LINCOLNSHIRE WOLDS RAILWAY SOCIETY
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST DECEMBER 2018

The trustees present their report with the financial statements of the charity for the year ended 31st December 2018. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

To advance education for public benefit the preservation, maintenance and operation of the preserved heritage railway known as the 'Lincolnshire Wolds Railway'.

Public benefit

In setting our objectives and planning our activities our trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on preservation and conservation.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The trustees work closely with the directors of the Great Northern and East Lincolnshire Railway Limited, who operate the Lincolnshire Wolds Railway, to identify any work, projects or other activities that can be undertaken to improve, maintain or promote the railway and its facilities.

These are then achieved through donations made from the charity's income and/or through the use of volunteer time from the trustees and members of the charity.

Charitable activities at the heritage railway have included refurbishments of the gents toilet block and donations towards construction materials for the extension of the trackbed towards Louth, a destination on this route originally. This is part of a larger project called 'Tracks to Louth'.

FINANCIAL REVIEW

Reserves policy

The charity has no regular ongoing financial commitments and therefore does not need to retain a specific level of reserves.

Since its inception in 2013 the charity has seen significant increases in its income and fundraising continues to be a priority. During the year the charity's principal fundraising activities were the '200 Club', car boot sales and selling of the Society's books.

During the previous year the trustees completed a review of the charity assets and noted that assets donated to the charity over a number of years had not been reflected in the financial statements.

The trustees arranged for an independent valuer to inspect and value the assets. The assets were included as additions during the year at retail value of £104,900 with a corresponding entry being included in donations.

As a result of this the charity has been able to achieve a significant increase in its reserves with a further £3,602 being added this year. Reserves available for future projects, all of which are unrestricted, total £129,199.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

The existing trustees are permitted to appoint any person willing to act as a trustee during the year, subject to the maximum number of trustees. To be eligible for election at the AGM the charity must be given prior notice which is signed by a member entitled to vote and also by the proposed trustee showing their willingness to be appointed.

All trustees are required to retire at the AGM following their appointment but are eligible for re-election at the same AGM.

Organisational structure

Under the rules of its constitution the charity is required to have a minimum of three trustees and a maximum of 20. From these trustees the charity is also required to appoint a Chair, a Secretary and a Treasurer. Only a person who is a member of the charity can be elected as a trustee.

The elected trustees are known as the committee and are responsible for the management and administration of the charity.
