<u>NEW KADAMPA TRADITION -</u> <u>INTERNATIONAL KADAMPA</u> <u>BUDDHIST UNION (REGISTERED NUMBER: 02758093)</u>

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2018

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2018. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

In the wording of the charity's Memorandum of Association, the objects for which the charity is established are to increase the Buddhist Faith throughout the world, under the spiritual guidance of the elected General Spiritual Director ('GSD') of the NKT-IKBU, by promoting the activities of the union of Kadampa Buddhist Centres called the NKT-IKBU, the international association of study and meditation centres that follow the pure tradition of Mahayana Buddhism derived from the Buddhist meditators and scholars Atisha and Je Tsongkhapa, introduced into the West by the Buddhist teacher Venerable Geshe Kelsang Gyatso; and that follow the three New Kadampa Tradition Study Programmes; and that are guided by the code of moral discipline called the Internal Rules of the NKT-IKBU.

Significant activities

In order to promote its objects, the charity maintains an International Temples Project ('ITP'), whose aim is in general to introduce the Buddhist Faith of the New Kadampa Tradition publicly and in particular to exemplify Buddhist practice through service to the public.

To further the objects of the ITP, the charity continually emphasises the development throughout the world of:

(a) local Kadampa Buddhist Centres ('KBCs');

- (b) Kadampa Meditation Centres ('KMCs');
- (c) international Kadampa Buddhist Temples, dedicated to world peace;
- (d) International Retreat Centres ('IRCs');
- (e) publishing activities (under the name 'Tharpa Publications');
- (f) Kadampa Companies.

In furtherance of its aims, the charity also operates the residential Buddhist Centre 'Manjushri KMC'; produces Buddhist art prints and publishes printed, audio and e-books of Buddhist teachings, under the name 'Tharpa Publications'; holds annual Spring and Summer Festivals with Buddhist teachings and meditation retreats; and maintains a 'Kadampa Art Studio' and a 'Kadampa Internet' office, all at its Conishead Priory premises.

In support of the activities of the International Temples Project, the charity makes grants and interest-free loans to NKT-IKBU Centres around the world. Requests for grants and loans are considered by the trustees on an individual basis, and the financial forecasts for each project are closely examined to ensure viability. The charity takes a long-term view when supporting the development of International Temples Project activities, and makes financial provisions as necessary. When a grant or loan is made, the recipient Centre provides regular progress reports to the Secretary of the GSD of the charity, who then reports to the Weekly Meeting of the Education Council, and the charity's Finance Committee.

NEW KADAMPA TRADITION -INTERNATIONAL KADAMPA BUDDHIST UNION (REGISTERED NUMBER: 02758093)

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2018

OBJECTIVES AND ACTIVITIES Public benefit Identifiable benefits

In exercising their powers and duties, the trustees have due regard to the guidance on public benefit published by the Charity Commission. They believe that the work of the charity in promoting the Buddhist Faith has clearly identifiable public benefits.

The charity believes that there are three important public benefits to promoting the Buddhist Faith throughout the world: to help people to develop their wisdom, to cultivate a good heart, and to maintain a peaceful mind.

If as individuals we do not strive to develop our wisdom, we will always remain ignorant of the true nature of reality. Everyone wishes for happiness, but our ignorance of reality leads us to engage in non-virtuous actions, which in turn are the main cause of all our suffering. Further, if we do not cultivate a good heart towards others, then our selfish motivation destroys the harmony of our relationships with others. We then have no peace, and no chance to gain pure happiness. Without inner, mental peace, outer peace is impossible, both personally and throughout society.

Benefit to the public

The charity supports a world-wide membership of Buddhist Centres, all of which offer classes of instruction in Buddhist philosophy and meditation, bringing personal and social benefit.

These same programmes of study and meditation are directly offered by the charity at Manjushri Kadampa Meditation Centre, which functions at the charity's main premises at Conishead Priory. All classes are accessible to the public. Both 'drop-in' classes and more advanced courses of Buddhist instruction are offered. Some are offered free of charge, whilst modest fees are charged for others. A year-round programme of services of prayer and meditation is also offered; once again open to the public.

The charity's main premises at Conishead Priory, including the Kadampa World Peace Temple and 70 acres of woodlands and gardens, are freely open to the public daily throughout the year, providing a peaceful environment for anyone who wishes to enjoy it. Free 15-minute meditation sessions are offered twice-daily in the Temple, and on weekends visitors may also join the House and Temple Tour. The Café and Gift Shop continue to be popular with local people, course attendees, and visitors to the area alike. Manjushri KMC also regularly hosts visits from school and other community groups. All of these activities are staffed by volunteers from Conishead Priory's residential and local community, showing the example of Kadampa Buddhist practice through service to the public.

