## REPORT OF THE TRUSTEES

### Year ended 31 December 2018

The Trustees present their report and financial statements of the charity for the year ended 31 December 2018. The financial statements have been prepared in accordance with the accounting policies set out in note 1 of the financial statements and with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

### Structure, governance and management

The Swire Charitable Trust is an unincorporated charity, constructed under a trust deed dated 23 December 1975 and is a registered charity, number 270726.

The Swire Educational Trust (registered number 328366), which was an unincorporated charity established on 12 September 1989, was merged with The Swire Charitable Trust on 31 December 2015 and the merged charity operates under number 270276. The Swire Educational Trust has been removed from the register.

The power to appoint new Trustees is vested in the Settlors during their lifetime. Responsibility for the induction of any new Trustee, which involves awareness of the history and approach of the charity and an understanding of a Trustee's duties, lies with the Trustees. A new Trustee would receive copies of the previous year's accounts.

At the Trustees' meeting, the Trustees agree the strategy of the trust, including consideration of donation making, investments, reserves and risk management policies. The day to day administration of the charity is carried out by John Swire & Sons Limited. The major risks to which the trust may be exposed, as identified by the trustees, have been reviewed to confirm that systems where appropriate, exist to mitigate those risks.

### **Grant making policy**

The Trustees meet to consider what grants / donations they will make and to review any feedback they have received.

The Trustees have established an online application process for charities to make formal applications for grants explaining how any funds would be used and what would be achieved.

In 2018 the charity provides grants through three main programmes:

- The welfare programme, which focussed on supporting positive change in the community.
- The opportunity programme, which focussed on nurturing potential by helping children and adults from all backgrounds to fulfil their potential and make the most of their talents.
- The heritage programme, designed to promote regeneration through restoration.

In July 2019, these programmes were further refined, and a new Environment Funding Programme was launched.

The charity now provides grants to charities through the following three programmes:

- The opportunity programme, which aims to improve life chances for the following: ex-service men and women; victims of slavery and trafficking; children and young people in the care of their local authority, involved with the criminal justice system or from the most socio-economically disadvantaged backgrounds.
- The environment programme which funds charities that can connect people to the environment and support the UK's biodiversity
- The heritage programme, which funds heritage work that can deliver social and economic benefits to deprived communities or disadvantaged people and charities working to safeguard endangered skills

In addition to this core funding programme, the Trustees continue to make grants to charities on a discretionary basis.

The Trust also exists to administer a variety of scholarship schemes for students and to assist them to study at universities and colleges in the United Kingdom and elsewhere, through the restricted fund.

Scholarships are advertised on affiliated universities/colleges websites and national papers in Hong Kong, Japan, China and other jurisdictions that the trustees see fit. The candidates apply directly to the universities and if they meet the academic criteria they are interviewed by a panel. On success, the university offers the candidate admission to their chosen course of study and refers the candidate to the trust for consideration of awarding a scholarship. The policy of making grants is to support deserving cases for awards for tertiary education.

#### REPORT OF THE TRUSTEES

#### Year ended 31 December 2018

The strategy of the fund is to continue to work with universities/colleges and make grants based on merit of the applicant.

### Objectives, activities and achievements for the public benefit

The objective of the Trust is to provide donations and grants to charities in the United Kingdom and elsewhere.

In 2018, the Trust made donations and grants totalling £3,672,799 (2017 - £3,856,262). There was a net reduction in funds for the year of £1,059,909 (2017 - £611,476).

During the year to 31 December 2018, the Trust approved the selection of 15 (2017 - 14) new scholars and granted 18 (2017 - 21) annual scholarships and awards to existing scholars. It expects to fund a similar number of scholarships and awards in the year to 31 December 2019.

The Trustees intend to continue to provide support to their chosen charitable causes.

The Trustees, having regard to the public benefit guidance published by the Charity Commission in accordance with section 17 of the Charities Act 2011, consider that the purpose and activities of the charity satisfy the requirements of the public benefit test set out in the section 4 of the same Act.

