**TRUSTEE'S REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

The Directors of the Trustee present the Trustee's Report and the audited financial statements of the Dominican Sisters (Third Order) Congregation of Newcastle Natal for the year ended 31 December 2018. The Charity encompasses the European (UK and Rome) activities of the religious congregation titled Sisters of the Dominican Congregation of Saint Catherine of Siena of Newcastle, Natal. Sisters of the Charity (44 at 31 December 2018; 47 at 31 December 2017) ministered in England and Italy. Other sisters of the religious congregation (30 at 31 December 2018; 32 at 31 December 2017) minister in South Africa, two (2017: two) ministering in five not for profit entities but the Charity has no financial interest in their operation and these financial statements do not include their activities. Further information on the basis of accounting is set out in Note 1 to the Financial Statements.

The accounts accompanying this report are the accounts of the charitable trust on which the assets in Europe of the Congregation are held. They include all the Charity's activities in Europe and follow the Charities SORP (FRS102) to which the Charity transitioned on 1 January 2014.

**Our Aims:** The objective of the Charity is the advancement of the Roman Catholic Religion and the support of any associated charitable work for the time being carried on through the Trustee with the approval of the Congregation Prioress.

**Original Mission:** Our aims stem from the original mission of Mother Rose Niland who in 1896 founded the Sisters of Saint Catherine of Siena, within the Dominican tradition, in Newcastle, South Africa. Like so many active congregations founded at the time, Mother Rose set out to meet the urgent social need for education among the indigenous and colonial population. These early pioneers were women of great faith and courage who took enormous risks and suffered considerable hardships. Part of their legacy was fine schools, some of which still exist. Among these pioneers there was an urgency and zeal to evangelise as well as to educate. In this they were faithful to the Dominican motto: To give to others the fruits of our contemplation.

As Dominican Sisters we find inspiration in the following quotation from the Basic Constitution:

*To perfect our love of God and neighbour in the following of Christ, by religious profession we are enrolled in the Order of Preachers, completely consecrated to God in a new way, dedicated to the whole Church, and totally engaged in spreading the Word of God.*  
(Basic Constitution of the Order of Preachers, Para III)

## **Geographical location and operation of the Charity**

The Charity operates in the following countries: United Kingdom and Italy.

## **Governance, structure and management**

### **Governance**

The terms of the Charity Governance Code are currently under consideration with a view to ensuring that the Dominican Sisters (Third Order) Congregation of Newcastle Natal meets the expectations of the Charity Commission.

In terms of civil law the Charity is formally established by a Trust Deed dated 20 January 1953, as varied by the provisions of a Scheme sealed on 4 May 1995, and is a registered charity – Charity Registration No. 233236. The Trustee of the Charity is Saint Rose of Lima Association Limited and is an English company which is limited by guarantee. It acts through its four Directors and Officers (five to 28 April 2017) who are the Congregation Prioress and her Council. As such, they have detailed knowledge of the work of the Charity and its structure. New Directors on being appointed are required to familiarise themselves with the responsibilities of being a trustee, and on the Charity's position.

The names of the Directors and Officers who served during the year are set out in the reference and administrative details on page 1 of this report and accounts. On 28 April 2017 all the Directors in place at 31 December 2016 resigned having completed their terms of office and following the appointment on 28 April 2017 of Sisters Felicity Cunningham, Eileen Airey, Karen d'Artois and Maria Tuohy. Brief pen portraits of each of the continuing Directors of the Trustee are set out below:

**DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**  
**TRUSTEE'S REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

**Sister Felicity Cunningham** was elected Congregation Prioress in December 2016 and appointed Director of the Charity on 28 April 2017. Prior to her election, she was Region Prioress in South Africa. After some years in the teaching profession, she spent several years in parish ministry and a number of years in formation ministry.

**Sister Maria Tuohy** was elected Councillor in December 2016 and appointed Director of the Charity on 28 April 2017. She was teaching in secondary education for many years and subsequently engaged in administration of the Charity. She was previously Councillor and a Director of the Charity from 1982 to 1993.

**Sister Karen Marguerite d'Artois** was elected Councillor in December 2016 and appointed Director of the Charity on 28 April 2017. She has worked in university chaplaincy and faith formation for children and adults and trained in formation ministry. With a strong background in administration, she is also currently Co-ordinator of the Niland Conference Centre run by the Charity.