In addition, the charity funds and supports the establishment of traditional and non-traditional World Peace Temples, meditation and retreat Centres, World Peace Cafés, and Tharpa Publications throughout the world, all dedicated to the promotion of the Buddhist faith through service to the public.

Grantmaking

In general, grants and loans are made only to NKT-IKBU Centres that are incorporated and registered as charities within their own countries. Exceptions may be made in the case where Kadam Dharma is being newly establishing in a country where there has been no prior activity.

Volunteers

All aspects of the day to day functioning of Manjushri KMC, Conishead Priory, are run by members of the residential community together with volunteers from the extended community in the local area. The support of the community, as an expression of their service to the public, means that the charity can operate with relatively low staff numbers.

ACHIEVEMENT AND PERFORMANCE

Charitable activities International Festivals

In 2018 the Charity once again successfully hosted the annual NKT-IKBU International Spring and Summer Festivals at Conishead Priory and co-hosted the NKT-IKBU International Fall Festival in Portugal.

The International Spring Festival was held over a period of 5 days, and was attended by over 1,600 people, from 40 countries.

The International Summer Festival was held over a period of two weeks, and was attended by just under 3,600 people, from 54 countries.

The International Fall Festival was co-hosted with Deuachen Kadampa Meditation Centre, Portugal. The 6-day event was attended by 850 people from 33 countries and was held in the World Peace Temple in Sintra, Portugal.

Tharpa Publications

2018 highlights for Tharpa Publications include the publication in May of Mirror of Dharma by Venerable Geshe Kelsang Gyatso Rinpoche, with 9600 copies distributed in the first 10 months. In response to the ever-increasing demand for downloadable products, a series of e-book download cards were launched in 2018. Although previously available on Tharpa Publication's website, this development increases the public availability of these products through Tharpa shops. In 2018 Tharpa Publications also organised a very successful series of bookstore talks throughout the UK, promoting Venerable Geshe Kelsang Gyatso's book How to Transform your Life.

Manjushri Kadampa Meditation Centre (Manjushri KMC), Conishead Priory

Manjushri KMC continued to offer a full and varied spiritual programme of meditation retreats and courses, study programmes and prayer services throughout the year. Of particular note were the two annual 'empowerment' weekend courses taught by the Centre's Resident Teacher (who also serves as the General Spiritual Director of the NKT-IKBU). These two courses, in March and November, were attended by 350 and 500 people respectively. Three public talks were also held in the World Peace Temple, in February, June and September. More than 700 people attended the talks, mostly from the local area. Manjushri KMC also continues to offer regular meditation classes throughout the South Lakes area.

Day-visitors to Conishead Priory, including the Temple, grounds and World Peace Café, continue to increase each year, with over 22,750 day visitors to the Temple alone in 2018 (2017: 21,500). The Priory is open to the public seven days a week, with guided tours offered at weekends. The free twice-daily 15-minute meditation sessions are an established part of the public spiritual programme. These continue to increase in popularity, and over 10,300 people participated in the meditation sessions in 2018, up from 9000 in 2017.

We also welcomed around 2,000 children and young people, who came on group educational visits throughout the year, and a further 600 people who came on various other organised group visits.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2018

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Kadampa Art Studio at Conishead Priory had yet another busy year. Buddha statues and Buddha ornaments were produced for traditional and urban Temple developments, and for Kadampa Meditation Centres (KMCs) and International Kadampa Retreat Centres (IKRCs) throughout the world. The Studio has been particularly busy producing the Buddha statues and ornaments for the new Kadampa Temple for World Peace which is currently under construction at IKRC Grand Canyon in Arizona, USA, and which will be inaugurated at the 2019 International Fall Festival. In addition, statues and ornaments were produced for the following Centres:

- KMC Edinburgh, Nagarjuna KMC (Northampton), and KMC York in the UK;

- KMC Spain (Malaga centre), and KMC Metz (France), in Europe;

- KMC Austin (Texas), KMC Washington DC in the USA;

- KMC Capetown (South Africa); KMC Chile; KMC Rio (Brazil); KMC Brisbane (Australia) and KMC Tokyo in Japan.

FINANCIAL REVIEW

Financial review

Since 1 January 2011, the charity has followed financial guidelines set out in an internal guidance manual, called 'A Money Handbook'. These guidelines recognise that all charity income is designated as ITP funds, and as such provides the funding for all of the charity's activities.

The aims of the ITP are in general to introduce the Buddhist Faith of the New Kadampa Tradition publicly, and in particular to exemplify Buddhist practice through service to the public.

