

2018-2019 ANNUAL REPORT

Report of the Senior Pastor Rev Matthew Newman, Senior Pastor

Welcome to this our Year ending 2018/19 Report. The past year has been characterised by change. In June we changed our meeting time; venue and location all in one go and became a church without walls or borders. Our theme on 'Advancement on Every Level' is reflective of the fact that we experienced a fluid change as a church and in our individual lives. Prayer continues to be the bedrock of all our activities and we sought to introduce new initiatives to engage more people in the discipline of praying, to provide more opportunities for our congregation to meet and pray.

Hopefully you will be amazed at how many people's lives are touched each week by No Limits International Christian Centre. Not just by those who worship with us on a Sunday but also visitors who access our services. The key challenge we faced has been having a stable place of worship to carry out our mission and serving the local community. We still found ways of keeping the church families together and increased our church attendees.

Our primary pursuit is a deeper knowledge of God and a closer relationship with Him. Through our relationship with God, we recognise that no one was created to be insignificant and that everyone must be encouraged to discover their purpose, maximise their innate potential and seek ways in which to positively affect the lives of those around them - particularly the less fortunate. Our passion for the growth and development of the individual is reflected in the vision of the Church and we are committed to making a positive impact in our local and international communities.

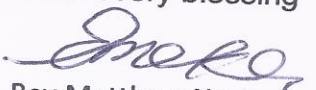

We are here to fulfil the great commission and as long as we have a building to congregate we have to use it in a way where there is space to include new people. Even though we have seen some growth and believe we are entering a really fruitful phase of harvest. We believe prayer is essential to reaching every home on earth with the Gospel. We have seen time and again that the degree to which we mobilise prayer is the degree to which our evangelism efforts grow and are fruitful. Thus, before a single Gospel message is put into the hands of any individual—before evangelism teams approach a single home—the work begins and continues with a commitment to prayer.

The Report also gives me, as chair of the trustees, a chance to thank you for your support for the No Limits family, both through the time you invest in the family and for the financial support you provide too.

Nearly everything we do is funded by our members – we haven't yet received much by way of grants from statutory bodies (although we would like to) – and that means we need to be doubly sure that how we spend our money is fully accounted for. I hope the summary information at the back of this report will provide you with a good overview of how the figures hang together.

I hope you will be confident to share it with friends and neighbours too. Enjoy the read.

With every blessing

Rev Matthew Newman,

Objectives and activities

The main objectives of No Limits International Christian Centre are to advance the Christian faith and to provide assistance for persons in conditions of need, hardship or distress.

As an outworking of these objectives, No Limits International Christian Centre seeks to be a community in London that serves the capital and beyond. As a church we want to engage with people's questions, and create an environment where anyone can explore matters of faith. We want to help everyone discover how they can use their unique skills and passions to contribute to the strengthening of society, build community and serve those who are in need. We want to be a church that is empowered by the Holy Spirit to live effective lives and do what Jesus asks us to do. The church's strategy for accomplishing these things, and fulfilling its charitable objectives, focuses on the activities undertaken through its various ministry areas, taking into account the following guiding principles:

- No Limits International Christian Centre functions on a 'empowered' and 'enlighten' model. We gather on a Sunday to be empowered and equipped to live out the Christian faith. We then 'enlighten' throughout the city during the week to serve our local communities and the people we live amongst.
- No Limits International Christian Centre exists to provide community. The best place to grow and learn is with others, which is why we are a community that stretches across the city.
- The church works for the common good and strengthens London's cultural life. The church should help the city be a better place to live, and as a result, we support people and projects that make living here better for everyone and particularly for those who are less well off.
- The church seeks to work for the spiritual renewal of this city. There is a great need for the nourishment of the human spirit, so we aim to help those who are seeking faith to connect with Jesus Christ. Sunday services provide a context of engaging worship that helps people connect with God, and regular teaching from the Bible which helps people learn to live well.
- No Limits International Christian Centre contributes globally as well as locally. One of the most pressing needs of this world is to learn how to live in urban contexts. We want to share our experience with others just as we learn from them. We do this by equipping people to use their gifts and abilities to start new churches, working with established ones and giving financially wherever there is need and opportunity.

