Report of the Trustees for the year ended 31 December 2018

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity

Easthampstead Baptist Church was registered under a Constitution on 16 October 2008 with the registration number 1129467.

Recruitment, induction and training of new Trustees

The charity is controlled by its Constitution, which was agreed at a Church Meeting in October 2008, and put forward to the Charity Commission in mid April 2009.

The governance of the church is as follows: whole church policy and issues are addressed at church meetings, which happen at least four times per year.

At these, major decisions are made and, when required, Trustees, Church Secretary and Treasurer will be/are appointed. The Church Elders are responsible for spiritual oversight, policy and future direction. The Trustees are responsible for the development and general running of the church and this group consists of the team leader, paid minister, Treasurer, and elected individuals from the church membership.

At the March 2018 Church Meeting, the following trustees resigned: Mrs Janet Roe, Mr Stephen Nower.

Induction and training for new trustees includes "on the job" coaching/mentoring and the requirement to read through and understand the Baptist Union Guideline Leaflet C15 which has been specifically written for Church Secretaries, Treasurers, Ministers, Elders and other Charity Trustees.

Trust Management

The Elders are responsible for the oversight of the Church's vision. They keep under review the ministries and other activities of the church and consider any new proposals to ensure that they fit within the overall ethos and contribute to fulfilling vision of the church.

The Elders may from time to time make recommendations to the Trustees Team but as a group they have no direct decision making powers. They also provide pastoral support to the Team Leader and assist him or her with matters of serious confidential pastoral concern, in which context only do they act independently of the Trustees Team.

Elders include the Team Leader and Minister; the remainder are appointed by the church meeting (as with appointments to the Trustees Team, the support of at least 2/3 of the members present and voting is required). Elders are nominated by the Trustees Team, usually in response to advice from the serving Elders. Currently there are three Elders in addition to the Team Leader and Minister.

The Trustees are responsible for the overall leading and management of the church. In recent years, the increasing introduction of specific staff roles to lead individual areas of ministry from day-to-day has meant that the Trustees Team is primarily concerned with broader areas of oversight, staffing and financial management.

Trustees Team members are appointed by the Church Meeting at the AGM following a rigorous nomination process, usually for a period of three years. In the period prior to the AGM, members are asked to prayerfully consider whom they might nominate to serve on the Trustees Team. They will be advised of the number of vacancies and the names of any serving trustees who have reached the end of their term but are willing to stand again. Those individuals who receive at least seven nominations are then approached by the Team Leader who will tell them of their nomination and talk to them about the role, and their suitability for it before they prayerfully decide whether or not to allow their names to go forward.

Although there is no limit on the time an individual may serve on this team, they must be actively re-appointed after their three-year term. There are currently eleven members of the Trustees Team.

The church Treasurer is nominated from the Trustees Team. Currently we do not have a specific role for a Church Secretary; our church Administrator is a member of the Trustees Team and that role covers the work of the traditional Secretary.

From time to time the Trustees will appoint sub-groups to advise them on specific topics, such as building work or staffing reviews.

Rev Littlejohn, Mr Lace and Mrs Marsh are the only remunerated Trustees.

Report of the Trustees for the year ended 31 December 2018

Risk management

Three main areas of risk have been identified against the successful functioning of the Church:

- > Loss of premises and facilities; this is addressed by comprehensive insurance cover for its buildings, contents and liabilities.
- > Financial risk; this is addressed by regular monitoring of income and expenditure, the requirement for a second signatory on cheques over £1000, and through approval and support of the budget by the membership.
- > Availability of people to undertake tasks and to lead activities within the Church. This is addressed through a program of teaching, encouragement and courses to help people identify, develop and apply their gifts.

Other risks relate to specific events and activities rather than the overall liability and development of the church and are addressed by monitoring by team leaders and oversight by the trustees.

The trustees have complied with the duty in section 4 of the 2006 Charities Act to have due regard to guidance published by the Charity Commission in respect of public benefit.

Public Benefit

We continue to review the activities of the Church in order to identify ways in which we can provide a greater service to the community in which it is situated.

The Church has continued to provide public benefit in numerous ways which include the following activities:

Refresh Cafes

Refresh Crown Wood operates in the local Community Centre during the week on three days a week through lunch time and into the afternoon (Tuesday, Thursday and Friday). The menu offers hot and cold drinks, cakes, sandwiches, light snacks and all-day breakfast options.

The café has grown significantly in its clientele, who comprise primarily a mix of mums with their children or mums waiting for their children to come out of school and older people. Some customers visit every day that the café is open to meet friends and have a chat. For them it has become an important part of their lives. The café is also used by staff from the adjacent school and for working lunches for community group leaders.

