Independent Examiner's Report on Behalf of Mend the Gap

I report on the accounts for Mend the Gap for the Year-ended ~~31~~ September 2018.

Respective responsibilities of the examiner

It is my responsibility to:

- Examine the accounts
- To state whether particular matters have come to my attention.

Basis of independent examiners report

An examination includes a review of the accounting records kept by Mend the Gap and a comparison of the accounts with those records. It also includes consideration of any unusual items of disclosure in the accounts and seeking and explanation concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiners statement

In connection with my examination, no matter has come to my attention;

1. Which gives me reasonable cause to believe that in any material respect, the requirement
 - To keep accounting records
 - To prepare accounts which accord with accounting records and comply with accounting requirements have not been met,

or

2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

STRUCTURE, GOVERNANCE AND MANAGEMENT

OBJECTIVES AND ACTIVITIES

Mend the Gap's charitable objects are to prevent and relieve poverty and to advance education through structured educational projects and processes of educational merit in Africa and the UK. The organisation's objectives and principal activities are to contribute towards a fairer and more dignified world by helping individuals and communities to mend the gap created by wealth, culture, religions and generations.

Projects include practical formal and informal educational and micro-enterprise targeting the poor, provision of personalised training on the use of computers, mobile telephony and the internet for personal and community development. Projects also involve building basic and work skills, finding or creating employment, initiating E-commerce or M-commerce activities for isolated, poor and vulnerable people. We facilitate cross-cultural community exchange visits from the UK to Eastern Africa by taking parties of 6th Form and Gap Year students from UK to experience Kenyan life and culture.

ACHIEVEMENTS AND PERFORMANCE

Mend the Gap continued to grow in outreach and influence in 2018. A massive amount of donated goods including specifically home-made goods (especially knitted jumpers and schools' uniforms made by supporters and parents of students in the UK linked to Kenyan schools), goods from InKind Direct and other sources were delivered to Kenya by the visiting students and others.

Mend the Gap has continued to provide funding for the two Community Multi-purpose Centres for the Bochoroke village in Western Kenya and the Perimart Nalepo villages in Masai Mara in Kenya. Mend the Gap is grateful for the work of its many unpaid volunteers for the implementation of its projects.

FINANCIAL REVIEW

Total income amounted to £53,432. This was a significant increase from the previous year's income of £38,189. This income excludes the actual value of in-kind donations of goods and services.