The investments held in the portfolio with Sarasin & Partners LLP have decreased by 5% during the year (2017 - 1.5% increase). Post year end performance of the investment portfolio at 31 March 2019 shows the value to be £10,011,109 which reflects a decrease of 2.6% on the 31 December 2018 position.

### Investment policy

The Trustees' principal resources arise from donations to the trust. The Trustees have expended through donations and grants the income arising therefrom on an annual basis. The Trustees maintain a cash balance in order to provide a fund to meet grants and donations which they wish to make in excess of donations received in any particular year.

In this regard the Trustees have noted the statutory duty of care required by the Trustee Act 2000, in relation to their holding suitable investments and the need for diversification of investments so far as is appropriate to the circumstances of the trust.

It is the Trustees' policy to utilise all of the funds in pursuance of the Trust's objectives in a period not exceeding fifteen years. There is no requirement to maintain a particular level of income reserves as endowment funds can be expended to meet expenditure as required.

The investment policy is to invest approximately 20% of the fund in fixed interest and cash with the remainder in UK and overseas equities to maximise the long term real return from the fund. This policy is implemented by independent fund managers.

The charity does not operate an "ethical investment policy".

## Reserves policy

The Swire Charitable Trust was created in December 1975 and provides the Trustees with wide powers of discretion to distribute the donations and other income of the trust fund for charitable purposes as the Trustees determine. It has been the Settlors' and Trustees' intention that the trust fund should be able to grow during the accumulation period with the help of accumulation of income. Once income is accumulated, it becomes an addition to the Trust's capital. The accumulation period of the unrestricted fund ended 22 December 1996. The accumulation period of the restricted fund ended 12 September 2010.

It is the Trustees' policy not to retain reserves within the unrestricted fund as overheads are low and the grants that are made vary according to the income operated. As such no reserves are required to ensure the Trust's continued operations.

Endowment reserves are held within the restricted fund to support future scholarships. At balance sheet date the funds held in the Endowment reserve were £8,666,450 (2017 - £9,811,701).

### REPORT OF THE TRUSTEES

#### Year ended 31 December 2018

### Key management personnel remuneration

The Trustees consider the board of trustees as comprising the key management personnel of the charity in charge of directing and controlling the charity and operating the charity on a day-to-day basis. All Trustees give their time freely and no Trustee remuneration or expense reimbursements were paid in the year.

### Risk management

The principal risks faced by the charity lie in the performance of the investments and risks from ineffective grant making. The variability of investment returns is the charity's major financial risk. It mitigates this risk by retaining expert investment advisors and having a diversified investment portfolio. The risk from ineffective grant-making is mitigated by carrying out research on charitable institutions to establish whether potential donations will be used effectively and in furtherance of this charity's own objectives.

### Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards. The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- · make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Statement as to disclosure to our auditors

1 him

In so far as the Trustees are aware at the time of approving our Trustees' annual report:

- there is no relevant information, being information needed by the auditor in connection with preparing their report, of which the group's auditor is unaware, and
- the Trustees, having made enquiries of fellow Trustees and the Trust's auditor that they ought to have individually taken, have each taken all steps that he/she is obliged to take as a trustee in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

S C SWIRE

8 October 2019

#### AUDITOR'S REPORT

#### Year ended 31 December 2018

### INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE SWIRE CHARITABLE TRUST

#### **Opinion**

We have audited the financial statements of The Swire Charitable Trust (the 'charity') for the year ended 31 December 2018, which comprise the statement of financial activities, balance sheet, statement of cashflows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's Trustees, as a body, in accordance with regulations made under section 154 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2018 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate;
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant
  doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve
  months from the date when the financial statements are authorised for issue.

