Delta-North Consett Limited

Trustees Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements and auditors' report of the charitable company for the period ended 31 August 2018.

The Trustees' Report includes a Directors' Report as required by Company law.

Objectives

To provide or assist in the provision in the interest of social welfare of facilities for recreation, education, training, leisure and advice for men, women and young people with the object of improving their conditions of life.

To provide, improve and manage houses and our activity hostel accommodation for men and women of all ages upon terms appropriate to their means.

Review of activities, developments, achievements and changes

The work of the charity has continued with the expansion of the existing services developed over the last few years and in addition to this several new developments have extended our portfolio.

The Furniture Scheme and Charity Shop

These two ventures are still an invaluable and integral part of Delta North Consett Limited and a huge benefit to the local community; we continue to be one of the largest collectors and distributors of used items in County Durham.

Both aspects of the business are still busy although donations don't come in as regularly as past years, plans are in place to move the location of the Furniture Re-use centre to a more accessible location within the Town Centre, and this would certainly increase the amount of foot fall for the department. Delta North Charity Shop is showing increased trading since it moved into Middle Street in Consett.

Delta North Consett Limited Alternative Education Academic Year

The period of April 2017 to August 2018 has continued to be extremely busy.

In this time, we have had a full year 10 and 11 cohorts and have seen more and more year 9's come into the school making year 9 increasingly busy.

Summer 2018, saw 32, year 11's sitting exams, these exams follow the new 9-1 papers, making it increasingly difficult for our students to get good grades, especially now that course work has been removed from subjects. Students will be fully reliant on the exams.

As this is a new focus in exams and a new style, we have nothing as of yet to gauge what results will be like.

We continue to use Saleem our OFSTED advisor to build on the strengths of the school. The implementation of Engage has proved to be exceptionally positive and has helped immensely in tracking student data and attendance.

We are hopeful for good progress within the school over the next year as we look to make the change to join the ISA to allow for a more supportive network and a different form of inspection. We must now wait till February to see when this will happen.

Delta North Consett Limited Youth Services

All County Youth Provision officially closed at the end of March 2017. Delta North Consett Limited continued to provide a Junior Youth Club ran by Delta staff working in a voluntary capacity but due to no financial assistance this provision eventually had to close in October 2017

Trustees Report

Princes Trust Team

The Prince's Trust Team Program at Delta North Consett Limited is a motivational, Self-Development 12 – week course that engages with the harder to reach members of the Community, aged 16-25.

The focus of the course is to support Young People into a Positive Outcome or Progression; these include Further Education, Employment and or volunteering.

During the 12 weeks, the students are able to complete a Nationally Recognised Qualification at Award Level, Level 1 or Level 2 according to their individual circumstances. Although 12 weeks seems a relatively short period of time, the Program is jam-packed with activities that challenge the young people including a Residential experience, Community Project, Team Challenge and a Final Presentation.

Delta North Consett Limited continues to deliver the Prince's Trust as a sub-contracted service, for our local Derwentside College and is the only sub-contracted Delivery Partner for Stockton Riverside College, we have nine delivery centres operating across the Durham and Newcastle Area

Team Venues for this reporting period are as follows;

- Delta North Consett Limited Princes Trust Delivery Hub on Roseberry Terrace, Consett.
- Byker Community Centre
- Brandon Community Centre
- Prudhoe, the East Centre
- Bensham Grove Community Centre
- The Old Vicarage in Houghton-le-Spring
- Barley Mow Village Hall
- The Brockwell Centre in Pelton Fell
- Oxhill Community Centre in Stanley

As always, we are constantly evaluating emerging areas of need and always looking to expand our provision in order to meet our targets set by the Funding Colleges.

Residentials are now carried out by one provider, Real Adventure through Sport.

Prince's Trust Staff continuously work towards their professional development in First Aid, Food Hygiene, Manual Handling, Safeguarding, Team Leader training and Risk Assessment Training and also Prevent Training.

Outdoor Activity Programme

Delta North Consett Limited no longer operates an Outdoor Activity provision, all equipment has been sold to our residential provider Real Adventure through Sport.

Hostel: 1st April 2017 to 30th August 2018

Delta North Consett Limited Hostel accommodation has not been as busy as other years, in part due to the Delta North Consett Limited Princes Trust Programme outsourcing their residentials, it has however been utilised by the following groups:

- Orthodox Jewish Community
- Coast to Coast Groups

- Schools from across the country
- International Exchanges
- Paranormal Investigations

Delta North Consett Limited Boxing Club

Consett Delta ABC Boxing Club has gone from strength to strength over the last 18 months.