**Sister Eileen Airey** was elected Councillor in December 2016 and appointed Director of the Charity on 28 April 2017. She was teaching at secondary level for eleven years and was also head of religious education for three years in this period. In 1993 she was elected to the Congregation Council, returning from Argentina, and worked in team ministry in several parishes in the Stevenage area. In 2000 she returned to mission work in Argentina for three years, returning again in 2006 for another two years. In between she was a parish sister in Harpenden and, from 2009, in Aberdare, Wales. In 2011, she went to South Africa as formator of the young sisters in training and was involved in retreat work until 2017.

The Congregation Prioress and her Council are elected every six years at a General Chapter Meeting of the Congregation. The General Chapter, composed of elected and ex-officio members, elects the Congregation Prioress and her Congregation Councillors on the basis of their personal qualities, their understanding and experience of the ministries of sisters and to provide a useful mix of skills. Following their election to Congregation Council, these sisters are appointed Directors of the Trustee and are responsible for the organisation of the Charity and the administration of its assets. It is their duty to ensure that the activities undertaken are for the advancement of the objects of the Charity. Decisions are taken by the Congregation Prioress and her Council as the Directors of the Trustee.

The Congregation Prioress visits all the convents and houses of the Congregation either personally or by delegate every three years. The purpose of the visitation is that she may endeavour to examine and assess the quality of community and apostolic life and that she may come to know the sisters better by giving them an opportunity to make known their needs and their opinions about the life, apostolate and administration of the community. Systems of accountability mean that the Congregation Prioress and her Councillors are aware of and able to assist with the progress and development of the ministries carried out by the sisters.

### **Bursars and Local Communities**

The Sister Bursar, Sister Maria Tuohy, is responsible for the handling of financial and property matters and attending and reporting on these at meetings of the Directors of the Trustee. She is assisted by the General Bursar and the Finance Manager, both being lay staff.

Each local community is governed by an elected Prioress or, particularly for smaller houses, chooses a participative style of leadership.

House Bursars are responsible for financial aspects of local communities. A number of sisters have been granted budgets for the expenditure they incur in the course of their ministries and report monthly on their use of this facility.

### **Remuneration of Directors of the Trustee**

While the Directors of the Trustee have been maintained in accordance with the Charity's duty to provide for the sisters, they have received no remuneration whether in the course of their duties or otherwise. Any income paid to them in the course of their work has been given to the Charity.

### **Remuneration of Key Management Personnel**

Initial remuneration levels of key management personnel were established by surveying comparative rates and negotiation with the individuals. Historically, when there were a significant number of other employees, subsequent annual reviews of pay applied the same change as applied to them. Now, reviews are informed by the Bank of England agents' survey of real wage growth.

**TRUSTEE'S REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

**Risk Management**

In line with the requirement for the Trustee to undertake a risk assessment exercise and report on the same in this report, the Directors of the Trustee have identified the major risks to which the Charity is exposed. The Directors of the Trustee have identified the following main areas where risks may occur:

- ◆ The Charity's Work
- ◆ Governance and Management
- ◆ Operational
- ◆ Safeguarding
- ◆ Data Protection
- ◆ Information/Cyber Security
- ◆ Social Media
- ◆ Financial

**The Charity's Work:** considers the activity of the Charity which is primarily the advancement of the Roman Catholic Religion and associated charitable work. Factors considered include that this may require to be reinterpreted in the circumstance that sisters are ageing and few new members are joining. The Directors of the Trustee monitor this aspect.

**Governance and Management:** considers the efficacy of the trustee body. Risks considered are of a trustee body which lacked sufficient skills, commitment and appropriate decision-making procedures. Such risks could include a lack of training of sisters and staff or poor stewardship of resources – human, financial and property. The Directors of the Trustee monitor this aspect and engage in appropriate courses and training.

**Operational:** seeks to guard against the possibility of danger to the health, safety and well-being of those with whom we come in contact, of employees and of sisters; and against the potential risk that the property and buildings of the Charity could suffer alienation or damage or may not be appropriately adapted for use by the physically or mentally challenged. The Directors of the Trustee arrange for specialist advice to be retained in this area, and for appropriate insurance cover.