### Other information

The other information comprises the information included in the Trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### AUDITOR'S REPORT

#### Year ended 31 December 2018

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' annual report is inconsistent in any material respect with the financial statements; or
- · the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement set out on page 5, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the charity's Trustees, as a body, in accordance with regulations made under section 154 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

### NOTES TO THE FINANCIAL STATEMENTS

#### Year ended 31 December 2018

### I. Accounting policies

## (a) Basis of preparation and assessment of going concern

The financial statements have been prepared under the historic cost convention, with the exception that investments are included at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Trust constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. There are no significant areas of judgement and key assumptions that affect items in the accounts. With respect to the next reporting period, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the risk management section of the trustees' annual report for more information).

#### (b) Funds structure

The charity has an endowment fund created by a gift. The income of this fund is unrestricted. The terms of the endowment allow the capital of the fund to be spent if the Trustees so determine.

Unrestricted income funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the Trustees, at their discretion, have created a fund for a specific purpose.

The assets of the restricted fund were transferred to Swire Charitable Trust on 31 December 2015 from the Swire Educational Trust. These assets continue to be used to further the purposes of the Swire Educational Trust, which has now been wound up. The objects of the fund are to promote and advance education by all such means as may be appropriate to charitable purposes and furthering the education of persons attending educational establishments in the UK or overseas.

### (c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and amount of income receivable can be measured reliably.

Donations are recognised when the Trust has been notified in writing of both the amount and settlement date.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and the notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

### (d) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. This is accrued once the recipient has been notified of the grant award.

## (e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

## NOTES TO THE FINANCIAL STATEMENTS

#### Year ended 31 December 2018

### (f) Costs of raising funds

The costs of generating funds consist of investment management fees.

#### (g) Support and governance costs

The Charity does not incur support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. Governance costs relate to charitable activities.

## (h) Charitable activities

Costs of charitable activities include grants made and governance costs as shown in note 3.

### (i) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

### (j) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities within particular sectors or sub sectors.

### (k) Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably results in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

in 2018 £2,665,513 (2017 - £2,470,372) of charitable expenditure related to the unrestricted fund and £1,120,817 (2017 - £1,491,804) related to the restricted income fund.

## NOTES TO THE FINANCIAL STATEMENTS

### Year ended 31 December 2018

4. Fixed asset investments	2018	2017
	£	£
Quoted investments		
Market value at start of year	10,816,776	10,655,641
Additions at cost	4,331,449	8,979,135
Disposal proceeds	(4,591,569)	(9,425,837)
Net realised gains/(losses) on disposal	13,217	40,441
Net unrealised investment gains	(292,801)	567,396
Market value at end of year	10,277,072	10,816,776
	J <del> </del>	12

The historical cost of investments at 31 December 2018 was £9,766,215 (2017 - £9,814,502).

There were 8 investments in individual entities held at 31 December 2018 which were over 5% of the portfolio by value (including cash deposit(s)) and are therefore considered by the Trustees to be material in the context of the investment portfolio.

- 1,307,027 Sarasin Global Higher Dividend (Sterling Hedged) I Inc Market value £1,569,739 (15.3%)
- 819,631 Sarasin Global Dividend I Inc Market value £1,185,187 (11.5%)
- 1,000,000 Santander UK CD 0.8400% 20/02/19 Market value £1,000,000 (9.7%)
- 1,000,000 Lloyds Bank CD 0.8500% 20/03/19 Market value £1,000,000 (9.7%)
- 857,735 Sarasin Sterling Bond I Inc Market value £936,647 (9.1%)
- 982,134 Sarasin Fund for Charities Thematic UK Equity (GBP) X Inc Market value £1,072,491 (10.4%)
- 6,339 ICS-INS Sterl Liq-Heritage ACC (Blackrock) STP Market value £658,365 (6.4%)
- 6,599 ICS-INS Sterl Liq-Heritage ACC (Blackrock) Market value £685,359 (6.7%)

The net realised gains on investment in both years related to the restricted expendable endowment fund.

The charity is partly reliant on investment income in the form of interest and dividends received on investments held.
