Summary of the objects of the charity set out in its governing document

The Charity's objects are:

To provide and enhance the development and education of children under statutory school age in a safe, secure and stimulating environment which ensures equality of opportunity for all children and their families. To encourage the professional development and education of those providing the childcare and recreation, and maintaining links with the community

The main objectives of the Charity are provision of educational facilities for children aged 2 to rising 5 years old. It is the Charity's aim to include children from the surrounding communities and to provide up to 30 hours per week of pre-school education. The Charity also takes all reasonable steps to promote special facilities available for certain 2 year old children.

The Charity encourages the professional development and education of those providing childcare and recreation by providing training opportunities for staff as part of a continual professional development programme and improvement plan. Providing opportunities for members of the local community to become involved in volunteering in the preschool setting, to begin or enhance their professional development in childcare.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Achievements and performance

Summary of the main achievements of the charity during the year

We started the year with just 17 children at 44% capacity. This was low so we knew we had to focus on fundraising and increasing numbers of children on role. We distributed leaflets stating that we now offered the 30 hours funding introduced by the Government to local businesses eg coffee shops in the surrounding towns and libraries etc. We ended the year with 29 children on role at 75% capacity.

Open Day took place in October 2017 in conjunction with the Infant school which was attended by 40-50 families. We continued to advertise the pre-school through our toddler group. Consistent with previous years we had a pre-school stall at our village fete.

We started a lunch club whereby children attending in the morning could bring a packed lunch and stay for an extra hour and eat lunch in preschool before going home at 1pm. £5 charge.

Also asked parents for a voluntary contribution of £20 per term or to help with the provision of resources.

Extensive work undertaken to prepare for General Data Protection Register (GDPR) which came into force in May 2018.

The children enjoyed a day out with staff and parents to Mares Farm, Old Amersham.

The Baby & Toddler Group in the Village Hall on Monday mornings continued.

In February 2018 Ofsted inspected the setting resulting in 'Good' assessment in all categories.

Staff benefited from training courses in First Aid and Data Protection.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity's policy is to maintain the equivalent of 4 months operating reserves – approximately £24,000.

Cash balances are still well in excess of this amount.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Principal funding from Buckinghamshire County Council but fundraising still important as lower numbers mean we do not receive funding to cover operating costs. Privately paid for sessions also important source of income but providing about £6000 income this year. This was less than the previous year somewhat due to operating 30 hours childcare scheme.

Fundraising – The Autumn Raffle and Old Time Music Hall – again raised over £2000 between them. The Easter Egg Hunt on Hyde Heath Common raised another £775. These 3 fundraisers accounted for 71% of funds raised. Smaller fundraisers including cake sales, tea towels, easyfundraising and other small fundraisers were undertaken eg. Sponsored slide, milkshake bar, jam jar lucky dip at school winter fayre and xmas photos.In total we raised £4005 through fundraising this year.

We examined our costs and reduced those which were unnecessary. Cancelled contract with Connect as software not used, saving £600 per year.Renegotiated our telephone and internet costs with BT resulting in half the previous year's cost.

Also recouped £1700 of outstanding private fees and introduced better monitoring of fee payments throughout the year to prevent arrears.

Increased capacity combined with cost savings resulted in a profit for the year of £6800.

Investments in shares has continued along with Virgin Money Savings account.
