III. Achievements and Performance

The charity was able to fulfil its objectives in the first year, raising awareness amongst different groups and raising funds to help victims of trafficking in its operations in India.

- Over 200 high school students attended our seminar on modern slavery and over 1000 university students received information about this problem and the work of YouCanFreeUs
- Over 500 women of different international clubs in several events and fairs learned about the problem of modern slavery and several responded with donations, volunteering and purchase of YouCanFreeUs branded merchandise
- Through Social media campaigns and a local fashion business partnership over 20,000 were exposed to this problem
- YouCanFreeUs raised its profile in different networking events and raised awareness about its work in the UK and abroad, through participation in government meetings and forums
- YouCanFreeUs started to build a database of local supporters who will be able to contribute to the different initiatives in the following years in the UK and abroad
- YouCanFreeUs was also able to support over 40 victims of human trafficking in India by raising funds in different initiatives in the country. The partnership with the Rotary Club - RAGAS (Rotarians Against Slavery) was particularly important as they were able to raise £7,470 for the acquisition of a bus in Mumbai, India, to transport the victims of human trafficking from the safe houses to the training centres and to other locations.

All these accomplishments were only achieved due to trustees and volunteers who donated their time and service during the period. 7 volunteers and 4 trustees contributed for more than 1,000 hours to the charity.

IV. Plans for Future Periods

YouCanFreeUs will maintain its strategy in the next year, raising awareness among different groups in the UK through events and finding alternative sources of funding for the projects in India and Poland, in order to support the rehabilitation of more survivors of modern slavery. The organisation plans to expand the number of volunteers dedicating their time to local projects to reach wider audiences and grow its database.

V. Governance and Management

YouCanFreeUs registered as a CIO, has as its governing document established as: Constitution of a Charitable Incorporated Organisation (CIO) whose only voting members are its charity trustees.

The organisation has currently 4 trustees listed under the section “References and Administrative details”. The charity will always have a minimum of 3 trustees and a maximum of 7. Apart from the first charity trustees, every trustee must be appointed for a term of 3 years by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees will look at the skills, knowledge and experience needed for the effective administration of the CIO.

The trustees hold 3 annual formal meetings per year and several other informal follow-up meetings. Any decision may be taken by the trustees either at a meeting of the charity trustees or by resolution in writing or electronic form agreed by a majority of all of the charity trustees.

A YouCanFreeUs UK trustee ceases to hold office if he or she: retires by notifying the CIO in writing, is absent without the permission of the charity trustees from all their meetings held within a period of six months and the trustees resolve that his or her office be vacated; dies; in the written opinion, given to the company, of a registered medical practitioner treating that person, has become physically or mentally incapable of acting as a director and may remain so for more than three months; is disqualified from acting as a charity trustee by virtue of sections 178-180 of the Charities Act 2011 (or any statutory re-enactment or modification of that provision). Also, any person retiring as a charity trustee is eligible for reappointment and a charity trustee who has served for 3 consecutive terms may not be reappointed for a fourth consecutive term but may be reappointed after an interval of at least 1 year.

B. Financial Review

I. Notes

In the first year of YouCanFreeUs operations in the UK we were able to raise £22,764 in different events and activities. £11,130 came through private donations and £4,164 came through sales of arts and crafts merchandise, participation in shopping fairs and corporate partnerships. £7,470 was raised by the Rotary Club – RAGAS (Rotarians Against Slavery) with the specific purpose of contributing to the purchase of a bus in Mumbai, India to transport victims of modern slavery who are currently in our programme, from the safe houses to the training centres. £2,123 were spent in raising funds (transport, representation, marketing material, cost of products production, mobile office, stationary, post office), which represent less than 10% of the amount raised. £7,470 was wired to India as a charitable donation for the purchase of the bus. The net income in the account at the end of the period, in October 31st, 2018 was therefore £13,171. Part of this amount will be sent to YouCanFreeUs India to support the rehabilitation costs of the victims of human trafficking that have been rescued by the organisation. YouCanFreeUs UK will be specifically funding educational programmes for victims including: nursing schools, high schools, vocational training such as: jewellery making, baking, fashion design and tailoring.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet.