The church also helps to run the Bingo at the Tuesday Club, which meets in the same building. Many older people from this club use the café and have become a significant proportion of those attending our Songs of Praise services.

Storehouse

For many years now we have run a ministry to the community that we call "Storehouse". We accept donations of good quality furniture and household items. Where we know of someone who is in need (through our own contacts or referred to us by local agencies) we either give them needed items directly if we have them in stock or we use the "Storehouse Fund" to buy things such as white goods, clothing or hygiene items. The Storehouse fund comes from two specific Sunday offerings we have each year.

We have a branded van (provided by a grant from the local authority) that is used to collect and deliver items. We have a vision for this ministry to have a dedicated facility of its own that could handle a wider range of goods and be open throughout the week.

Action Sundays

These help to foster within the church a wider sense of community involvement than just talking about it. In effect, we are giving up something that we love to do in order to do something practical to help others.

The first of these Sunday mornings usually happens in late Spring when there is a "fifth Sunday" in the month. Rather than hold our usual services we head out in small teams to carry out local community projects. These may include, for example, litter picking, tidying up school gardens or helping redecorate a community facility.

On the second occasion, in November, we hold our "Shoe Box Sunday" when we dedicate our service time to filling shoe boxes for Operation Christmas Child, using items that people have donated.

Night Shelter

Along with six other churches in the town, we continue to support the Bracknell "Night Shelter" scheme, in which provision is made during the winter months to enable homeless people from Bracknell and some from nearby areas to have shelter overnight, providing meals and space to sleep. Sponsored and co-ordinated by the Pilgrim Hearts charity, seven different churches in the town host the guests on each night of the week and volunteers from different churches provide the food, supervision and companionship. Easthampstead Baptist Church took a full part in this again in 2018, helping with the co-ordination, hosting one night and providing volunteers for other nights.

A member of our staff team is employed as out Social Action Team Leader, with responsibility for spearheading our work in areas like Storehouse, Night Shelter etc.

Report of the Trustees for the year ended 31 December 2018

Local Agencies and Groups

Because of our support for community projects and ministries such as Storehouse and the lunch clubs, the Church is held in generally good regard by the local authorities and our local councillors. Local agencies frequently refer needy folk to us for help and some hire our buildings for training and conferences.

We have good relationships with the local police and PCSOs who sometimes attend our services.

In these ways, the Trustees have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to the guidance issued by the charity Commission in respect of public benefit.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The primary objective for the year was to fulfil the Church's mission which is:

"To love God, to love people and to grow together to become more like Jesus"

Each ministry in the Church contributes towards that goal.

Significant activities

The income and expenditure budget for the year reflected the desire to achieve the annual objectives, including various strategic and transitional goals.

During 2018 we saw many of the objectives completed. These included:

- We recruited a new Ministry Director onto our senior leadership team, to begin with us in January 2019.
- Children, youth and Families leadership was also supported via this new appointment.
- We facilitated a briefing visit from Sierra Leone for the leader of our mission there, Dr Abs Dumbuya.
- Further funding for Freetown Cheshire Home building project was raised.
- SHR building refurbishment began with extensive work to our kitchen areas. Our boiler was also replaced.
- Our Social Action Team Leader secured the use of two additional storage garages from the local housing association, Silva Homes.
- Our Team Leader was formally put forward this year for consideration as a Baptist Ministry candidate in 2019.
- Ministries work continued and we managed our finances to budget
- A group of our Elders took part in an ongoing "Lead Academy" Learning Community to consider the future direction of the church.
- A community "Fun Day" was held to show our love and support to the local community,
- We continued to focus on discipling and prayer.
- Two of our staff team were supported on the "Footsteps" leadership course.
- We set a new budget for 2019 that reflects our mission and vision for the future.

Church Ministries

During 2018, we continued our Sunday morning and afternoon services, our Thursday service and our "Messy Church" services. We also continued our two luncheon gatherings for senior citizens and our social programme.

Mission Support

The church remains committed to supporting churches and other Christian organisations, both in the UK and overseas. Support is given in terms of finance and leadership support. In the UK support is given primarily through the BU Home Mission Fund. Internationally, a number of Christian organisations are supported.

