Charity Registration Number:	1159042
Company Number:	08983424
Registered Office:	St Paul's Church St Paul's Street Worcester Worcestershire WR1 2BH

The Directors of the charitable company (the charity) are its Trustees for the purposes of charity law. The Trustees and officers who served during the year and since the year end were as follows:

P J Turner R M Swallow C Stacey

The Church management is vested in these Trustees who comprise duly appointed or elected Leaders of the Church. The Chairman is Mr Robert Swallow and the other Officers are Mr P J Turner and Mr C Stacey.

Objectives and Activities

The main objects of the charity are:

- a) The advancement of the Christian Religion by the proclamation and furtherance of the Gospel of God concerning His Son Jesus Christ the Lord and the preaching and teaching of the Word of God by the Church in accordance with the Statement of Fundamental Truths of Assemblies of God in Great Britain and Ireland as approved by the General Council from time to time (the Statement).

- e) Outreach into the community of the City of Worcester supporting and caring for those in need.

Achievements and Performance

In planning the activities of the charitable company the Trustees have considered the Commission's guidance on

REPORT OF THE DIRECTORS for the year ended 31st December 2018 (Continued)

public benefit and in particular, the specific guidance on charities for the enhancement of religion. "Citycare" was set up in response a few years ago and this program has now grown to reach approximately 400 people in the local community. The Trustees plan to continue this work which is growing into further areas of Worcestershire, and in some instances working with other church groups and the Council. St Pauls has in the past supported the Redditch church, something which has now ended in April 2018.

The "Citycare" community work continues to develop relationships formed in the community and other areas of community work. In terms of community benefit we not only run some 14 Life Groups providing pastoral care to around 120 people, but also now help around 200 parents a week with our Little Oaks parents and toddlers group, 60 to 70 over 60's in the Young at Heart Luncheon and Activities Club and many more in the Accept friendship groups (working in four different towns) aimed at helping local people with mental health challenges, the TLG primary school pupil mentoring programme (now working in 4 schools), and the TEFAL language classes. It is the intention to continue to develop this work in the coming year.

The year has seen a steady growth and consolidation of our culture and work in line with our vision and values. We are continuing our plan to build up reserves for the property and to report against an annual budget to gauge how our finances are at any point in time. Despite the Senior Leader leaving the church in 2018, we are pleased that our excellent team has stepped up to the challenge and the Trustees are confident that the work he has done to establish the church will be carried forward. We have settled into a more collegiate style of team leadership, something that will be developed further over the next one or two years, and this is proving to be successful.

We are pleased to note that whilst our financial position is likely to always be a challenge, and despite the above changes in management, we have seen a steady improvement in our financial position. At the end of 2018 we replaced the old boilers at considerable expense, but are please to say we have witnessed significant contribution from the church to meet this need and that the monthly cash position still remains positive.

The Trustees have reaffirmed that our Advisory Board (comprising Mr Steve Uppal and Mr Peter Read) are still willing to continue in their role of advising and supporting the church in ministry and practical terms.

Our intent to stay linked to the AOG family and a number of visiting pastors and leaders from the AOG have visited St Paul's. This maintains an openness and accountability to the way in which our church is run. During 2018 we have joined other ministry leaders in churches of Worcester on a monthly basis and this has had positive benefits for us and for the City.

The Accept mental health friendship groups have multiplied and opportunities have developed into the wider Worcestershire catchment.

Our Life Groups (small groups meeting during the week to live life together) have continued to form the foundation of pastoral care ministry and this work is co-ordinated by two couples who actively assist in training and the more difficult pastoral issues.

Kidzone has been established as a community kids Friday night fun night and we have seen this grow and develop in recent times.

Our teenage programme has seen the start of a teenage drop in centre on Friday nights at a central position in the city. This work has been developed with two other churches in the city. We wait to see how this develops in the future.

We have carried out a variety of training events including Health & Safety, first aid, food hygiene, and Safeguarding and more is planned in 2019.

Financial Review

There was a surplus for the year in general funds of £16,059. Our general fund income from Tithes and Offerings

REPORT OF THE DIRECTORS for the year ended 31st December 2018 (Continued)

(our principal source of funding) for the year was approximately $\pounds 130,026$ (including Gift Aid) compared to $\pounds 127,645$ for 2017 so there has been some increase in income. Income from Activities (General and Restricted) was somewhat lower at $\pounds 37,669$ for the year compared to $\pounds 44,942$ in 2017.

We have no fundraising activity as such; however our policy is that all events and functional areas of the church must break even on their activities.

As with any charity, there are items of expenditure which we have very limited control over i.e the insurances. However, we have a Budget in place and account activities are managed on the SAGE accounts system so that we have good monthly review and control processes in place.

The areas described as "Church Activities" includes Children, Youth and Citycare which form part of what we see as core purpose for our work and are areas we want to support and sustain wherever possible.

The building continues to be a concern regarding the liability for repair going forward and the Trustees have taken advice on this matter. Repairs will be carried out on a needs must basis and a plan is to be developed for the long term future.

We have no concerns about the viability of the charity and its functioning as such into the future.

This is the second set of accounts for this new charity.

Reserves Policy

The Building Reserve Account can only be expended by agreement of the Trustees.

The directors have examined the charity's requirements for reserves taking account of the main risks to the organization. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 2 and 3 months of expenditure. The directors consider that this should be £37,000 in general funds. The reserves are needed to meet the working capital requirement of the charity and the directors are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. Whilst income funds (which includes £8,905 designated for building repairs) stand at £29,145, £2,986 funds the fixed assets of the charity which leaves £26,159 as available working capital. The present level of the reserves available to the charity are therefore too low even including the building reserve but significantly higher than 2017. The trustees are intending to continue to increase the general reserves and provide an increased fund for building repairs and are continuing to address how this can be achieved.

NOTES TO THE ACCOUNTS for the year ended 31st December 2018

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) **Basis of Preparation**

The Financial Statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Reporting Financial Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1st January 2015) – (Charities SORP (FRS 102)), and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b) Public Benefit Entity

St Paul's Church Worcester meets the definition of a public benefit entity under FRS 102.

c) Going Concern

The Directors consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

d) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

e) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

f) Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

NOTES TO THE ACCOUNTS for the year ended 31st December 2018 (continued)

g) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

h) Tangible Fixed Assets

Individual fixed assets costing £1,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on the reducing balance basis as follows:

Asset	Annual
Category	Rate
Furniture and equipment	25% Reducing balance

i) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

j) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

k) Creditors and Provisions

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