**Safeguarding:** seeks to guard against any form of abuse and strives towards a 'Culture of Safeguarding'. Child and vulnerable adult policies and procedures are in place both in relation to ministry engagement of sisters and in relation to our own vulnerable adults. In its compliance with the One Church Approach, the Trustee is committed to implement policies and procedures of the National Catholic Safeguarding Commission. The Directors of the Trustee have appointed an employee to monitor and advise on this aspect and themselves engage in training.

**Data Protection:** seeks to guard against potentially damaging threats to our and others' data, whether internal or external, deliberate or accidental. The Directors of the Trustee have appointed an employee to monitor and advise on this aspect and to consider the interaction with the General Data Protection Rules which were enhanced in May 2018.

**Information/Cyber Security:** seeks to guard against potentially damaging threats to our operations through wrongful removal of information in whatever form or hacking of systems and communications. The Directors of the Trustee are spreading knowledge of such activities and encouraging continual awareness of this risk area and its continual evolution.

**Social Media:** seeks to guard against the inappropriate use of social media and potential danger to our reputation through such use. The Directors of the Trustee have established a policy for this aspect which is disseminated amongst personnel.

**Financial:** seeks to guard against the potential risk to the Charity from fraud or financial irregularity, which could include unauthorised expenditure, inappropriate investment policies, and unreliable accounting. The Directors of the Trustee have established appropriate separation of roles and authority levels for those dealing with the Charity's assets.

As indicated above, having identified the major risks to which the Charity is exposed, the Directors of the Trustee have established systems and procedures to mitigate those risks as far as reasonably possible. All policies are updated regularly to assure right practice.

## **Realising the Charity's Objective**

The Directors of the Trustee have given due consideration to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011.

Advancement of the Roman Catholic Religion for Public Benefit, the Charity's main objective, is realised in the following ways:

- 1       Worship and Prayer Life
- 2       Education
- 3       Caring, Pastoral and Social Ministries
- 4       Collaboration
- 5       Use of Houses of the Charity
- 6       Lay Associates

Each of these is considered in more detail below:

### **1.   Worship and Prayer Life**

The daily celebration of the Liturgy, the prayer of the people of God – the Eucharist and the Prayer of the Church – is one of the principal elements in our Dominican Life. Members of the Congregation are given the opportunity for private prayer, ongoing formation, study of the Scriptures, and days of recollection. In each of our houses, members invite people from the wider community to join us in prayer. Our preaching mission can only emerge out of a life rooted in prayer and praise. When we leave the liturgy, we are being missioned back to the world, to 'give to others the fruits of our contemplation'. Members are open to receiving and listening to people seeking spiritual guidance and help.

The place of prayer, silence and retreat at Cricklewood, is valued by its users. The beautiful poustinia (a place of prayer) is well used and is open to anyone wishing to have a 'place apart'. In addition, sisters are available to offer a listening ear and to give spiritual guidance and direction.

All houses welcome parish groups for study and discussion and sisters continue to support prayer groups and Gospel-sharing groups. These groups, meeting regularly, give the public an opportunity to escape the stresses of everyday life for a short time and enable quiet contemplation and reflection.

At the Niland Conference Centre, sisters offer courses for Adult Faith Formation and Formation for Parish Ministry, as well as workshops, retreats and days of reflection for all who are interested. These days are opportunities to reflect on the interaction of the spiritual, social and cultural realms.

### **2.   Education**

The Charity has been engaged in the ministry of education since its foundation. Education remains a cornerstone of our ministry as Dominican women and is regarded as an essential agent in evangelisation. One of the areas of focus in this regard is Adult Formation at the Niland Conference Centre. One sister is Team Co-ordinator of the Niland Conference Centre and, supported by sister team members, the Dominican charism of preaching the Gospel remains at the heart of all the activities and events hosted at the Niland Conference Centre. Other sisters are engaged:

- at the Angelicum University in Rome as Vice Rector and as Vice Dean of the Faculty of Social Sciences, as Project Director of the formation project "Catholic Social Thought in Central and Eastern Europe 2020", teaching courses: "History of Economics"; History of Christian Social thought"; "Economic Ethics and Corporate Social Responsibility", and running seminars: "Catholic Social Thought and the UN 2030 agenda"; "Putting Catholic social thought into practice";
- as the Vice Secretary General at the Angelicum University in Rome, assisting and mentoring students who are writing their Doctoral Theses;
- in supporting and working with schools and parishes, through running in-service training days for staff and catechists who themselves are involved in promoting the Catholic faith;
- in providing retreats for staff and pupils of Catholic schools. Some of these retreats take place in their schools and parishes and others at the Niland Conference Centre.

**DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**  
**TRUSTEE'S REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

### **3. Caring, Pastoral and Social Ministries**

A number of our sisters are engaged in parish ministries. These include:

- being active in catechetics
- assisting in the training of catechists
- being volunteer chaplains at hospitals
- participating as members of parish teams
- arranging retreat days for groups in local parishes
- organising and running reflection and musical events during the main seasons of the Church's liturgical year

Throughout the year, in fulfilling their individual ministries sisters continued to carry out various forms of social and pastoral work. Through this work, the Charity reaches out to those in need and aims to benefit a significant number of people.

Some examples of the work of individual sisters in 2017 and 2018 are given below by way of illustration:

- A number of sisters are involved in ministry as pastoral workers. Their ministry takes them into areas of need amongst the poor, the elderly and infirm (some of whom are in their own homes, others in nursing homes). Sisters visit them regularly and offer help where they can. Often these people long for their visits when they find someone who is prepared to listen and help. In both areas of poverty and areas where the aged are living, the sister may be the only other human face they see for days on end. Sisters are also involved in Parishes where they reach out to the poor and needy through religious education and social support.
- A sister is involved in prison ministry.
- A sister is involved, with others, in a centre that focuses on the needs of asylum seekers, refugees and vulnerable women who have been trafficked and are being rehabilitated. The women are assisted and relevant authorities contacted in an effort to give the help they need.
- To draw attention to the needs in society, sisters lobby and participate with others in an effort to bring change for the good of society. Sisters have been active in drawing attention to the challenges and risks of climate change, issues which affect the whole world.

The Charity enables and supports individual members of the Congregation in ministry and outreach work thereby furthering the message set out in the Gospel.

### **4. Collaboration with Religious and Other Organisations in the Church**

Such collaboration in 2017 and 2018 includes:

- collaborating with other Religious Institutes in working with Caritas Westminster:
  - (a) in offering support to migrants and abused and dislocated people,
  - (b) in setting up an organisation called Safe in Faith addressing high levels of domestic abuse in local areas;
- hosting days of renewal, reflection and prayer to which all religious and parishes are invited;
- working with Anglican and Baptist Churches in offering pastoral care and a listening ear;
- working in a team at Women at the Well – a drop-in day centre at Kings Cross for vulnerable women with varied needs;
- assisting in the office of Blackfriars Hall in Oxford which is the studium of the English Province of the Dominican Order;
- working as Assistant Editor for New Blackfriars, a bimonthly theological and philosophical journal;
- collaborating with the Diocese of Westminster Agency for Evangelisation to offer courses, retreats and opportunities for faith formation;
- working with The Arise Foundation, a charity based in New York City and London, founded on the belief that more should be done to support grass-roots anti-slavery networks and whose mission is to help these reach their potential by providing the support needed. The involvement surveyed the work of Religious in England and Wales in the area of human trafficking and resulted in Threads of Solidarity, a report into the extraordinary commitment of religious to countering slavery in the UK which was issued in November 2018;

**DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**  
**TRUSTEE'S REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

- the ongoing involvement of the Congregation Prioress in UISG (International Union of Superiors General) which keeps the Charity updated on global needs and concerns;
- through the Congregation Prioress, representing the charity at COR (Conference of Religious), being fully involved in Dominican Sisters International, the Dominican Association of Britain and Ireland, and in DSE (Dominican Sisters Europe) keeping the Charity and Congregation in touch with what is happening in Religious life in general, as well as at the level of the Dominican Order;
- sisters continuing to collaborate with other Dominicans through their participation in Dominican Family Days, the annual Dominican Seminar and meetings of lay Dominicans;
- Directors of the Trustee participating in study days, conferences on the consecrated life and charity conferences.

