12 Endowed Funds**

These are funds where the Trustees are required to hold the capital, as represented by the investments and other fixed assets. They do not have the power to spend the capital of permanently endowed funds, but can apply both income and capital of expendable endowed funds should they so decide. Income arising from these funds is either restricted income or unrestricted income depending upon the details included with the original gift.

The Investment Property comprises the remaining parts of the Colonel Wells Ickwell estate (excluding the Field Study Centre), being the Freehold of two Cottages and a Bungalow. All the properties earn rental income. It also includes land at Princes Risborough (General Fund), and the property at 41 De Parys Avenue, which was purchased and improved with part of the proceeds of the Ickwell land sales and hence is part of the permanent endowment of the Colonel Wells Charity Fund. In addition, 13 Dudley Street, Bedford, was acquired in October by reinvesting funds received from the sale of farm land within the original Colonel Well Ickwell estate.

The land in Princes Risborough remains valued at the probate valuation of £17,500, on the basis of bare agricultural use. A potential development project is currently being explored through independent surveyors and any change in the value of the land for this purpose will be accounted for when it can be substantiated.

**BEDFORD SCHOOL TRUST**  
**Year Ended 30 June 2018**  
**NOTES TO THE FINANCIAL STATEMENTS**

The freehold properties are functional assets for the charity's use. The property at 14 Glebe Road is land only and is stated at valuation in 1995 and is not depreciated. The property at 2 Burnaby Road is included at cost and is being depreciated over 50 years starting in 1996/97. The Ickwell Field Study Centre is a functional asset for the charity's use, and is being depreciated over 50 years.

The Chapel assets originally belonged to the Chapel Fund, but have been included in the General Fund since June 2005. Non depreciating assets were revalued at a replacement cost of £366,000 (from £345,750) by David Fletcher MRICS in April 2013. The valuation is reviewed every five years and is monitored annually to ensure this value is adequate. The Trustees consider the useful life of the assets to be so long that depreciation would be immaterial.

Works of Art accumulated by the Trust were re-valued at a replacement cost of £404,740 by David Fletcher Fine Art Limited in August 2014, to which later additions have been accounted for at their cost of purchase.

The Trustees have accrued as a liability the estimate of scholarships awarded to boys currently in the school, assuming they stay in the school until the end of Upper Sixth, unless a specific time period has been agreed. The Grants creditor consists of grants approved by the Trustees in the year but unpaid at the year end.

**10. FINANCIAL INSTRUMENTS**

At the balance sheet date, the Trust held financial assets of £2,815,719 (2017: £1,802,793) and financial liabilities of £167,874 (2017: £150,155) at amortised cost. The value of financial assets held at fair value, with gains and losses taken through income or expenditure, were £14,449,307 (2017: £13,804,773).

**11. ENDOWED AND REVENUE FUNDS**

The details of permanent and expendable endowed funds are shown on page 23. The details of the revenue funds are shown on page 24. The purposes of these funds are explained in the Trustees' report.

In line with the Trustee policy to expend the Lindsay-White legacy, a transfer of £16,744 funds was made during the year. The Brian Saville Award fund for scholarships is being expended, whilst maintaining a minimum of £3m in the endowed fund until a review in 2019.