In December 2016 the Charity purchased a property in central Edinburgh to serve as home for KMC Edinburgh. With support from the International Temples Project in the form of interest-free loans, KMC Edinburgh completed the renovations and opened to the public in November 2018.

International Temples Project (ITP) funds were also made available in the form of interest-free loans to facilitate the rental and renovation of a new Kadampa Meditation Centre in Tokyo (Japan), and to assist with building improvements for Nordic KMC (Oslo, Norway).

As detailed above, the ITP funded the production of statues and other artwork in the Kadampa Art Studio for various other new city-centre Kadampa Meditation Centres and Temples around the world. Total grants raised for the Kadampa Art Studio in 2018 amounted to £262,631.

A total of £23,502 was also given in grants and £387,407 in interest-free loans in support of other ITP activities throughout the world.

Donations made to the Charity's International Temples Project Fund increased in 2018, totalling £3,016,574. The trustees consider that providing interest-free loans rather than grants benefits the recipient NKT-IKBU Centres in a number of ways. It provides safe funding for projects, and allows time for Centre activities to become established without undue financial pressure; but at the same time it also helps create an attitude of financial independence and responsibility in the recipients, and encourages an appreciation of the ITP through the recognition that repayment of the loan will ensure that funds are available for future ITP projects.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2018

FINANCIAL REVIEW

Principal funding sources

The principal funding sources for the charity in 2018 included the surplus from the NKT-IKBU International Spring and Summer Festivals held at Conishead Priory, and the surpluses from Tharpa Publications and Manjushri KMC.

The annual NKT-IKBU International Fall Festivals are not always hosted by the charity; whether or not to host these events is decided each year in dependence upon the resources and skills available to the NKT-IKBU in the country where the Festival is to be held.

Reserves policy

The ITP accounts are reviewed fortnightly to ensure that sufficient funds are available to cover current running costs, and that there is a minimum of £75,000 available to replenish the funds in the charity's daily running account (as set out in 'A Money Handbook'). The trustees are of the opinion that £750,000 is a comfortable level of free reserves in order to maintain the basic operations of the charity including required capital expenditure or servicing of any borrowing, and to provide some surety against adverse financial events, such as unbudgeted expenditure, or failure to achieve income targets. This level of reserve funds is reviewed annually by the trustees.

To ensure the Charity's ability to further its objects both in the UK and internationally, the Trustees have designated funds for the development and support of International Temples Project activities worldwide. The Trustees further consider reserves equal to 1 year's running costs and 3 years of building repair and maintenance costs a suitable level to protect the charity in case of adverse financial events. This is reviewed annually by the Trustees.

FUTURE PLANS

The Charity continues to offer material support for the international development of NKT-IKBU Buddhist Centres through its International Temples Project. These include, but are not limited to:

- Supporting KMC France to purchase a city centre property in Toulouse by providing an interest-free loan. This new city centre space will become the home of KMC Toulouse.

- Assisting KMC Stockholm to purchase a new city centre property.

- Building a traditional Kadampa World Peace Temple at the Charity's property near Malaga in Spain. In support of this development, additional accommodation was completed onsite in 2018. The Temple project is still in the planning stage and no date has been set for commencement of building works.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a company limited by guarantee, incorporated in 1992 and now operating under Memorandum and Articles of Association adopted in April 2007, when the organisation also adopted its present name (which is abbreviated to "NKT-IKBU" in this report).

In the event of the company being dissolved, each Member is required to contribute an amount not exceeding £10 towards the settlement of any outstanding debts, liabilities and costs.

The company is registered as a charity, and is established, organised and operated exclusively for religious purposes. There are four trustees, who are the Directors of the company. Two of the trustees are directly elected as such by the Members of the charity, and two are ex-officio posts. The ex-officio posts are occupied by the General and Deputy Spiritual Directors of the charity, who again are elected as such by the Members. An elected trustee's term of office is two years, with re-election possible.

The Members of the charity are (a) the sole Subscriber to the original 1992 Memorandum and Articles of the charity (namely Venerable Geshe Kelsang Gyatso); and (b) all incorporated NKT-IKBU Buddhist Centres throughout the world; and (c) all the Resident Teachers of unincorporated NKT-IKBU Buddhist Centres throughout the world.

The trustees make all the major decisions of the charity, and under their direction the central daily administrative tasks are carried out by a team of executive officers.

All trustees are already familiar with the practical work of the charity before their appointment, having undertaken similar duties within the charity or within a related organisation. Other present and former trustees are also available to help a new trustee with his or her responsibilities and duties.

All Member Centres of the NKT-IKBU are independent legal entities, bound together firstly by the common spiritual lineage called the "New Kadampa Tradition" of Buddhism, and secondly by membership of the charity. The General Spiritual Director ('GSD') of the NKT-IKBU is also the Spiritual Director of each Member Centre.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees of the charity meet regularly to review the major risks to which the charity is exposed, and they have established procedures to mitigate such risks.

