## **Trustees' Report for the year ended 31 December 2018**

### **(continued)**

#### **Objectives and Activities**

The object of the charity is the relief, either generally or individually, of persons resident in the area of the Ancient Parish of Eton who, by reason of age, infirmity or poverty, are in need, hardship or distress. Payments are made to institutions and organisations which provide relevant services. In exceptional cases relief can be granted to persons who are not resident in the Parish but who, in the opinion of the trustees, ought nevertheless to be treated as if they were resident, or who are located for the time being in the Parish.

The trustees shall apply the clear income of the charity for the above-mentioned object.

In so far as the income is not required for application of the above object, then the trustees may apply income for any charitable purpose for the general benefit of the inhabitants of the Ancient Parish of Eton.

In applying the income of the charity for relief of need, the trustees do not commit themselves to repeat or renew the relief granted on any future occasion or case.

The charity operates, for the elderly, the Charteris Club at Eton Wick Village Hall.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

#### **Achievements and Performance**

The main activity of the charity continues to be the running of the Charteris Club, which is an active and much appreciated facility for Senior Citizens living in Eton and Eton Wick. The Charteris Club provides lunches, a social centre, day trips and activities. Membership has declined and there are approximately 25 members. A primary objective is to continue to maintain member numbers and provide a welcoming and enjoyable environment for the elderly, so they will keep attending the centre. Marketing initiatives have taken place to encourage new members.

The other activity of the charity is the provision of financial grants within its object to individuals in need, other charities and organisations. In the year £5,421 (2017: £7,567) was attributed to grants made. This related to seven organisations. A budget of £6,000 is allocated to grants made each year. If this is underspent then additional expenditure can be made in the next financial year.

#### **Investment policy**

The governing instrument gives the trustees the power to invest the monies of the charity not immediately required for its object in such facilities as may be thought fit for the satisfaction of the object of the charity. The investments are held over two funds with M&G Securities Ltd. These are Charibond and Charifund units that are split evenly to 73.5% to permanent endowment and 26.5% to unrestricted funds. The objective is to raise income that can be used to support the running of the Charteris Club and for the units held to increase in value each year.

This year the value of the funds has decreased in value by £93,293 (2017: increased by £40,612). Overall the Charibond recorded a return of 0% during 2018 which reflects the neutral outlook of the UK bond market. The capital performance of the Charifund unit has been disappointing, however the unit has delivered a higher dividend this year.

#### **Grant policy**

Trustees have the powers to make grants to either individuals or organisations in line with the charity's objects. Causes are selected via an application process (either verbal or written) sent to an Eton Poor's Estate trustee.

# **Eton Poor's Estate**

## **Trustees' Report for the year ended 31 December 2018**

### **(continued)**

#### **Grant policy (continued)**

This is then raised at a trustee meeting. A vote of the trustees takes place to approve each grant. Alternatively, a grant can be approved via email, if the majority of the trustees approve the application and there is not a trustees meeting approaching. The main body of grants to organisations consist of the support for local community events and local organisations/charities that require funding.

#### **Volunteers**

The Charteris Club has volunteers to help with the lunch service and organised activities.

#### **Reserves policy**

The only source of income for the charity, apart from donations to and fundraising by the Charteris Club, is the income that it generates from its investments. Expenditure, therefore, is tailored to a level within predicted income; there is no dependence on fundraising or other activity to fund the charity's commitments. The least flexible commitment is to the support of the Charteris Club at a cost of £30,944 (2017: £31,342), and the grants of £5,421 (2017: £7,567) are discretionary.

The policy towards reserves, which are the unrestricted funds of £238,985 (2017: £254,795), is to ensure that they do not fall to a level that would mean suddenly withdrawing support from the Charteris Club. The funds held in the unrestricted fund would, on a worse case scenario, be sufficient to support the charity for seven further years (based on expenditure remaining constant and no further income being received).

The permanent endowment fund consists of units held within the M&G Securities Ltd investment portfolio. This capital must be maintained and is not available as free reserves. The permanent endowment fund of £525,337 (2017: £593,944) contributes to the majority of reserves held at the balance sheet date.