**5. Houses of the Charity with a special emphasis**

- The houses of the Charity are places of hospitality and their facilities are offered for public benefit in a variety of ways: for example, one community hosted events of significance for those from local nursing and care homes.
- As mentioned above, in Cricklewood our St Rose's Chapel, Peace Garden and Poustinia offer a quiet place for reflection, prayer and silence to those of all faiths seeking peace and tranquillity away from the noise and busyness of everyday life.
- St Michael's Convent is regularly used by Church and local groups for meetings, discussions and day events, mostly led by the sisters. The convent chapel is also open for private prayer.
- Our convent at Rosary Priory is regularly used for courses on prayer, reflection and music appreciation.

**6. Lay Associates**

- A Lay Associates programme encourages lay people to share the Dominican charism of the Congregation through developing their personal spirituality, strengthening their faith and prayer life, and fulfilling their baptismal mission in their family life, work place, neighbourhood and local Parish.
- Lay Associates are individually affiliated to the Congregation by a process of formation and, should they so choose, a formal commitment to continue formation in the Dominican charism.

**The Mission of the Congregation in South Africa**

The Charity supports the Congregation mission in South Africa and the charitable works there, particularly evangelisation, education for life programmes and care of the poor, destitute and needy.

**Strategic Plan for 2018 and Future Plans**

The latest Strategic Plan was formed in December 2016 at the 18th General Chapter of the Congregation, and recorded in the 2016 Acts of the General Chapter. The General Chapter theme: - 'Make ready to proclaim the Gospel', 'Preach the word, be urgent in season and out of season' – permeates the mission of the Congregation for the six years to 2022. The responsibility of the Congregation Council then elected is to progress the strategic plan to lead the Congregation forward in fidelity to the mandates of the 2016 Acts of the General Chapter. The background to the strategic plan is a commitment that:

- the mission of preaching requires every community to continue to reach out towards fresh expression of classic Dominican preaching and to articulate this in contemporary language for promotion of vocations to fast-changing generations
- our finances need to be managed to enable future mission
- our corporate witness to truth and justice needs greater focus
- our future calls us to think increasingly of collaboration and healing of past sadness
- pastoral care of frail and elderly sisters includes deeper issues of ageing, life stages and death
- formation continues to be a priority and that sisters have a responsibility to develop their own on-going formation plans including continuing study of theology

**DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**  
**TRUSTEE'S REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

Throughout 2017 and 2018, the Strategic Plan of the Directors of the Trustee continued to focus on the formation of members. The Formation Team is charged with preparing, training and educating applicants to become fully active members and to implement effectively the aims of the Charity. A further aim of the Formation Team is to provide programmes for each stage of formation both initial and ongoing. 'Come and See' workshops are facilitated by members of the Team. These workshops provide insight and an experience of the principal objective of the Charity which embraces evangelisation, the advancement of the Roman Catholic Religion and the support of associated charitable work. Provision for ongoing formation is offered to members to assist their development in leadership and the future direction of the Charity.

In support of the aims of the Charity, the Directors of the Trustee remain indebted to the following employees:

- The Finance Team
- The Data Protection and Safeguarding Lead

## **Fundraising Statement**

Section 162a of the Charities Act 2011 requires charities to make a statement regarding fundraising activities. Although this charity does not undertake widespread fundraising from the general public, the legislation defines fund raising as "soliciting or otherwise procuring money or other property for charitable purposes." Such amounts receivable are presented in our accounts within "income from charitable activities" and amount to £58k (2017: £52k). There are no legacies or grants received in either year. We also receive occasional unsolicited donations.

In relation to the above we confirm that all solicitations are managed internally, without involvement of commercial participators or professional fund-raisers or third parties. The day to day management of all income generation is delegated to the executive team, who are accountable to the Trustee.

The charity is not bound by any undertaking of any regulatory scheme and the charity's activities do not require it to pay attention to any voluntary code of practice.

We have received no complaints in relation to fundraising activities. Our terms of engagement for members, staff and volunteers require personnel to behave reasonably at all times; as we do not approach individuals for funds we do not have to particularise this to fundraising activities nor do we consider it necessary to design specific procedures to monitor such activities.

