Reed Family Foundation

Report of the Trustees for the Year Ended 31 December 2018

The trustees present their report with the financial statements of the charity for the year ended 31 December 2018. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

The charity's objectives are to further such exclusivity charitable purposes according to the law of England and Wales as its trustees in their discretion determine from time to time.

The charity makes grants to organisations and individuals for exclusively charitable purposes.

The charity has a grant-making policy in place which sets out priorities for funding, the process the trustees follow in making grants and what is required from grant recipients in terms of monitoring and reporting.

ACHIEVEMENT AND PERFORMANCE

No donations were received in the year and the charity committed to making 8 grants totalling £46,350 (2017: 10 grants totalling £4,057,934) out of resources brought forward from the previous year.

FINANCIAL REVIEW

Financial position

During the year under review, total income was £3,594 (2017: £5,305) total expenditure was £68,057 (2017: £4,067,528) and net gains on investments totalled £35,409 (2017: £301,096), resulting in the unrestricted reserves for the year carried forward of £1,253,891 (2017: £1,282,945).

Reserves policy

The charity has significant reserves and the charity pays grants based on its ability to do so taking into account commitments already made. The reserves policy of Reed Family Foundation is to maintain sufficient free reserves (total reserves less restricted funds and fixed assets) to enable the charity to meet these grant making objectives. The current level of free reserves is £175,251.

FUTURE PLANS

The trustees intend to continue to identify projects worthy of charitable support throughout the next financial period. The trustees shall continue to review the grant-making strategy and the priorities for funding.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity's governing document is its Constitution adopted on 1 October 2013 as amended on 20 January 2015, and it is constituted as a "Charitable Incorporated Organisation" (CIO).

Apart from the first trustees, new trustees will be appointed by the founding trustee, Richard Reed in accordance with clause 10 of the governing document. If he ceases to be a trustee, the remaining trustees have power to appoint new trustees.

Notes to the Financial Statements for the Year Ended 31 December 2018

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Incoming resources

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of these conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period. Donations in the Statement of Financial Activities include any associated gift aid.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The charitable company has financial assets and financial liabilities as basic financial instruments. They are initially recognised at transactions value and subsequently measured as their settlement value, with charges recognised in profit or loss.

Public benefit

Reed Family Foundation constitutes a public benefit entity as defined by FRS102.

Investments

Fixed asset investments in quoted shares, traded bonds and similar investments are valued initially at cost and subsequently at fair value (their market value) at the year end.
