- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works:
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The trustees have assessed the major risks to which the charity is exposed, in particular those relating to its investments and its finances. The trustees believe that by ensuring controls exist over key financial systems incorporating NatWest Bank's systems and controls, and by delegating the investment management function to investment managers, subject to regular monitoring, including periodic reviews of performance against benchmark, they have established effective systems to mitigate those risks.

## Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Deed of Settlement authorises the trustees to apply the income or the capital to or for the benefit of such exclusively charitable objects and purposes in any part of the world as the trustees may in their absolute discretion think fit.

The Trustees will take into account the Letter of Wishes which requests that consideration be given to benefit the following types of charities:-Animal Charities. Conservation and Children in War Zones The Trust achieves this object by the provision of grants. In determining the means by which the Trust shall achieve its object, the trustees have had regard to the guidance on public benefit issued by the Charity Commission.

During the year under review the Trust awarded 19 Grants ranging in value from £500 to £2,000 to a range of charitable organisations. In the opinion of the trustees the Trust, by making grants only to charitable organisations which are themselves for the benefit of the public, is fulfilling its own obligation to deliver public benefit in the furtherance of its object.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The sum of £16,608 has been expended from the Endowment Fund and for Charity Commission accounting purposes is now classed as income.

#### Additional details of objectives and activities (Optional information)

Regular meetings are held by the Trustees where they discuss any applications received and consider which grants they wish to award.

In pursuance of its objectives, the charity's income is applied in making grants to a number of charitable organisations and bodies involved in activities which further the charity's objectives.

Applicants for grants must be in writing.

Recipients of grants are required to sign a formal receipt. Where relevant, the trustees also ask to be provided with copies of receipts for expenditure and the grant may be subject to an ongoing monitoring programme and further instalments of grants only released subject to timescales being reached.