## **Financial Review**

### **Trustee's Responsibilities**

The Trustee is responsible for preparing the trustee's annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the Trustee to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources for the year. In preparing those financial statements, the Trustee is required:-

- to select suitable accounting policies and then apply them consistently;
- to observe the methods and principles in the Charities SORP;
- to make judgments and estimates that are reasonable and prudent;
- to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustee is responsible for keeping accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable it to ensure that the financial statements comply with the Charities Act 2011 and regulations made thereunder. It is also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**  
**TRUSTEE'S REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

**Basis of Accounting**

The 2018 financial statements of the Charity are attached to this report. They are prepared on the basis of full reporting of the Charity's activities wherever carried out – currently this is in the UK and Rome.

The Charity's reserves are unrestricted.

Following guidance issued by the Charity Commission (CC15c) these financial statements are prepared under the Charities SORP (FRS 102) rather than SORP 2005 as required by the Charities (Accounts and Reports Regulations 2008). This departure is made to provide a true and fair view.

As required, the Trustee reports that no assets were held as custodian trustee during the reporting period.

**Financial Outcome of the Year**

Income totalled £2.3m (2017: £2.3m) before including gains/losses on revaluing investment assets. This included £1k (2017: nil) gains on disposal of fixed assets. Net income before taking account of gains/losses on investments was £0.3m (2017: £0.2m). In 2018 there was a loss on investment assets of £3.3m following the market reversal by 31 December 2018. Over the course of 2017, following continued increases in the market values of quoted investments during 2017 there was a gain at 31 December 2017 on investment assets of £3.2m. Including these, net expenditure was £3.0m (2017: income £3.3m). Measured against sterling (the Charity's functional currency) during 2018 the Euro, US dollar and Swiss franc rose: during 2017 the Euro rose and the US dollar and Swiss franc fell marginally. The small exchange loss of £3k (2017: loss £9k) arose from restatement in pounds sterling of balances denominated in those currencies.

The Statement of Financial Activities and the Notes to this set out the areas of income and expenditure and further information on these.

The balance sheet shows total funds under the Charity's control of £54.4m (2017: £57.4m). These funds are used to support the ongoing charitable work of the Charity. For example, tangible assets including property account for £4.0m (2017: £4.1m) of this total and comprise the net book value of premises occupied for the Charity's work and of equipment and vehicles used in this. Further, the investments and short term deposits shown in the balance sheet of £50.2m (2017: £53.2m) are held for the income they earn which goes towards financing the Charity's present and future objective. The Charity receives little by way of donations from the public, donations received almost entirely being from sisters' pension rights.

The Statement of Cash Flows reports cash used in operating activities of £1.3m (2017: £1.3m) and dividends and interest received of £1.7m (2017: £1.6m), emphasising the importance of the cash flow from the Charity's investments.

**Reserves Policy**

The Trustee has continued to consider the policy to be adopted on the need for reserves. In common with most religious groups there have been five important trends affecting the Charity in recent years:

- the rate of income received on investments has seriously declined and there has been increased volatility in market values;
- the average age of sisters continues to increase both because of fewer new entrants and the greater longevity of existing sisters;
- mortality of older sisters means there is increasing risk that pensions currently in payment will cease;
- few of the sisters following their vocation are earning pay which is commensurate with their qualifications; and
- for the same reason, the few younger sisters have little entitlement to future pensioning.

The Trustee's overall objective for reserves is to seek to maintain them at such a level that, excluding gains or losses on investments and translation, the income generated for a year, taking one year with another, meets the cost of charitable expenditure to support the Charity's aims. In 2017 and 2018 recurring income broadly met expenditure. Thus, currently, the objective has been achieved. However, in the continuing climate of low investment income and increasing calls for expenditure this cannot be relied upon.

Looking at the position in more detail, in earlier years there were specific designated funds for savings and future needs. In 2016 the Directors of the Trustee decided to establish a continuity fund to absorb these

**TRUSTEE'S REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

varying needs in a single designation. The reality is that the Charity has almost no source of income other than that arising on its investments and the donations from its Sisters. The Charity's assets are required to support expenditure by providing income, physical resource or funding.

