### **TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2018**

---

The Trustees present their annual report together with the audited financial statements of the charity for the year 1 January 2018 to 31 December 2018. The Trustees confirm that the Trustees' Report and Financial Statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective 1 January 2015).

#### **Objectives and Activities**

##### **Policies and objectives**

The principal activity of the trust is to advance the gospel of Jesus Christ and Christianity and the general welfare of humanity in its creation, nurturing and development of Christian outreach in varied dimensions. The trust does not support projects that do not directly benefit or help people.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. The trustees feel that all activities undertaken by the trust fulfil these requirements.

The trustees derive no private benefit from the activities of the charity.

##### **Grant making policies**

The trustees meet on a regular basis to review requests for grants and to consider projects under development.

##### **Correspondence for grant applications**

The trustees only reply where they require further information. No telephone calls or correspondence will be entered into concerning any proposed or declined applications.

All correspondence should be addressed to: The Trustees, Wheatmoor Farm, 301 Tamworth Road, Sutton Coldfield, West Midlands, B75 6JP.

#### **Financial Review**

##### **Review of activities**

The statement of financial activities is shown on page 8. During the year the trustees made grants totalling £1,000 (2017: £10,470). Details of all grants made are shown in note 4.

Following on from the investment in 2016 in a property which is being leased to an unrelated registered charity, Adventure Plus whose activities are in line with those of the trust, the trustees have made a further purchase of surrounding fields. This transaction was completed at the end of the previous financial year and a similar lease has been put in place on a peppercorn rent to the same charity. The trustees consider this to be an effective way of fulfilling the charitable purposes of the trust by supporting likeminded organisations.

The net expenditure of funds for the year was £40,365 (2017: net income £87,856) including a £51,310 deficit on revaluation of investments (2017: gain of £58,588).

##### **Reserves policy**

The trustees have accumulated reserves with a view to providing ongoing financial support to new projects as

---

## **LANGLEY CHARITABLE TRUST**

---

### **TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 DECEMBER 2018**

---

well as providing one off grants. The trustees have currently adopted a policy to accumulate reserves as part of a longer term vision for a project which will require significant capital investment.

Current free reserves (net current assets) are £938,323 (2017: £1,187,063).

#### **Principal funding**

The principal sources of funding are investment income and one off donations received.

#### **Structure, governance and management**

##### **Constitution**

The Langley Charitable Trust is an unincorporated body which was established as a grant making trust on 24 January 1980 and registered as a charity on 19 March 1980.

The charity was established under a trust deed that established the objects and powers of the trust. Mr J P Gilmour and Mrs S S Gilmour have held office as trustees since the creation of the trust to date and have complete discretion over the use of the charity's funds and consider allocation of grants and applicable of funds for charitable purposes on a regular basis.

##### **Method of appointment or election of Trustees**

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

##### **Organisational structure and decision making**

The charity is managed by the trustees.

##### **Risk management**

The trustees believe that the charity is not exposed to significant external risk. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charity. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

##### **Information on fundraising practices**

The trust does not solicit funds either directly or indirectly from any third party individuals.

##### **Plans for future periods**

##### **Future developments**

The trust continues to support a number of initiatives and projects in line with the charity's principal objective of Christian outreach to benefit and help people. The trustees are continuing to support Adventure Plus and NAYC in their purposes . The trustees are prayerfully considering the direction that the Lord would have them take in deciding upon further projects to support.

## **LANGLEY CHARITABLE TRUST**

---

### **TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 DECEMBER 2018**

---

#### **TRUSTEES' RESPONSIBILITIES STATEMENT**

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees, on 28 September 2019 and signed on their behalf by:

**John Gilmour**  
Trustee

**Sylvia Gilmour**  
Trustee

### **INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF LANGLEY CHARITABLE TRUST**

---

#### **OPINION**

We have audited the financial statements of Langley Charitable Trust (the 'charity') for the year ended 31 December 2018 set out on pages 8 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2018 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### **BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **CONCLUSIONS RELATING TO GOING CONCERN**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **OTHER INFORMATION**

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in

---

## **LANGLEY CHARITABLE TRUST**

---

### **INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF LANGLEY CHARITABLE TRUST**

---

doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### **RESPONSIBILITIES OF TRUSTEES**

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### **AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' report.

#### **USE OF OUR REPORT**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

Trustee

The notes on pages 10 to 16 form part of these financial statements.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2018**

---

**1. ACCOUNTING POLICIES**

**1.1 General Information**

Langley Charitable Trust is a charitable trust registered in England and Wales. The address of its registered office is Wheatmoor Farm, 301 Tamworth Road, Sutton Coldfield, B75 6JP, which is also the address of its principal place of business. The principal activity of the trust is supporting organisations which are aligned with the Trust's objectives.

**1.2 Basis of preparation of financial statements**

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, SORP Update Bulletin 1 and Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and Charities Act 2011.

The trust has taken advantage of the exemption from the requirement to prepare a cash flow statement under SORP Update Bulletin 1 and the provisions of FRS102 1A..

Langley Charitable Trust constitutes a public benefit entity as defined by FRS 102.

**1.3 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

**1.4 Income**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2018**

---

**1. ACCOUNTING POLICIES (continued)**

**1.5 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

**1.6 Tangible fixed assets and depreciation**

Freehold land and buildings are held primarily as a programme related investment in furtherance of charitable objectives and are accounted for as tangible fixed assets.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is not charged on freehold land. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives.

The trustees consider that the residual value of the buildings is such that there is no depreciation charged. The property is reviewed for impairment on an annual basis.

**1.7 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Gains/(losses) on investments' in the Statement of financial activities.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2018**

---

**1. ACCOUNTING POLICIES (continued)**

**1.8 Programme related investments**

Programme related investments held as fixed assets represent long term loans and advances, sometimes on terms that are interest free, to assist in the acquisition and development of property and projects for charitable purposes by third parties.

The loans are initially measured at fair value, being the amount advanced, and subsequently measured at amortised cost using the effective interest rate method, less impairment.

**1.9 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.10 Cash at Bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.11 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

**1.12 Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### 11. RELATED PARTY TRANSACTIONS

Programme related investments, in the form of loans, have been made to Northamptonshire Association of Youth Clubs ("NAYC"), a charity of which both trustees are board members.

At the year end £1,062,657 (2017: £1,083,737) was due from NAYC. The trust holds a legal charge over a property owned by NAYC as security. Interest of £23,912 (2017: £24,453) was received in connection with the interest bearing loans.

During the financial year donations of £50 (2017: £270) were made to NAYC.

During the year rental income of £713 (2017: £670) was receivable from the James Gilmour Partnership, of which one trustee is a partner.