II. Governance, Trustees and Staff

No Limits International Christian Centre is a Charitable Trust

Charity registration No: 1052722

The Trustees who served during the year were:

- Reverend Matthew Emeka Okofu-Newman
- Pastor Aderonke Joy Okofu-Newman
- Reverend Olabode Awogbade
- Reverend Sam Appiah-Danquah

The power of appointment or removal of trustees rests with the trustees. New trustees are selected from the church community. They are well known to the existing Board of Trustees and have demonstrated a high level of dedication and commitment towards the aims of the church. After their appointment, new trustees receive an induction pack, and spend time with the existing

trustees to ensure they fully understand their responsibilities and the legal and financial framework in which the church operates. They are provided with additional training as required. The trustees, who meet at least four times a year, retain responsibility for the overall strategic decisions of the charitable company, as well as the setting and monitoring of budgets.

The Senior Leadership Team and those staff and volunteers overseeing different areas of the church, make day-to-day decisions on expenditure and activities. No Limits International Christian Centre is led by a Senior Leadership Team, which provides the spiritual leadership of the church. This includes responsibility in the church for maintaining the historic, orthodox understanding of the Christian faith and providing the pastoral care of the church. The team takes the lead responsibility for the day-to-day management of the various activities of the church under the oversight of the trustees. The team comprises:

Matthew Newman-As well as leading the Senior Leadership Team, Matthew's role is to oversee Sunday teaching and worship, communications, welcome and Ministry to men, as well as developing the overall vision and strategy of the church.

Joy Newman -oversees the church's finance, operations, and human resources, and also leads the church's work in respect of families, marriage and global mission as well as contributing in preaching and communications.

Josephine Wilton Waddell- is responsible for overseeing the church's Connect Groups, Pastoral Support and Social Action, is also leading in the Praise and Worship Team and Children's Department.

Internal Controls and Risk Management

The trustees have overall responsibility for No Limits International Christian Centre system of internal controls. Such a system can provide only reasonable and not absolute assurance against errors or frauds. No Limits International Christian Centre operates a planning and budgeting system with an annual budget approved by the trustees. Significant changes are subject to specific approval. A finance reporting system compares results with the budget on a monthly basis for income and quarterly for expenditure.

The trustees are satisfied that systems are in place to monitor, manage and mitigate No Limits International Christian Centre exposure to major risks. They consider that maintaining No Limits International Christian Centre reserves at the policy levels and reviewing internal controls and risks will provide No Limits International Christian Centre with adequate risk assurance and sufficient resources in the event of adverse conditions.

They also recognise that the nature of some of No Limits International Christian Centre work requires active acceptance and management of some risks when undertaking activities to achieve the objectives of the charitable Trust. All areas of church life have been subject to a risk review using our risk management software system, and the trustees have reviewed the most significant risks. Monitoring of these risks will take place regularly throughout the next year. All major insurable risks are subject to normal churches' and employers' insurance. Contractual risks are reviewed before being entered into, to assess that they could not significantly impact the church's ability to fulfil its objectives.

Employees and Volunteers

The work of No Limits International Christian Centre relies on the commitment and hard work of its staff, as well as many volunteers. Communication links are maintained through team briefings, email, newsletters, the website and other channels. No Limits International Christian Centre is committed to equality in recruiting, training and career development.

III. Review of the Year's Activities

Sunday Services

Our Sunday services provide a context in which people can grow spiritually. We aim to present a rounded teaching programme that covers the key areas of the church vision. We often present practical series helping people simplify various areas of their lives, including their diaries, finances, and relationships. This is in addition to our regular Dedication and Baptism services, Family Enrichment, Thanksgiving Sundays and Carol Services.

Our primary pursuit is a deeper knowledge of God and a closer relationship with Him. Through our relationship with God, we recognise that no one was created to be insignificant and that everyone must be encouraged to discover their purpose, maximise their innate potential and seek ways in which to positively affect the lives of those around them - particularly the less fortunate. Our passion for the growth and development of the individual is reflected in the vision of the Church and we are committed to making a positive impact in our local and international communities.

We continued in our mission to build a praying church, where people of all ages and backgrounds are united in their desire and passion for constant communication with God through prayer, a church where people prioritise prayer, making it a way of life, and where they come together regularly to pray for God's intervention in their personal lives and in society. In 2018 we offered a range of prayer initiatives, creating opportunities for individuals to learn and to practice different prayer styles as we sought to develop and establish a praying culture.

