## Introduction

The Bismillah Aid Annual report for year ended 31 December 2018.

Bismillah Aid is an international NGO, established in the U.K in 2004. We are a growing UK registered charity, working in Pakistan, Kashmir, South Africa and India, but we hope to expand further into other countries.

Motivated by our faith in Islam, Bismillah Aid serves the poor and impoverished as a demonstration of the Islamic ideal of helping the less fortunate. Bismillah Aid works under the guidance of scholars who ensure that everything is being run according to the sharia of our beloved Prophet (Sallahu Alayhe Wa Sallam meaning the Zakat, Sadaqa, Lillah etc. is given to the right places and to the right people.

Bismillah Aid has been dependant on volunteer support in order to fulfil the objectives, vision, mission and to carry out its activities. The Trustees would like to thank all those who have volunteered their time to Bismillah Aid.

Our Vision	Our Mission
To make world free from poverty based on the principles of the Holy Prophet (Sallahu Alayhe Wa Sallam). Who would not look at whose son it was and who it is nor how bad they are, they would give help to everyone and Alhamdulillah this is how Islam grew so vast with over 2.2 Billion Muslims in the world; which is around about one third of the whole world population. Our vision is to replicate those attitudes and ideals.	<p><i>To help serve and support the less fortunate and to make their world better and give them the opportunity to succeed.</i></p> <p>- Mohammed Imran</p>

## **Ramadhan**

### **Ramadhan gift packs**

During Ramadan, Muslims fast from sunrise to sunset as an act of devotion to Allah Almighty and self-constraint. Many of us know that we will have a plentiful supply of food and water to break our fast. However, across the world, many families struggle to put food on the table at iftar time. With rising food prices, household poverty and long working hours whilst fasting, many families instead have little food and worry about how they will feed their families.

We work with people and communities to ensure that families have enough food for the month of Ramadan. Across the globe, we distribute family food packs with essentials such as flour, rice, and lentils to last the whole month, meaning families can instead focusing on the spiritual duties of the month.

Yearly, Bismillah Aid provided Food Rations and Gift Packs to associates NGO Bismillah Welfare Trust. Food ration included daily used products such as Flour, Ghee (Butter, Daals (Lentils), Sugar, Dry Milk, Rice, and other necessary stuff. Apart from this, Gift Packs included toys, new clothes, books and stationary for the kids. NGO Bismillah Welfare Trust then distributed these food and gift packs amongst the hundreds of poor, needy and poverty-stricken families and orphaned children in the region of districts throughout the world.

*“Ramadan is the (month) in which the Holy Qur’an was sent down, as a guide to mankind and a clear guidance and judgment (so that mankind will distinguish from right and wrong)”*

### **Ramadhan Month package**

Ramadhan of 2018, £150 provided a family with a Ramadhan Food Pack containing a whole month's supply of essentials.

We received enough donations to provide for our Muslim brothers and sisters to receive a nourishing Iftaar and Suhoor meal for each day of Ramadhan.

## **Qurbani project**

In the Quran it is stated:

**“So pray to your Lord and offer sacrifice”** [Quran, 108:2]

Qurbani (Udhiya) is not only a religious duty on Muslims ordained by Allah, but it is also a wonderful opportunity for Muslims to help their fellow humans who are suffering from abject poverty around the world.

The meat that is distributed brings happiness and smiles to the faces of widows struggling to raise their children, old-aged people with disabilities facing hunger and children affected by disasters and wars.

Yearly, your donations ensure that hundreds of families across Pakistan, Nepal, India etc, through your donations get to enjoy a health and hunger free Eid. Many of these families rarely consume meat, but thanks to your donations, we were able to feed hundreds of vulnerable families around the world during Eid-ul-Adha this year.

We would like to thank all the generous donors of Bismillah Aid for placing your trust in us to implement your Qurbani donations this year. We pray Allah SWT rewards you abundantly.

## **Expanding work of Qurbani in Nepal**

Following on from our successful interventions in India, through Muslim charity, this year we once again organized a Qurbani programme to help bring smiles throughout the world.

It was decided to send Qurbani donations to help people in Nepal. We decided that it was better if we do not send a representative in Nepal, so instead we decided to send the package through another renowned, reputable charity and known associates: Muslim charity.

### **Completing our building purchase**

#### **Expanding/ renovations of new property**

It was decided in 2017 that Bismillah Aid will purchase a new property, so that we can conduct the charity's ever-expanding ventures and projects within the local community.

The project has been immense and time consuming, however whilst straining the members, be it in donations or effort of speaking to people/ donators, we have completed the expansion project.

On behalf of all the Bismillah aid team, we would like to thank all of our donators, contributors, supporters etc. We appreciate your support for our growing charity, we truly could not have done it without you.

#### **Loan repayments**

As agreed last year with a few interests free - loan providers, we have paid off the loans that were given to Bismillah Aid previous donators/supporters.

## **Sponsorships**

EVERY CHILD DESERVES A HAPPY CHILDHOOD AND A CHANCE TO BUILD A BRIGHTER FUTURE.

Bismillah Aid helps hundreds of Hifz students by felicitating and more. This year we aimed to help further our work by supporting us to reach our goal for providing for more Hifz students each year.

Changing a young person's life by helping them to better themselves! By being a part in altering a child's life, through education.

Helping these young people by keeping them away from a life of destitute and poverty. Developing aspirations for our children, hopes of them bettering themselves and doing well in life. They have no-one to hope for them so help these children and give them hope of their lives improving!

Helping the children through this 2-3 years journey of memorizing the holy Quran and completing studies, through:

- The supply of food
- The provision of shelter
- Clothing
- Access to clean water and sanitation
- Medical care and welfare
- On-going Education
- Adequate nutrition
- Loving care and guidance in family home

*Hifz provides human  
perseverance,  
development, social  
equality and justice.  
Overcoming hardships  
through strength of spirit  
and holding communities  
together.*

## **Volunteers**

The volunteers at Bismillah Aid have generated amazing enthusiasm and excitement has led us to set up many activities like street collections, door to door collections, cutting my hair for charity, dinners, social get to togethers and fundraising on JustGiving: in cities such as, Birmingham, Leicester, Derby, Luton, London, Manchester and many more cities: with all this happening in the past few months across the United Kingdom Bismillah Aid is expecting much more actions in the coming year.