As at 31 December 2018 the reserves are £764,322 which is sufficient to sustain future obligations.

#### **Risk assessment**

The major risks, to which the charity is exposed, as identified by the trustees, have been reviewed and systems and controls have been established to mitigate these risks.

### **Financial Review**

The funds of the Poor's Estate have decreased by £84,417 to £764,322 (2017: £848,739), which was mainly due to unrealised losses on the revaluation of investments of £93,293. There was a surplus of £8,876 (2017: surplus £3,364) of income over expenditure, before transfers, gains and losses on investments.

### **Future Plans**

The charity's future plans involve the running of the Charteris Club in Eton Wick, providing a happy and enjoyable place for local elderly members to attend. In addition Eton Poor's Estate plans to provide subsidised activities for the members and further grants made in line with the charity's objects throughout 2019.

### Trustees' Report for the year ended 31 December 2018

#### (continued)

#### Going concern

The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future being a period of at least 12 months from approval of the financial statements. No material uncertainties in relation to the ability of the charity to continue on a going concern basis have been identified by the trustees. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

#### Trustees' Responsibilities Statement

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Independent Examiner's Report to the trustees of Eton Poor's Estate

I report to the trustees on my examination of the accounts of Eton Poor's Estate (the Trust) for the year ended 31 December 2018, which are set out on pages 6 to 13.

This report is made solely to the charity's trustees, as a body, in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity, the charity's members as a body and the charity's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

#### Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

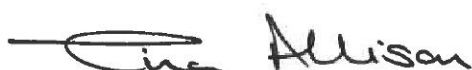

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the financial statements for the year ended 31 December 2018

### 1 Charity information

Eton Poor's Estate is a charity registered with the Charity Commission in England and Wales, charity number 200640. The address of the registered office is Eton College, Eton, Windsor, Berkshire, SL4 6DB.

### 2 Accounting policies

#### Basis of Accounting

The financial statements have been prepared in accordance with the Charities SORP (FRS102) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland and the Charities Act 2011 and the UK Generally Accepted Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Eton Poor's Estate meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Taxation

As a charity Eton Poor's Estate is exempt from taxation of income and gains received within categories covered by The Corporation Taxes Act 2010, Part 11 to the extent that these are applied to its charitable objects. No tax charge has arisen in the period.

#### Going Concern

The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future, being a period of at least 12 months from the approval of the financial statements. No material uncertainties in relation to the ability of the charity to continue on a going concern basis have been identified by the trustees. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

#### Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised on receipt unless Eton Poor's Estate has been notified in writing of both the amount and settlement date.

Charitable activities include income generated through fundraising events hosted by Eton Poor's Estate and income is recognised on a receipts basis.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Dividends are recognised once the dividend term has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

#### Expenditure

All expenditure is accounted for in the Statement of Financial Activities in the period to which the cost relates and is apportioned to cost categories based on the nature of the cost incurred. Grants are accounted for in the period in which they are made or communicated to the third party. The grant making policy is discussed further in the Trustees' Report.

Support costs are the costs associated with the governance arrangements of the charity which relate to the governance of the charity as opposed to those costs associated with fundraising or charitable activity.

The employees of Eton Poor's Estate are eligible to join the Eton College defined contribution scheme and the recharged contributions are charged to the Eton Poor's Estate Statement of Financial Activities. There were no contributions outstanding at the balance sheet date (2017: nil).

### Financial instruments

Eton Poor's Estate has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost. Financial assets held at amortised cost comprise cash at bank and in hand, together with trade and other debtors. Financial liabilities held at amortised cost comprise trade and other creditors. Investments are held at fair value at the Balance Sheet date, with gains and losses being recognised within income and expenditure in the Statement of Financial Activities.

### Funds

Unrestricted funds can be spent on any charitable purpose in accordance with the objects of the charity at the discretion of the trustees.

The Endowment Fund relates to a permanent endowment held within investments. There is no restriction over the income generated from this fund.

### Key estimates and judgements

In the application of Eton Poor's Estate accounting policies, which are described in note 2, trustees are required to make judgements, estimates, and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

In the view of the trustees, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.