We had an average weekly attendance of 100 over the year.

Worship

The worship team has grown with a team of volunteers providing worship leaders and musicians for Sunday services and midweek events. Over the past year this has included training and evening prayer meetings.

Training

Team training has also been a priority, to equip the volunteers and develop creativity. We hold regular Cap money courses for both the youths and adults over the year. They were well attended, and several individuals are now regularly attending our Sunday services. The employability and entrepreneurial passion driven training for youths to upskill themselves was a huge success. Many have now gone to further their education and have actively sought employment with increase to their confidence levels.

Women of Wisdom

We had our WOW women workshops that have been instrumental to the enhancing and enabling women to realise their dreams. It has had a great impact on the church family who had the opportunity to invite friends and family as well as reaching out to the broader community. Women were encouraged to develop their entrepreneurial and careers skills and be more confident in their innate skills and gifts. We also hold courses for women looking at emotional health. These courses were attended by a considerable number of people and largely facilitated by volunteers from the team.

Men of Integrity

The men have been meeting regularly inviting guest ministers to share at their breakfast meetings. They also encourage younger men to come for the meetings so they can have a greater understanding of how to face challenges in life and also how they can bring up godly families.

The Information Point

Continued to actively engage people on Sundays, help them access church activities and find out about the different groups and teams across the church.

We held informal picnics on Sundays during the summer months to help build community and connect with new people.

Get Connected and Explore

It is an opportunity to stop by after a service, meet Pastors Matthew and Joy, mingle with other NLICC people and get basic info about taking next steps at NLICC.

- Guest Cards- We are receiving an average 8 cards per month. (This represents the actual card – not necessarily the number of people. A lot of couples put both names on one card. Also, not all visitors fill out a card.)
- Get Connected attendance - Since the restart of regular Get Connected meetings in January we have had folks “get connected” at NLICC!

Explore – We have held Explore classes since January. Those that have attended the classes and have taken that “next step” to learn more about NLICC and push more roots into the soil here, deciding to make NLICC their local church

Connect Groups

They are project groups open to everyone and groups undertake activities in their communities as they fulfil their mission.

Prayer Team

The Prayer Team has remained steady with over 15 volunteers across the leadership team, who regularly pray for people where we hold our church services. We have developed new leaders over this year.

Social Action

We provided free music lessons for young people in the community who have a desire to play musical instruments. The young people thereafter have had the confidence to play instruments during a gospel service held at the church. Children also registered in a dance school run in collaboration with Blossom Dance Academy.

Communications and Media

Our website, is now fully responsive for different devices, and better reflects our current priorities and activities as a church. The website remains our main centre of communication. In addition, we print the bi-monthly Broadcast Headlines bulletin as well as sending out monthly emails and distributing content through our media hub, Broadcast.

We have continued to connect with people through our social media channels, with content being disseminated through Facebook daily, and Twitter at least twice daily.

Operations

Our teams continue to function effectively. We continued to invest in our volunteers through training and development opportunities. Our risk management system is on-going, and we undertake an annual review of policies and risks to ensure compliance.

IV. Financial Review

Incoming Resources Total incoming resources for the year were £54,705.00 received for the year to 31 March 2019 most of this income was received from the church community as general giving. Other income includes funds which were received during the period from: ticket sales to fund events, receipts for contributions towards training and outreach weekends, preaching gifts and gifts for social action projects.

V. Future Objectives

Looking ahead, No Limits International Christian Centre have agreed that our priorities for the coming year are

To reach our young people and work in partnership with our community to offer a Youth and Young adult Outreach Program to young people ages 10-24. The program strives to inspire youth and young adults by establishing a true commitment to character, positive attitude, and a sense of purpose through 5 primary ideals: Education, Personal Well-being, Recreation, Creativity, and Meaningful Relationships.

The goals of the Youth Outreach Program are to encourage young people to develop friendships, to build self-worth, and to develop a sense of fair play, team spirit, and cooperation in a safe, supervised environment.

- To continue to invest in our Children's Ministry, Family Ministry, Youth Ministry and Connect Outreach Ministry. We are determined to reach out to our local community and find the best ways we could be of service to them.
- To broaden our scope of reach to the young people and bring a message of hope to them that will enable them focus on their purpose, passion and talent.

