Aim and Purposes

The primary objective of St Mary's PCC is the promotion of the Gospel of our Lord Jesus Christ according to the doctrines and practices of the Church of England. The PCC has the responsibility of co-operating with the Incumbent, The Reverend Canon Paul Seaman, in promoting in the ecclesiastical parish the whole mission of the Church pastoral, evangelistic, social and ecumenical.

Achievements and performance

Church Attendance

At the last Annual Parochial Church Meeting there were 131 members recorded on the Church Electoral Roll, of whom 97 were residents of the Parish and 34 resided outside it.

On a 'usual' Sunday in 2018, there were [] adults and [] children. In the course of the year there were [] weddings, [] baptisms, [] funerals, [] services of thanksgiving, [] services of dedication and [] burials of ashes.

Review of the year

The PCC and the Standing Committee met 8 and 7 times respectively throughout the year ensuring the good oversight of the various groups and areas of worship, mission action plan, pastoral care, work and legislation to ensure our safe, fruitful and enjoyable Church life. The PCC receives and reviews regular reports giving us knowledge of the progress of our objectives. We are most grateful to those who produce minutes, reports, service booklets and the magazine and to those who circulate them.

Building Maintenance and Fabric Report for the year to 31 December 2018

The monthly Churchwardens' working parties were well attended during the year with numbers ranging from 10 to up to 20+ people and having some of our families attending was very heartening. Special thanks must go to David Hayes who spent many days clearing the border on the northside of the church wall of weeds and brambles. This received great approval from our neighbours.

Items of work carried out by our volunteers this year include regular sweeping and weeding of paths and gullies, cleaning the nave and chancel windows, installation of LED bulbs in the chandeliers, renewal of the drain adjacent to the West door and re-decoration of the toilet.

During 2018 three pews were removed adjacent to the font, the suspended floor in that area was rebuilt and the area, together with the tower area, carpeted. This gave a more open space near the font for the benefit of baptismal parties. The improvement has been welcomed by the congregation and also gives us a greater area for fellowship and for children's activities.

We feel that having the church floodlit is an important part of our mission and during the year lighting faults were rectified, path lighting sensors were replaced and a new floodlighting timer control fitted.

The old timber railing beside the north porch path has been replaced with a metal hand-rail. Thanks for this installation go to the Bellringers who organised this in memory of Mike Etherington. Other works undertaken during the year were new bell ropes fitted and the replacement of some tiling and re-securing of the flashing to the post supporting the weather cock which has stopped water penetrating the tower.

The boiler, portable electric equipment, clock, alarm system, bells and fire extinguishers are all subject of maintenance agreements and have been serviced during the year. The pipe organ has been tuned and further repair works have been identified. This is an on-going project.

In the churchyard we started to clear the south west border to improve the area. Our grass cutting contractors have worked hard during the year and we received many favourable comments on the appearance of the churchyard. During the year we were contacted by the War Graves Commission and we will be having a WGC plaque to mark the 9 war graves in our churchyard.

Alyson Heath and Ann Kaiser (Churchwardens)

Safeguarding

Our aim this year has been to raise the profile of Safeguarding within the parish. This began with an oral report to last year's Annual Parochial Church Meeting and was followed up with a Saturday morning training session, that was attended by representatives from each group that uses the church.

We have stressed to all groups that we need to put precautions in place that enable us to use the physical resources of the church safely, rather than be put off using the building and moving events elsewhere. If we can increase the number of people using the Church, we could potentially increase our congregation.

The Safeguarding group has also made sure that vulnerable adults are being considered when decisions are made. This has been particularly important during the recent stewardship campaign. The leaders of the campaign have made it clear that we cannot let our own assumptions about people's health and wealth dictate how we approach members of the congregation when we ask for donations.

We have completed Phase One of the Diocese's Safeguarding audit, 'Simple Quality Protects', and expect to have our systems checked by the Diocesan Safeguarding Team at some point this year.

Austen Hindman (Safeguarding Officer)

Conclusion

There were as usual many activities and events, in Church, with Churches Together in Pulborough, at the school and in the community, which are reported separately, together with the minutes of last year's Annual Parochial Church Meeting. These reports give a fuller account of all that our Church community has done in 2018 to give witness to Christ's love, to serve Him in and around Pulborough and to maintain the Church of St Mary as a beautiful place to worship.

Thank you all.

Financial Review

In 2018 the PCC made an operating loss on unrestricted day to day income and expenditure in the region of £2,000. This was despite receiving unbudgeted Legacies of £4000.

In 2019 we are forecasting another loss of \pounds 5,500 even though we have made provision for an increase in regular giving of 10% over the year. Each 10% of regular giving brings us in the region of \pounds 4,000 in income.

This means that to break even in 2019 we need our regular givers to increase their donations by around 22.5%.

However, this still leaves us with a shortfall in our Diocesan Parish contribution of £13,300 as we have only committed to pay 80% of our share in 2019.

So, to reach our 100% in 2020 we need to increase our planned giving in 2019 by 50%.

In summary, we need our Stewardship campaign to focus our attention on increasing our regular giving through Planned Giving, collections and donations in 2019 in order to maintain equality over income and expenditure.

In 2018 we were able to cover almost all the expenditure on regular Churchyard maintenance by using the income from the Endowment set up from the Frost Legacy. The small shortfall is covered by the surplus made in 2017.

Reserves Policy

It is PCC policy to maintain a balance on the general unrestricted funds which equates to approximately three months of unrestricted payments as a contingency against unforeseen situations.

The PCC has Endowment investments of £98,500 of which in the region of £45,000 can be used for approved Church Projects if required.

It is PCC policy to invest temporarily surplus funds with the CBF Church of England deposit fund.

The Independent Examiner's Report

Independent examiner's report to the PCC of St Mary's Church, Pulborough

I report to the trustees on my examination of the accounts of the Parochial Church Council of St Mary, Pulborough for the year ended 31st December 2018

Responsibilities and basis of the report

As members of the PCC you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act')

I report in respect of my examination of the accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- Accounting records were not kept in respect of the PCC as required by section 130 of the Act; or
- 2. The accounts do not accord with those records; or
- 3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed: ______ Date: _____14 March 2018____

Sue Etheridge ACMA Andrews, Rectory Lane, Pulborough RH20 2AD
