# TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2018

The Trustees present their report and financial statements for the year ended 31 December 2018.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's Constitution, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

#### Objectives and activities

The objects of the charity, as detailed in the Trust Deed, are to promote, encourage and provide for and generally to organise secular and religious education in Israel in accordance with Jewish law and tradition, for those who are in need of resettlement, and to provide the necessary facilities and equipment to achieve these aims. The Trust operates through a Head Office and groups throughout the United Kingdom. Funds are raised through membership, activities and appeals.

The organisation contributes to the upkeep, maintenance, and in some cases running costs of its projects in Israel. The provision of therapeutic support is increasingly important for the well being of the children under its care as well as the provision of the more basic needs such as hot meals provided to children in High Schools who would not otherwise be able to afford to eat.

#### Public benefit

The Trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the Charity Commission's general guidance on public benefit, 'Charities and Public Benefit'.

The charitable purposes of British Emunah Fund are the advancement of education, the relief of poverty and the relief of those in need by reason of youth, financial hardship or other disadvantage. All of the activities that are undertaken by British Emunah Fund are for the advancement of these charitable purposes and are outlined above.

#### Volunteers

The charity is extremely fortunate to have many dedicated and hard-working volunteers, without whom the charity would not be able to carry out its many and varied activities. Some fundraising activities are led by volunteers, who in many cases plan, prepare and are actually involved in their implementation. It is impossible to attribute a true economic value to this unpaid voluntary contribution.

# TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2018

#### Achievements and performance

Our fundraising work this year once again continues in the tradition of the wonderful women who began the charity 85 years ago. Recognising the vital needs of vulnerable children, a group of remarkable women eighty five years ago decided that actions must speak louder than words. They showed their support for children whose lives had been devastated by the Holocaust in the most practical way. They raised money and they provided the basics – clothes, food, love and a safe place to live - with a dedication and passion that allowed them to achieve great things. In the following eight and a half decades, more incredible women – and men – have supported the cause and have responded to the changing needs of the Jewish State. Whenever Israel has faced war, terror attacks, waves of mass immigration and all manner of social welfare issues, British Emunah has been there to provide much needed support for disadvantaged children and families. Our wonderful Emunah Groups around the country have raised millions over the years and have been able to improve the lives of thousands of children. Our generous donors and supporters have played their vital role too and thousands of young lives have been transformed as a result.

This year saw the continuation of the appeal for a major refurbishment project at the Sarah Herzog Children's Centre in Afula. The Beit Rothschild building is the oldest on the Afula campus at nearly seventy years old and despite renovations over many years, it now needs to be completely reconfigured to bring it up to modern standards. This is a £350,000 project with the first NIS 500,000 of funding being matched by an Israeli organisation. The changes in Israeli government policy had resulted in fewer children being placed in all-residential children's homes, as younger children are first being placed with foster families. The Israeli Government subsequently changed policy again meaning younger children can again be placed in residential homes but demanding smaller age differentiated homes. Emunah in Israel is assessing the long term impact of this policy change and British Emunah is reviewing the situation regularly.

The Sarah Ronson Crisis Intervention Centre in Sderot continues to provide a vital resource for people across southern Israel who have been affected by rocket attacks in the area, many of whom are suffering from Post-Traumatic Stress Disorder. Discussions are underway about the expansion of the service, with support from the local Mayor of Sderot who highly values the services provided by the centre. There are currently waiting lists for all of the therapies and counselling services that the centre provides. A possible site for a newly enlarged centre had been identified but after some consideration was deemed unsuitable. An extension of the existing buildings was also considered but would be relatively small in size so a new further potential site has now been found with the support of the local council. Significant funds have been pledged towards this project but further fundraising is needed and work on this project's development continues.

In the UK our on-line Ebay shop, where donated goods can be sold to the world, has continued to operate with some success. This volunteer-led initiative generates significant proceeds from across the world, and has brought in volunteers who help with on-line listing, packaging and sourcing of goods. It is believed that the general climate of political uncertainty around Brexit has had an effect on eBay sales and donations more generally.

The Functions Committee organised a highly successful 85th Anniversary Gala Dinner at the London Marriott attended by 341 people and raised significant funds. The guest speaker was the award winning author and journalist Howard Jacobson and guests included the Chief Rabbi and Mrs Mirvis, His Excellency Mark Regev and Mrs Regev, World Emunah Vice-President Mrs Judy Cohen and World Emunah Director Shlomo Kessel. Musical entertainment was provided by the Emunah Choir.