We now have 5 level 2 coaches and 2 level 1 coaches. Neil Walker is our newest coach he passed his level one coaching award in June 2018 with the view of going on to do his level 2 after he has held his coaching badge over a year. We now have 12 boxes holding medical cards that allow them to compete competitively. Consett Delta ABC train 3 times a week Monday, Wednesday and Friday nights. The times are Monday 5.30-6.30pm 5 – 13 years old Monday 6.30pm – 7.30pm 14 years and above. Wednesday and Fridays are 6.00- 7.30pm 14years and above.

Financial Performance

The trustees are pleased to report that charity has made further progress towards its financial objectives and has added to its reserves in the current period.

Reserves Policy

The policy of the charity is to maintain adequate reserves to ensure its continued operation. In particular, reference is made to the need to maintain liquid resources, due to the high proportion of investment in land and buildings for the furtherance of the charity's objectives. The liquid resources are equivalent to approximately 6 months operating expenses of the charity. The notes on reserves show the levels of Restricted and Unrestricted Reserves and the purpose of each fund.

Funding/Monitoring

There has still been a major down turn in the amount of available funding for projects and programmes that we run within the organisation, so between the reportable dates there has been no funding received

Risk Management

The trustees have also examined operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

Charitable and political contributions.

There have been no charitable donations within the last financial period

Trustee's Responsibilities

The trustees are required by law to prepare financial statements for each financial year which gives a true and fair view of the financial activities of the charity and of its financial position at the end of the year. In preparing those financial statements the trustees are required to:

- A. Select suitable accounting policies and apply them consistently.
- B. Make judgements and estimates that are reasonable and prudent
- C. State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial Statements.
- D. Prepare the financial statements on an ongoing basis unless it is inappropriate to assume that the charity will continue in operation.

Delta-North Consett Limited

Trustees Report

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Public Benefit Statement

The Trustees have had regard to the commission's public benefit guidance and have taken it into account when making a decision to which the guidance is relevant.

Delta-North Consett Limited

Independent Auditor's Report to the Members of Delta-North Consett Limited

Opinion

We have audited the financial statements of Delta-North Consett Limited (the 'charity') for the period from 1 April 2017 to 31 August 2018, which comprise the Statement of Financial Activities, Balance Sheet, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2018 and of its results for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Delta-North Consett Limited

Independent Auditor's Report to the Members of Delta-North Consett Limited

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees Report on pages 5 and 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

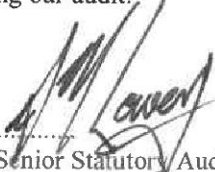

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Delta-North Consett Limited

Independent Auditor's Report to the Members of Delta-North Consett Limited

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Delta-North Consett Limited

Notes to the Financial Statements for the Period from 1 April 2017 to 31 August 2018

1 Charity status

The charity is limited by guarantee, incorporated in England & Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

Parliament Street

Consett

Co Durham

DH8 5DH

These financial statements were authorised for issue by the trustees on 13 May 2019.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Delta-North Consett Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Delta-North Consett Limited

Notes to the Financial Statements for the Period from 1 April 2017 to 31 August 2018

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the grant of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Other trading activities

the charity sells goods donated to it by the public. The value of donated goods for resale is not recognised in the accounts. Instead the value to the charity of the donated goods is recognised as income when the goods are sold. The income is shown under the heading Income earned from Other activities.

In addition to donated goods the charity buys in some goods for resale. Those are valued at the lower of cost and net realisable value.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Delta-North Consett Limited

Notes to the Financial Statements for the Period from 1 April 2017 to 31 August 2018

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings.

Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land and buildings	2% straight line (Depreciation is applied to buildings only)
Fixtures and fittings and equipment	12.5% reducing balance.
Motor Vehicles	25% reducing balance

Stock

Stock is valued at the lower of cost and estimated selling price less costs to complete and sell, after due regard for obsolete and slow moving stocks. Cost is determined using the first-in, first-out (FIFO).

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Delta-North Consett Limited

Notes to the Financial Statements for the Period from 1 April 2017 to 31 August 2018

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

Delta-North Consett Limited

Notes to the Financial Statements for the Period from 1 April 2017 to 31 August 2018

The specific purposes for which the funds are to be applied are as follows:

Equipment

Funds received for the purchase of equipment, including vehicles.

Gift of Land

The land which included ancient woodlands, had been given to assist with the provision of the Charity's activities. However, problems with trespassing and vandalism meant the Charity needed to sell and reinvest the funds from the gift. The Charity has obtained a licence to use the land for some of its activities.

Property Alterations

Grants received to alter, repair or improve the properties occupied by the Charity.

Other Funds

Grants towards supporting our projects and specific activities.