Sierra Leone

Our work with charities and our partner church in Sierra Leone continues and in 2018 we brought over to EBC our key person in Sierra Leone to update the church, replenish his resources and provide funding for ongoing work. We also planned another team visit to Sierra Leone to take place in the spring of 2019 -

- To support the work of the Dorothy Springer Trust, helping and enabling people with disabilities via high level IT education
- To visit the Freetown Cheshire Home, in order to see the progress on the development of better facilities at first hand and to spend time encouraging the children there.
- To visit Regent's Road Baptist Church and support and encourage their leaders.
- To support Abs Dumbuya who is Chairman of the Freetown Cheshire Home and the Founder and CEO of the Dorothy Springer Trust.
- To investigate the possibilities for other projects we might be involved in in the future.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The church continued to develop its community involvement through:

- Refresh Café, which meets at a local community centre in Crown Wood.
- The Tuesday Club for pensioners runs each Tuesday afternoon at the Crown Wood Community Centre. Numbers
 increased through the year.
- Messy Church for children and families continued to run during 2018
- "Holiday at Home" for senior citizens one week at the church in the summer.
- "Turkey and Tinsel" event for seniors at the end of December.
- Martha's Meals that provided support for those needing ready-made meals at a time when they were experiencing
 particularly difficult circumstances.
- 'Food Boxes' that were given to deserving people throughout the year, including Christmas.
- Lunch Clubs, Toddler Group, Community Action Sundays.
- Children's and youth work, including youth clubs, children's social events and school assemblies.
- Work continued with care homes for the elderly in the town.

Through contact with the local authority and social workers, many people have been given both practical help and financial support. The 'Storehouse Fund' provides financial assistance to those within the church community and others in need in the wider community.

Financial support was also given to local organisations from the "Other Causes" fund.

Other Activities

- We completed an 'Action Sunday' making up shoeboxes full of toys and games to go to children in need around the world through Operation Christmas Child.
- · We took a group of young people to the 'Soul Survivor' Christian youth festival.
- We ran a community "Funday Sunday" at our building at SHR.

RESERVES POLICIES

The Church aims to keep minimum reserves of approximately 10% of its annual expenditure. This is partly to cover any excess of expenditure over income, provision for cash flow fluctuations, and so that the Church may meet commitments under contract e.g. to employees, for a reasonable notice period, if it is unable to continue to function.

RESPONSIBILITIES OF THE TRUSTEES

The law applicable to charities in England and Wales requires the charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing these financial statements, the Trustees are required to:

- · select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, and the applicable Charities (Accounts and Reports) Regulations. The Trustees are also responsible for safeguarding the assets of the charity and hence taking all reasonable steps for the prevention and detection of fraud and other irregularities.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Notes to the Financial Statements for the year ended 31 December 2018

1. ACCOUNTING POLICIES

1.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The objectives of the charity are to advance the Christian Religion, relieve poverty, hardship and distress, and to advance education. The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements are prepared in sterling, which is the functional currency of the entity.

The church is a registered charity in England and Wales. The Trustees are the members of the church named on page 1.

1.2 Preparation of the accounts on a going concern basis

The Trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The Trustees have made this assessment in respect to a period of one year from the date of approval of these financial statements, and they are of the view that the level of reserves will support the charity going forward.

1.3 Significant judgements and estimates

In the opinion of the Trustees, no significant judgements or estimates were made during the preparation of the financial statements that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

1.4 Income

Income recognition

Income is recognised in the Statement of Financial Activities (SoFA) when:

- · the charity becomes entitled to the resources;
- · it is more likely than not that the Trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses.

Donations

Donations are only included in the SoFA when the general income recognition criteria are met.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the Trustees' annual report.

Income from interest

This is included in the accounts when receipt is probable, and the amount receivable can be measured reliably. Income from membership subscriptions

Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.

Notes to the Financial Statements for the year ended 31 December 2018

1. ACCOUNTING POLICIES (continued)

1.5 Expenditure and liabilities

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category.

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

There is no apportionment of governance costs due to the fact that the charitable activities are so closely related. The Trustees consider the bulk of the costs relate to charitable objectives, and the cost of separation of the governance costs outweighs the benefit.

Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Grants payable without performance conditions

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Creditors

The charity has creditors which are measured at settlement amounts less any trade discounts.

Basic financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value. Financial assets held at amortised cost comprise cash at bank and in hand, together with other debtors. Cash at bank and in hand is defined as all cash held in instant access bank accounts and used as working capital. Financial liabilities held at amortised cost comprise all creditors except social security and other taxes.

1.6 Tangible fixed assets

All assets costing more than £1,000 are capitalised and valued at historical cost.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Buildings

2% on cost

Fittings and equipment

10% on cost

1.7 Taxation

The charity is a registered charity and is exempt under Part 11 of the Corporation Tax Act 2010 on its income and section 256 of the Taxation of Chargeable Gains Act 1992 on its capital gains.

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1.8 Operating leases

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.9 Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees. Designated funds represent funds earmarked for specific reasons as decided by the Trustees. Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

1.10 Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a maturity of one year from the date of acquisition or opening of the deposit or similar account.