In 2018, the income arising from the Fixed assets - Investments was £1.7m or 3.3% of £51.7m being the average of the opening and closing balance sheet figures. This income was the major part of the total income of £2.34m which covered the £2.02m total expenditure. In 2017, the income arising from the Fixed assets - Investments was £1.6m or 3.1% of the £51.4m average of the opening and closing Fixed assets - Investments. The total income figure for 2017 was £2.3m and covered the £2.1m total expenditure. Thus, the Trustee's overall objective was met, and the figures demonstrate that the income on the Fixed assets - Investments is required as part of the total income to meet expenditure, taking one year with another. Looking at the reserves, which are all free reserves, the continuity fund is now set at the same amount as the Fixed assets - Investments and at 31 December 2018 is £50.2m. (At 2017 it was £53.2m, the same as the £53.2m of Fixed assets - Investments). The other designated fund is for property and equipment and reflects the extent to which assets are tied up in property, at 31 December 2018 being £4.0m (2017: £4.1m). Together, these represented almost all the £54.4m (2017: £57.4m) of reserves, leaving general funds at £0.2m (2017: £0.1m).

The Trustee will review the policy at least annually when the financial statements are considered for approval. The policy will be monitored in the meantime by the Sister Bursar.

## **Investment Policy**

The major part of the Charity's funds is held as investments with the aim of producing an income in the shorter term and capital growth in the longer term. Approximately every two years the Directors of the Trustee review the policy for investment. This was formally established in 1995, is aimed to be reviewed on about a two-year cycle and was reviewed after the year end. The 2018 review was undertaken noting that the investment managers are retained in a discretionary role. The investment objective is to achieve a balance between income and capital growth, the longer-term growth being necessary to support the Charity's work by a growing income level. The Investment Managers have been provided with the Charity's Investment Policy and manage the portfolio knowing the Trustee's ethical views. The Trustee receives at least a quarterly portfolio valuation and commentary with appropriate index comparisons, and meets the Investment Managers at least twice a year to discuss their approach and actions taken.

The Trustee requires appropriate diversification of holdings, both across different types of investment and different investment entities. As the Charity has been involved in work in various areas of the world and cannot know where future demands may arise, some investment is outside UK based companies. Unless it specifically decides otherwise, the Trustee requires that no single equity holding should exceed 3% of the portfolio of investments or 1% of the particular security issued. The Trustee seeks to avoid investment in companies whose business involves tobacco, the production of armaments or excessive exploitation of resources or people, and direct investment in such contracts as futures, options and interest rate swaps unless these are to provide a level of insurance of portfolio value. However, the actual holdings are matters within the discretion of the Investment Managers.

It is in the nature of valuation by the market that in some years there are increases and in others falls. The Trustee monitors the position and is in regular dialogue with the Investment Managers. Investment income in 2018 is a little higher than in 2017 (2018: £1.7m, 2017: £1.6m).

## **THANKS**

Mention has been made earlier of the contribution of sisters, employees and support staff to the work of the Charity. In concluding this report, the Directors of the Trustee reiterate their appreciation.

# **INDEPENDENT AUDITORS' REPORT TO THE TRUSTEE OF DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**

## **Opinion**

We have audited the financial statements of Dominican Sisters (Third Order) Congregation of Newcastle Natal for the year ended 31 December 2018 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* ("United Kingdom Generally Accepted Accounting Practice").

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 December 2018 and of its incoming resources and application of resources, including the income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's ("FRC's") Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Conclusions related to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you when:

- the Trustee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## **Other information**

The other information comprises the information included in the Annual Report other than the financial statements and our auditor's report thereon. The other information comprises the Trustee's Report. The Trustee is responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **INDEPENDENT AUDITORS' REPORT TO THE TRUSTEE OF DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL (continued)**

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- the information contained in the financial statements is inconsistent in any material respect with the Trustee's Report; or
- adequate accounting records have not been kept by the Charity; or
- the Charity financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of the Trustee**

As explained more fully in the Trustee's responsibilities statement, the Trustee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustee is responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustee either intends to liquidate the Charity or to cease operations, or has no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the FRC's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the Charity's Trustee in accordance with the Charities Act 2011. Our audit work has been undertaken so that we might state to the Charity's Trustee those matters we are required to state to it in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustee for our audit work, for this report, or for the opinions we have formed.

**DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

**1 Accounting policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

**a) Basis of preparation**

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Trust constitutes a public benefit entity as defined by FRS 102.

The Trustee considers there are no material uncertainties about the Trust's ability to continue as a going concern. There were no significant judgements or estimates necessary in preparing the financial statements.

The most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management sections of the Trustee's annual report for more information).

**b) Fund accounting**

There are no restricted funds. Unrestricted funds are available for use at the discretion of the Trustee in furtherance of the charitable objectives of the Charity.

Designated funds are funds which the Trustee has decided at its discretion to set aside for particular purposes in the future and form part of the Charity's unrestricted funds. The Trustee has the power to reallocate such funds within unrestricted funds.

All income and expenditure is shown in the Statement of Financial Activities.

**c) Income**

Income (which includes donations and gain on disposal of fixed assets) is accounted for on a receivable basis as soon as the Charity has entitlement to the income, there is probability of receipt and the amount is quantifiable.

Investment income includes dividends receivable, recognised when the share price goes 'ex-div' which is after a particular company dividend has been declared as payable to shareholders on the register at a particular date.

**d) Expenditure**

All expenditure is accounted for on an accruals basis once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure has been listed under headings that aggregate all the costs related to that activity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Charitable expenditure is comprised of expenditure relating to the direct furtherance of the charitable objectives. Where costs cannot be directly attributable they have been allocated to activities on a basis consistent with use of the resources.

Allocation of expenditure across the different areas of advancing the Charity's main objective, being advancement of the Roman Catholic Religion for Public Benefit, is impracticable. Sisters are engaged in many activities, and each property similarly fulfils different functions.

**DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

**e) Allocation of support and governance costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the Trust's charitable work. These costs have been allocated between cost of raising funds and expenditure on charitable activities.

Governance costs are those incurred in connection with the management of the Charity's assets, organisational administration and compliance with constitutional and statutory requirements. In the circumstances of the Charity, to include an allocation of the living expenses of the Directors of the Trustee (the Congregation Prioress and her Council) would be of little benefit in comparison with the cost of capturing the information.

The basis on which support and governance costs have been allocated is set out in note 6.

**f) Costs of raising funds**

The costs of raising funds consist of investment management costs.

**g) Operating leases**

The charity classifies the use of printing equipment as operating leases; the larger equipment was purchased by the charity but the supplier replaces items when necessary. Rental charges, which in most cases are based on usage, are charged on a straight line basis over the term of the lease.

**h) Tangible fixed assets and depreciation**

Freehold land and buildings were included for the first time in 1995 at deemed cost. Acquisitions since are stated at cost. Other tangible fixed assets are stated at cost including any incidental expenses of acquisition. The costs of minor additions to fixed assets, defined as those costing less than £10,000 each (2017: £10,000) are expensed in the year in which they are incurred.

Depreciation is provided to write off the cost of tangible fixed assets by equal annual instalments over their estimated useful lives as follows:

Freehold land	- not depreciated
Freehold buildings	- 50 years
Motor vehicles	- 4 years

**i) Financial instruments**

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their fair value.

**j) Fixed asset investments**

The fair value of listed investments is taken as the closing quoted market value. There are no unlisted investments.

Certain deposits with banks held for their income earning and monies held by the investment managers pending investment are included in investments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

**k) Realised and unrealised gains and losses**

All gains and losses are taken to the Statement of Financial Activities as they arise.

**l) Foreign currencies**

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. Unless significant, transactions in foreign currencies are recorded at the average rate for the year. All exchange differences are taken to the Statement of Financial activities.

**DOMINICAN SISTERS (THIRD ORDER) CONGREGATION OF NEWCASTLE NATAL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2018**

m) **Liquid resources**

Liquid resources include bank deposits which are subject to a notice period of 24 hours or more.

n) **Creditors and provisions**

Creditors and provisions are established by consideration of individual unpaid future liabilities existing in respect of the reporting year.

**2 Legal status of the Trust**

The Trust is formally established by a Trust Deed dated 20 January 1953, as varied by the provisions of a Scheme sealed on 4 May 1995, and is a registered charity in England and Wales – Charity Registration No. 233236.