NEW KADAMPA TRADITION -INTERNATIONAL KADAMPA BUDDHIST UNION (REGISTERED NUMBER: 02758093)

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2018

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of New Kadampa Tradition - International Kadampa Buddhist Union for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, RfM Preston Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by order of the board of trustees on and signed on its behalf by:

Ms H C Wright - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF NEW KADAMPA TRADITION -INTERNATIONAL KADAMPA BUDDHIST UNION (REGISTERED NUMBER: 02758093)

Opinion

We have audited the financial statements of New Kadampa Tradition - International Kadampa Buddhist Union (the 'charitable company') for the year ended 31 December 2018 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2018 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF NEW KADAMPA TRADITION -INTERNATIONAL KADAMPA BUDDHIST UNION (REGISTERED NUMBER: 02758093)

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value.

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 11 Financial Instruments paragraphs 11.41(b), 11.41(c), 11.41(e), 11.41(f), 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26, 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirement of Section 33 Related Party Disclosure paragraph 33.7.

Preparation of consolidated financial statements

In accordance with paragraph 19 of The Charities (Accounts and Reports) Regulations 2008, individually and in aggregate, each of the subsidiary undertakings are not material for the purposes of giving a true and fair view.

On this basis, the financial statements contain information about New Kadampa Tradition - International Kadampa Buddhist Union as an individual charity and do not contain consolidated financial information as the parent of a group.

CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Critical accounting judgements and key sources of estimation uncertainty made by trustees and management in preparing these financial statements which also have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year include:

- Depreciation and impairment of fixed assets
- Impairment provisions for concessionary loans made to centres

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES - continued

INCOME

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income received in advance of a festival, course, retreat or for provision of other specified service it is deferred until the criteria for income recognition are met.

Donated goods, services and facilities

Donated goods, professional services and facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised.

On receipt, donated goods, professional services and facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

EXPENDITURE

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Irrecoverable VAT

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Grants payable

Grants offered subject to conditions which have not been met at the statement of financial position date are noted as a commitment but not accrued as expenditure.

ALLOCATION AND APPORTIONMENT OF COSTS

Support costs that cannot be directly attributed to a specific activity are apportioned across all relevant activities on the basis of time spent on each activity by NKT administrative employees.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES - continued

TANGIBLE FIXED ASSETS

Tangible fixed assets are capitalised at cost. The costs of property repairs, replacement and maintenance are written off as they are incurred. The charity only capitalises items costing more than $\pounds 10,000$.

Depreciation is provided so as to write off the cost of fixed assets to their estimated residual values over their expected useful lives, as follows:

Freehold property	-	Land is not depreciated
		Listed buildings - Straight line over 350 years
		Non-listed buildings - Straight line over 80 years
		Other land and buildings - Straight line over 25-50 years
Long leasehold	-	Straight line over 80 years, or lease period if shorter
Fixtures and		
fittings	-	15% on reducing balance
Motor vehicles	-	15% on reducing balance

Depreciation is charged on a monthly basis from the calendar month following acquisition or on the bringing into use of the asset, whichever is the later. A full month is charged in the month of disposal.

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost less impairment.

Fixed assets and investments are subject to review for impairment when there is an indication of a reduction in their carrying value.

Any impairment is recognised in the year in which it occurs in the corresponding SOFA category.

STOCKS

Stock is included at the lower of cost or net realisable value after making due allowance for obsolete and slow moving items. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

TAXATION

The charity is exempt from corporation tax on its charitable activities.

FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

FOREIGN CURRENCIES

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

FINANCIAL INSTRUMENTS

Concessionary loans

The charity meets the definition of a Public Benefit Entity ("PBE") and applies the measurement provisions of FRS 102 paragraphs PBE34.90-92 to all its concessionary loans

Financial instruments

The charity has adopted Sections 11 and 12 of FRS 102 in respect of financial instruments that are not concessionary loans.

Financial assets

Basic financial assets, including trade and other receivables, cash and bank balances are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Such assets are subsequently carried at amortised cost using the effective interest method. At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in income or expenditure.

If there is decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in income or expenditure.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) despite having retained some significant risks and rewards of ownership, control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

Financial liabilities

Basic financial liabilities, including trade and other payables, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facilities as a pre-payment for liquidity services and amortised over the period of the facility to which it relates.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest.

Impairment

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES - continued

FINANCIAL INSTRUMENTS

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in income or expenditure.

If an impairment loss subsequently reverses, the carry amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in income or expenditure.
