NOTICE OF ANNUAL MEETING

For the Friends of the Hurtwood.

To be held on Thursday 18th April 2019 at 7.30pm
In the main dining hall at the Duke of Kent School, Ewhurst

Prior to the formal proceedings, Friends will be welcomed by Mrs Handa Bray, who has kindly provided drinks and nibbles, commencing at 7pm.

AGENDA

1. Chairman's Report
2. Ranger's Report
3. Receive Accounts for year ended 31st October 2018
4. Election of directors
5. Appointment of the Independent Examiner

Following the Annual Meeting there will again be an opportunity to share your experience of the Hurtwood and make suggestions to improve its environment by joining one of the Special Interest Group discussions, for bikers or walkers.

Chairman's report

An unremarkable year?

The past year was rather unremarkable but for two events.

Early on a weekend morning in May 2018 a small fire broke out on Holmbury Hill in an area which had recently been clear-felled. The fire alert was received after action by local bikers, who reported that they believed the fire had been successfully extinguished. However later that morning, on land adjacent to the original fire, brash left over from the recent felling had caught alight and the fire was spreading, fanned by a gentle easterly wind. The Fire Brigade and the Hurtwood Ranger attended and by late afternoon the fire was under control having spread over some 10 acres. This incident caused us to review our fire risk assessment and with temperatures gradually increasing through the summer the whole of the Hurtwood was put under a fire risk alert from July. Although fortunately an isolated incident, it emphasises the risk from fire, especially in exceptionally dry periods and where there is brash left after felling operations.

The second event provided significantly more positive news. We were approached by the Land Trust who asked us if we would be interested in managing Bookhurst Wood in Cranleigh on their behalf. This lovely 15 hectare ancient semi-natural woodland has large areas of old hazel and hornbeam coppice with mature oak standards, birch, ash willow and aspen that provide interest throughout the year. The bluebells in spring are a particular highlight. We naturally agreed and in return for a small management fee we are now the designated access manager. In addition, improvement works specified and paid for by the Land Trust will be project managed by our Ranger.

Finance

The detailed financial accounts for the year are included later in this annual report. Here I will focus on the main sources of income:

- Individual members total just under 400, in addition 15 or so local organisations and businesses regularly support our charity
- Almost 40% of individual members have been with us for more than 10 years
- In the last year we gained 41 new members but regrettably lost almost twice that number.

The shrinkage in membership is concerning and a number of actions are being put in place to address this. We are seeking an individual to assume responsibility for membership development; during the summer we have planned recruitment campaigns in our car parks and with our extended presence at Bookhurst Wood we hope to encourage a greater membership in Cranleigh.

Reserves

- During the year, as planned, £175,000 was invested in a portfolio managed by Octopus Investments on behalf of the Charities Aid Foundation. The balance of our reserves are in interest bearing Income Bonds at NS&I and, in our current accounts at Unity Trust Bank plc.

The Trustees are confident that the reserves are adequate for a charity of our size.

Risk

The Risk Register is updated regularly to take account of the changing nature of the environment of the Hurtwood (e.g. trail erosion, forestry works), the potential for conflict between different users (e.g. fast moving bikers and horse riders), financial risk and various other issues (e.g. fly tipping and fire risks).

The Trustees have reviewed the updated risk register and are satisfied that appropriate and proportionate action is in place to mitigate the risks identified.

Acknowledgements

A list of individuals with current membership is included at the rear of this report.

We received financial support from Landowners and Local Government, for which we are very grateful, namely:

The Land Trust, Guildford Borough Council, Surrey County Council and the Parish Councils of Ewhurst, Shere and Albury.

Donations from the following businesses and organisations were also received during the course of the year:

Belmont School
Duke of Kent School
Easy Fundraising
Holmbury Bonfire Boys
Holmbury Football Club
Holmbury Horticultural Society
Long Distance Walkers Association
MABAC Running League
Peaslake Fair
Peaslake Schools Trust
Peaslake Village Stores
South London Orienteers (SLOW)
Tri Adventure

I should also record thanks to all those who, by volunteering to help at working groups, village shows and events during the year and by spreading the word about our work, ensure that The Friends of the Hurtwood remains visible in the local community.

Finally, I would like to pay a special tribute to David Lees, who resigned at the end of the year to concentrate on developing his architectural practice. As a trustee and latterly a director, David made a significant contribution to our management strategy for biking on the Hurtwood, the substance of which was latterly adopted by the AONB for use in the Surrey Hills.

Operations Report

Fly tipping continues to increase on the Hurtwood, asbestos continues to be dumped, though slightly less this year. As you can imagine, this continues to be a considerable cost which we have to bear for providing car parking for visitors to the Hurtwood. We have looked at cameras, but have been told that this will not deter criminals who most likely will be using false number plates or un-registered vehicles.

On Pitch Hill we have re-instated a long-lost footpath from Moon Hall Road to the summit of the Hill. This was a joint effort between ourselves and Surrey CC Rights of Way department. Though it's not the most popular of routes it was important as it avoided a nearby bike trail that was causing confusion for walkers looking for the original footpath. We have also erected new barriers to keep cyclists and horse riders away from the Greensand Way footpath that skirts around the Eastern side of the summit. We have erected new "Share with care" signage in Pitch Hill and Walking Bottom car parks.

Work on cutting back the young tree growth from the main rides on Holmbury Hill has mostly been completed but will continue on some smaller rides. The fire road leading up to the reservoir from Mackies Hill that was damaged by the logging operations has now been re-instated by Shere Manor Estate. We have regraded the surface to the main Holmbury Hill car park, No.1.

In Summary during the year 2017/18 we have:

- Removed approx. 14 tons of fly tip from the car parks
- Repaired main tracks and fire roads
- Erected new signage
- Cleared over 6 miles of paths
- Cleared fallen trees obstructing paths
- Regularly cut back grassy areas
- Cut back extensive gorse re-growth from fire roads
- Given talks about the Hurtwood to various organisations, including local schools

Independent Examiner's Report to the Trustees of Friends of the Hurtwood

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 October 2018 which are set out on pages 6 to 11.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
