Report of the Trustees for the Year Ended 31st August 2018

The Trustees present their report with the financial statements of the charity for the year ended 31st August 2018. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015).

OBJECTS, AIMS, OBJECTIVES AND ACTIVITIES

Charitable Objects

The Charity's Objects, as set out in its Trust Deed, are to promote and advance the education of pupils of Wycliffe College in particular by the following means:

- (a) making and granting scholarships, exhibitions, bursaries, maintenance allowances, grants, awards, prizes and other benefactions tenable at the College;
- (b) furthering or improving the education afforded by the College;
- (c) improving, modernising or maintaining the buildings and grounds of the College; and
- (d) by such other charitable means as the trustees determine from time to time.

In the furtherance of these aims, the Trustees have complied with the duty in Section 17 of the Charities Act 2011 to have due regard to the Charity Commission's published general and relevant sub-sector guidance concerning the operation of the Public Benefit requirement under the Act.

Strategic Aim and Intended Impact

Within these Objects, Wycliffe College Foundation's aim is to support the aims of Wycliffe College by the granting of scholarships and bursaries to existing and prospective pupils and through donations for the improvement, modernisation and maintenance of the College and its property.

Objectives for the Year

The focus continued to be further widening of access to the education provided by Wycliffe College through the granting of scholarships and bursaries.

Strategies to Achieve the Year's Objectives

To derive sufficient income and capital growth from the investment portfolio to enable up to £45,000 to be awarded in scholarships and bursaries.

Principal activities of the year

The Charity has continued to support Wycliffe College through awards to pupils and donations for capital projects.

Grant-making policy

The Charity has continued to make awards from unrestricted funds by way of scholarships and means tested bursaries. Such awards are made either to enable pupils whose parents would otherwise have not been able to afford full fees to benefit from an independent education at Wycliffe College, or to enable pupils to remain at Wycliffe where financial circumstances have changed to the extent that such a pupil's education would otherwise be at risk. Awards made from restricted funds are made in accordance with the wishes of the original donor. In addition, grants are made for various educational projects or other purposes from funds generated by the Foundation Office. The objects of all funds (restricted and unrestricted) are listed on page 3.

Report of the Trustees for the Year Ended 31st August 2018 (continued)

Report of the Trustees for the Year Ended 31st August 2018 (continued)

ACHIEVEMENTS AND PERFORMANCE

Operational Performance

The Charity is pleased to have awarded a total of £34,051 to 20 pupils to relieve hardship where a pupil's or potential pupil's education and future prospects would otherwise have been at risk.

Fundraising Performance

The Foundation Office has generated gifts and donations totalling £30,239. The Trustees are most grateful for the continuing generosity and support of all the many donors.

Investment Performance

Throughout the year the portfolio continued to be managed, in accordance with the agreed investment strategy, by Paradigm Norton Financial Planning Ltd. The value of the portfolio showed an increase of 3.6% over the course of the year after taking into account cash inflows and outflows, compared to 0.8% increase in FTSE All-Share Index.

FINANCIAL REVIEW

The net movement in funds for the year was a surplus of £46,160 (2017: £107,189), after crediting £37,375 of unrealised gains less realised loss of £1,022 on investment assets. The Trustees made awards and grants totalling £34,151.

Reserves Policy

The Charity's total reserves of £1.5 million at 31st August 2018 included £0.4 million restricted funds and £0.5 million endowed funds, leaving free reserves of £0.6 million (2017: £0.6 million).

The Charity's reserves policy is to maintain sufficient unrestricted reserves to enable it to meet its financial obligations on a fund by fund basis. These obligations are reviewed annually. The Trustees consider that the investments held by the Charity, as set out in the notes to the financial statements, together with other readily realisable assets as stated in the Balance Sheet, meet this requirement.

Investment policy and objectives

The Trustees' policy is to maintain and to increase the purchasing power of the Charity's investment portfolio, over the medium to long-term, after withdrawing each year such sums as may be specified from time to time. Withdrawals may be met from income or from capital except from permanent endowed funds.

FUTURE PLANS

For the financial year 2018/19, to continue to award scholarships and bursaries, to assist in and widen access to the independent education provided by Wycliffe College. To continue to work with the Foundation Office of Wycliffe College in its fundraising efforts.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and provisions of the Scheme. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Independent Auditors to the Trustees of WYCLIFFE COLLEGE FOUNDATION for the Year Ended 31st August 2018

Opinion

We have audited the financial statements of Wycliffe College Foundation (the 'charity') for the year ended 31 August 2018 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2018 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate, or
- the trustees have not disclosed in the financial statements any identified material uncertainties that
 may cast significant doubt about the charity's ability to continue to adopt the going concern basis of
 accounting for a period of at least twelve months from the date when the financial statements are
 authorised for issue.

Report of the Independent Auditors to the Trustees of WYCLIFFE COLLEGE FOUNDATION for the Year Ended 31st August 2018

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities Statement set out on page 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Report of the Independent Auditors to the Trustees of WYCLIFFE COLLEGE FOUNDATION for the Year Ended 31st August 2018

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs(UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Councils website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and it's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the Year Ended 31st August 2018

1. Legal status of the charity

Wycliffe College Foundation is a charity registered with the Charity Commission in England and Wales, registration number 1078286 and is governed by the Scheme dated 8th October 2009. The principal address is Regent Street, Stonehouse, Gloucestershire, GL10 2AD.

2. Accounting Policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011.

The financial statements have been prepared to give a "true and fair view" and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a "true and fair view". This departure has involved following the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the previous Statement of Recommended Practice: Accounting and Reporting by Charities which was effective from 1 April 2005 but which has since been withdrawn.

The financial statements have been prepared under the historical cost convention, with the exception of investments which are held at market value.

The presentational currency of these financial statements is £ sterling.

Going concern

There are no material uncertainties about the charity's ability to continue as a going concern.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Legacies are recognised where there is entitlement, receipt is probable and the amount can be measured with sufficient reliability.

Dividends are included in the Statement of Financial Activities when they are received.

Bank Interest is included in the Statement of Financial Activities on an accruals basis.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Notes to the Financial Statements for the Year Ended 31st August 2018 (continued)

2. Accounting Policies - continued

Allocation of Income and Expenditure - Scholarship and Bursary Funds

Various Trust funds were merged on 1st January 1994 and since 1st September 2001 the apportionment of income and non-attributable expenditure has been based upon fund balances as at the beginning of each financial year as adjusted for significant donations during the year. Since 1st September 2008 Governance Costs have all been charged to Unrestricted Funds.

For Funds established since May 2010, the apportionment of income and non-attributable expenditure has been based upon fund balances as recalculated at 1st September, 1st January and 1st May.

Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in net gains / (losses) on investments in the Statement of Financial Activities if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost with the exception of investments which are held at fair value.

Taxation

The charity is exempt from Corporation Tax on its charitable activities. The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

Fund Accounting

Details and the nature and purpose of each fund is set out in the Trustees' Report and within the notes to the financial statements.

Critical accounting estimates and assumptions

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates will by definition, seldom equal the actual results. There are no estimates or assumptions that are deemed to have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year.