1.11 Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

1.12 Pension costs

The charity operates a defined contribution pension scheme. Contributions payable for the year are charged to the SoFA in the period to which they relate.

19. RELATED CHARITIES

The custodian Trustee of the Church is the Baptist Union Corporation Limited (charity number 249635), which is controlled by the Baptist Union Council. The Church is also a member of the Baptist Union of Great Britain, and the Southern Counties Regional Baptist Association.

The Church made donations to the Baptist Union Home Mission Scheme as set out in note 7.

Notes to the Financial Statements for the year ended 31 December 2018

20. DEFINED BENEFIT PENSION

The Church is an employer participating in a pension scheme known as the Baptist Pension Scheme ("the Scheme"). The Scheme is a separate legal entity which is administered by the Pension Trustee (Baptist Pension Trust Limited).

The Minister(s) are eligible to join the Scheme, which is not contracted out of the State Second Pension.

From January 2012, pension provision is being made through the Defined Contribution (DC) Plan within the Scheme. In general, members pay 8% of their Pensionable Income and employers pay 6% of members' Pensionable Income into individual pension accounts, which are operated and managed on behalf of the Pension Trustee by Legal and General Life Assurance Society Limited. In addition, the employer pays a further 4% of Pensionable Income to cover Death in Service Benefits, administration costs, and an associated insurance policy which provides income protection for Scheme members in the event that they are unable to work due to long-term incapacity. This income protection policy has been insured by the Baptist Union of Great Britain with Unum Limited. Members of the Basic Section pay reduced contributions of 5% of Pensionable Income, and their employers also pay a total of 5%.

Benefits in respect of service prior to 1 January 2012 are provided through the Defined Benefit (DB) Plan within the Scheme. The main benefits for pre-2012 service were a defined benefit pension of one eightieth of Final Minimum Pensionable Income for each year of Pensionable Service, together with additional pension in respect of premiums paid on Pensionable Income in excess of Minimum Pensionable Income. The Scheme, previously known as the Baptist Ministers' Pension Fund, started in 1925, but was closed to future accrual of defined benefits on 31 December 2011.

A formal valuation of the Defined Benefit (DB) Plan was performed at 31 December 2013 by a professionally qualified Actuary using the Projected Unit Method. The market value of the DB Plan assets at the valuation date was £162 million.

The valuation of the DB Plan revealed a deficit of assets compared with the value of liabilities of £84 million (equivalent to a past service funding level of 66%). As a result of the valuation, in addition to the contributions to the DC Plan set out above, it has been agreed to increase the standard rate of deficiency contributions from Churches and other employers involved in the DB Plan from 11% of Pensionable Income / Minimum Pensionable Income to be based on a 12% rate from 1 January 2017. The contributions will be based on each Church's or other employer's position at March 2015. Some Churches and other employers that were only involved in the DB Plan for a short period will pay less than 12%. The Recovery Plan envisages deficiency contributions continuing until 30 June 2035.

The key financial assumptions underlying the valuation were as follows:

Type of Assumption	%
	pa
RPI price inflation assumption	3.60
CPI price inflation assumption	2.85
Minimum Pensionable Income increases (CPI plus 1.0% pa)	3.85
Assumed investment returns	
- Pre-retirement	5.10
- Post retirement	3.95
Deferred pension increases	
- Pre April 2009	3.60
- Post April 2009	2.50
Pension increases	
- Main Scheme pension Pre April 2006	3.40
- Main Scheme pension Post April 2006	2.30

As there is a large number of contributing employers participating in the Scheme, the Church is unable to identify its share of the underlying assets and liabilities of the scheme. Accordingly, due to the nature of the Scheme, the profit and loss charge for the period represents the employer contributions payable. The total defined benefit pension cost for the Church is £4,309 (2017: £4,224).

Notes to the Financial Statements for the year ended 31 December 2018

20. DEFINED BENEFIT PENSION (continued)

Consequent upon the departure of the Minister from the Church in 2016, the Church had a cessation event under Section 75 of the Pensions Act 1995. This makes the Church liable for the proportion of the overall deficit (assessed by reference to the cost of securing benefits by the purchase of annuities) applicable to its previous Ministers who were members of the Scheme. It is not possible to quantify this debt without an actuarial calculation. In order to avoid the cost of such a calculation and because the Church may not be able to continue its charitable activities following payment of the employer debt which arises upon a cessation event, the Pension Scheme Trustee (after consulting the Pensions Regulator) is not currently pursuing the employer debt, but is instead permitting the Church to pay the ongoing deficiency contributions outlined above. However, the Pension Scheme Trustee has the right to quantify and seek payment of the debt at any time at its discretion.

The next actuarial valuation of the DB Plan within the Scheme showing the position at 31 December 2018 is currently underway.
