REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2018

The trustees present their report with the financial statements of the charity for the year ended 31 December 2018. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

The object of the charity is to advance the Christian religion by selling Christian literature, cards, recordings and other related goods.

Public benefit

The trustees can confirm that they have complied with the duty in Section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charities Commission. Significant activities that we undertook during the year that demonstrate public benefit are set out below.

Review of activities and achievements

The trust has operated from its premises at 122 Whitchurch Road throughout the year under review, where the premises provided excellent facilities for activities to further its objects by the promotion of Christian literature. The premises were open to the public daily apart from on public holidays and Sundays.

Throughout the year the trust provided:

- access to comfortable seating in adjacent premises for reading;
- access to certain free Christian literature;
- bookstalls as requested off the premises;
- facilities for hosting new book launches and other events such as book reviews of Christian literature;
- support for the promotion of Christian literature by hosting and supplying a monthly book reading group; and
- provision of discounted stock for public purchase during Christian holiday periods.

The trust operated a website which was used to promote Christian literature and recordings; it also served as a medium for contacting the bookshop.

FINANCIAL REVIEW

The total funds of the charity at the year end were £59,635 all of which were unrestricted, of which £2,208 is made up of tangible fixed assets leaving £57,427 as the total free reserves of the charity.

The object of the charity is to have sufficient reserves to finance its stock and fixed assets and sufficient cash to avoid the need for bank or other borrowings.

The current level of reserves is regarded as satisfactory.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

The trust was established on 22 September 1975 under a trust deed and is a registered charity no. 504644.

The trustees, including all those who served during the year, are set out on page 1 below. Trustees are appointed by the existing body of trustees.

When the trustees meet, decisions are taken on a majority basis. A quorum of three trustees is required in meetings.

1. STATUTORY INFORMATION

Heath Christian Bookshop is an unincorporated charity in Wales within the United Kingdom. The principal address is 122 Whitchurch Road, Heath, Cardiff, CF14 3LZ.

The financial statements are presented in Sterling (£), the company's functional currency, and rounded to the nearest pound.

The principal activities and nature of the charity's operations is to advance the Christian religion by selling Christian literature, cards, recordings and other related goods.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Heath Christian Bookshop meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction values unless otherwise stated in the relevant accounting policy note(s).

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations and legacies income

Donations and legacies income includes donations and gifts that provide core funding or are of a general nature and are recognised where there is entitlement, probability of receipt and the amount can be measured with sufficient reliability. Such income is only deferred when the donor specifies it must be used in future accounting periods or the donor has imposed conditions which must be met before the charity has unconditional entitlement.

Income from charitable activities

Income from charitable activities includes income received from Bookshop sales. This income is recognised at the point of sale.

Investment income

Investment income is recognised on a receivable basis.

It is not the policy of the charity to show incoming resources net of expenditure.

2. ACCOUNTING POLICIES - continued

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs that, whilst necessary to deliver an activity, do not themselves produce or constitute the output of the charitable activity. This includes governance costs which are those costs associated with meeting the constitutional and statutory requirements of the charity.

Tangible fixed assets

Fixed assets are capitalised at cost.

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful life of that asset as follows:

Fixtures, fittings and equipment	- 20% reducing balance
----------------------------------	------------------------

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items using the FIFO stock valuation method.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Debtors

Trade debtors and other debtors are recognised at the settlement amount due after any trade discounts offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

Pension costs and other post-retirement benefits

The charitable company makes contributions to personal pension schemes on behalf of its employees. Contributions are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.