Sunday Services

We will also continue to provide biblical, theological and practical training to equip people in every area of life. Worship Each Sunday, we seek to worship God in a way that reflects our values and is accessible for everyone. Over the next year, we will seek to build our team of worship leaders and musicians and increase in size by approximately 50 per cent in order to facilitate worship across services. We also seek to invest deeply in team members and learn how to worship God effectively not only with our instruments but in every area of life.

The Information Point

The Welcome team will focus on helping everyone who visits on a Sunday to connect into church life. Welcome lunches will continue in their current format through the autumn term and we will focus on building bigger teams to serve the new services in the New Year.

Get Connected and Explore

We are committed to continuing our work in the community and will support Connect Groups as they seek to make a positive difference in their respective areas. The additional services will also contribute to the starting of new Connect Groups over the next year. On-going pastoral care will continue through Connect Groups. Our main focus for the coming year is to help our Student Connect Groups integrate into our services.

The Pastoral Support team will continue to provide support for each of the services and run courses.

The Marriage Bonding Seminars will be presented twice a year, alongside ongoing support for married couples.

Students

We will continue to run several events for all students and young adults throughout the year, including the popular Student Day Away and Praise through nights that affords for great social interactions.

Communications and Media

We will work to keep a balance between communicating church-wide content and service specific news. The website will remain the central hub for information about all services, with some of the other communications channels being tweaked according to the needs of the different services.

We will also redevelop the Broadcast section of the website, in line with our new design, which will allow us to re-order the information and make the most important media more clearly accessible to the user.

Operations

Our investment in our volunteer personnel will continue via training and staff development, with opportunity for growth of staff. We will ensure that our staff are in the best positions for them and aim to make the best use of the resources we have available. **The Senior Leadership Team believes that the resources and capacity should be generated to enable the Church to pursue its vision and objectives.**

We have already noted the rising number of places where churches are working together to serve their communities through Street Pastors, Food Banks, Credit Unions and many other socially useful initiatives. Undoubtedly these programmes are meeting real needs, especially where statutory provision is inadequate or even lacking altogether. But they are more than just that. They take the Gospel imperatively seriously, following the example of Jesus in addressing first the 'felt needs' of each individual or community but not stopping there. The witness they give is incalculable and stories are emerging of people touched by these programmes who begin to understand the Gospel message for the first time. There is much to be explored here and we hope that the missional dimension of poverty-related programmes will be more actionable in 2019.

VI. Policies and Procedures

The following policies and procedures remained in place during the year:

1. Safeguarding policy and procedures associated with children's and youth activities.
2. Equipment set up and set down health and safety procedures associated with all the church's events, including Sunday services, training events and other events.
3. First aid, fire and evacuation procedures during Sunday services and training events
4. Income protection and recording.
5. Data back-up for Information Technology systems.

Reserves Policy

The trustees have set a policy of retaining reserves sufficient for the foreseeable needs of the Church. Where there is specific capital expenditure, foreseen amounts are set aside into designated funds so the general reserves are available to meet the costs of normal running and expansion of the Church and to ensure the Church can meet the commitments that have been entered into. The level of general reserves is anticipated to be approximately three months of the level of general expenditure.

Note 1 Basis of preparation

This section should be completed by all charities.

1.1 Basis of accounting

These accounts have been prepared on the basis of historic cost (except that investments are shown at market value) in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with*

✓

 Accounting Standards;
- or

 Financial Reporting Standards for Smaller Enterprises (FRSSE);
- and with the Charities Act 1993.

[** except for the following].

Give details in this box if a different standard has been followed.

* -Tick as appropriate:

- if all relevant disclosures shown in the pack have been given then please tick "Accounting Standards";
- if disclosures completed in these accounts have been restricted to those required by the FRSSE, then please tick "Financial Reporting Standards for Smaller Enterprises (FRSSE)".

** - If no departures from the chosen standards have been made then delete these words; otherwise give details of any changes in the boxes.

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year (§ except for the following).

§ if no changes have been made to accounting policies then delete these words.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years

Note 2**Accounting policies**

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES**Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**Grants payable without performance conditions
Support Costs**

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS**Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress

These are valued at the lower of cost or market value.

NO LIMITS INTERNATIONAL CHRISTIAN CENTRE

On accounts for the year
ended

31st Mar 2019

Charity no
(if any)

1052722

Set out on pages

(remember to include the page numbers of additional sheets)

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
