Activities for achieving objectives

Charity - The practice of charity means the voluntary giving of help to those in need, as a humanitarian act.

Between 2018 - 2019, we carried out a variety of different activities. All of these activities were to generate positive outcomes, to benefits our service users, their friends and family; and the wider community.

All our projects and activities help to teach and development our services users; whether a young person, parent, professional or member of the community. Meeting needs either personally, emotionally, socially or physically.

- Stay safe – through ensuring they have a secure and stable staffing network and surroundings.

- Be healthy – ensuring we support the healthy maintenance of the physical, mental and emotional health of each young person. Promoting positive and healthy lifestyle choices.

- Enjoy and achieve – supporting personal, educational and social growth and development, as well as balancing a recreational activities.

- Make a positive contribution - engage in decision-making and support the community and environment, whilst building positive relationships and promoting positive behaviour.

- Achieve economic well-being - engage in developmental activities, whether education, training or employment; as well as understanding the importance to sustainable communities.

Projects we have created and implemented within TVRS Cares :

Summer scheme - We had a fun filled summer scheme, which involved structured activities with trained staff. Including arts and crafts, music and dance therapy, cultural and historical learning through museums and shows.

Mentoring scheme - This year we launched our mentoring scheme through which our young people were able to develop strongly and social independent skills and were assigned dedicated mentors, who were similar of age bracket to them, to learn how to engage, enjoy and behaviour in social settings. We had a dedicated trained member of staff accompanying the young people, but the scheme encourages developing social skills for the age group and learning how to interact and take part in activities that affect their age group and local community with peers they can relate to.

Recycling project - Renewable energy and global warming are factors which are affecting our young people's short term and long-term future, and any practices and initiatives we can implement internally in TVRS Cares to help advocate the importance of this factors we will. Our young people take part in weekly recycling projects. They recycle within the activity centre.

Healthy choices - This year we have enhanced our focus on healthy lifestyle choices through the food we eat. Key working sessions are completed with the young people who access our services about the food they ate and how it affects them. We have monthly smoothie sessions, where the young people create their own healthy smoothies of their choice selecting various fruits as ingredients and sell them the neighbours and local residents. In addition, the young people make their own pizzas and cookies and once shared between themselves, they feed local homeless residents in the area, who may not have had a meal.

Community – Give Back - Our young people learn to uplift and empower one another, and work with local grounds maintenance wardens to pick up leaves and rubbish at a park. They also improve the homes grounds, by having a clear out day and donating goods no longer used to others.

Celebrations and festivals - All the young people who access our service enjoy the festivities and celebrations from a range of cultures all year round. We celebrate all young people's birthdays within our services. In addition, we celebrate and allow each young person to celebrate traditions from their culture, religion or background. We place importance on equality and diversity and keep up to date with worldwide celebrations by engaging with local community and our equality and diversity calendar.

The Vine Kidz - The Vine Kidz project was launched last year. We ensure we provide a safe a secure stimulating environment, support offered is undertaken with trained, specialist members of staff.

We deliver a friendly service, with an inclusive approach and emphasis on teamwork and building family networks.

All our young people are to be developed - we help build self-esteem, confidence and display respect to receive respect. We ensure all our service users are provided with the opportunity to be creative, and spontaneous; get involved in activities, educational learning and play, trips and excursions and problem-solving tasks and find solutions, we encourage independence.

Trustees' responsibilities statement

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

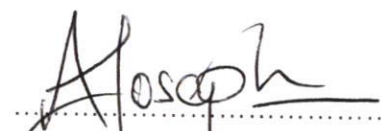

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to.

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charity SORP;
- Make judgements and estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions

Independent Examiner's Report
To the Trustees of
TVRS CARES LIMITED

I report on the accounts for the year ended 31 May 2019 set out on pages ten to fifteen.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required. The charity's gross income exceeded £25,000 and i am qualified to undertake the examination by being a member of Chartered Certified Accountants (ACCA).

It is my responsibility to: - examine the accounts under Section 145 of the 2011 Act to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:- 1) which gives me reasonable cause to believe that, in any material respect, the requirements to keep accounting records in accordance with Section 130 of the 2011 Act; and to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