The London Marathon this year once again saw a team of dedicated runners from Emunah. Each of our wonderful runners has put in months of hard physical training in order to ensure they could complete the 26.2 mile course in the Virgin London Marathon on Sunday 22 April, 2018.

This year we were also grateful for the efforts of our wonderful climbers who tackled a highly successful sponsored walk along the Great Wall of China which raised over £28,000. We held a summer luncheon, and arranged Bridge lunches which are now held twice a year. Another group of Mothers and Daughters spent a week in Israel visiting Emunah projects and seeing for themselves the work of Emunah.

# TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2018

The CHIC Committee (Caring Hearts for Israel's Children) has proved very successful organising two very well attended events and raising much needed funds to support the refurbishment of Beit Rothschild in the Sarah Herzog Children's Centre in Afdula.

Income from groups continues to be an important source of funds with many dedicated members working hard to organise events across the country. However income from the groups is declining on a year-on-year basis as the group members age and become less active and the nature of women's working patterns means that there are fewer women who have free time to volunteer in the way they did in the past. The charity recognises this and is working hard to find alternative income sources with more events being planned and run by Head Office.

The Charity's strategy for raising the required funds is:

- 1. Major fundraising functions
- 2. Contributions from groups, by way of their fundraising
- 3. Appeals at both Passover and New Year
- 4. Sundry smaller fundraising events
- 5. Legacies and Major Donor campaigns
- 6. The use of reserves set aside for the purpose

#### Financial review

The results for the year show that there were net outgoing resources of £56,860 (2017: £44,499). The total incoming resources for the year were £1,030,433 (2017: £1,041,606).

#### Reserves Policy

The Charity has an ongoing aspiration to contribute approximately £500,000 per annum towards its projects before any additional capital expenditure. It is therefore considered prudent in the current, particularly difficult, financial times to maintain 6 months' costs in a readily realisable form to be able to honour its obligations. At 31st December 2018, the unrestricted reserves amounted to £339,734 (2017: £413,062) and the restricted reserves amounted to £81,209 (2017: £64,741).

#### Plans for future periods

The Charity's plan for future periods is to maintain its commitment to its projects to the existing high standards and to supplement the many therapies that are vital to the rehabilitation of the abused and disadvantaged children in its care.

#### Structure, governance and management

The Trust Fund is governed by a Trust Deed dated 26th July 1950, amended and updated by resolution dated 19th June 2013, and the Charities Act 1993. The charity's name was amended to British Emunah Fund and the change has been approved by the Charities Commission.

Following the appointment of a full-time Director in 2009, the day to day running of the office is her main responsibility as well as her providing professional input into the charity's fundraising activities and strategic development. The Director works closely with the Chairman and the whole of the Core Group (a subcommittee of the Executive), meeting on a weekly basis. The full Executive meets quarterly and any recommendations regarding new capital projects or changes to existing projects are made to the Trustees for approval. Where possible, sub-committees are formed to organise fundraising activities and these committees report to the Chairman.

# TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2018

The Trustees who served during the year and up to the date of signature of the financial statements were:

Mrs. R Selby, Chair of Trustees

Mrs. M. Hirschfield Mrs. C Compton Lady E Sacks Mr. L Markham

Mr. L Shelley

(Appointed 31 March 2018)

### Appointment of Trustees, Induction and Training

New trustees are invited at the suggestion of existing trustees and are inducted and trained so that they fully understand the aims, objectives and the workings of the charity.

#### **Risk Policy**

Risks are classified under headings such as financial, premises, staffing and reputation. Risk assessments are carried out in order to ascertain the likelihood of a risk event occurring, of its potential impact, and whether any cost effective mitigating action may be taken. The major risks relating to these have been identified by the executive and trustees relying on professional advice where appropriate and they are reviewed on a regular basis. The organisation has in place adequate systems accompanied by proper insurance cover which are considered adequate to mitigate major risks.

The trustees' report was approved by the Trustees and signed on their behalf by:

Mrs. R. Selby Trustee

Dated: 9 October 2019

# STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2018

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF BRITISH EMUNAH FUND

#### Opinion

We have audited the financial statements of British Emunah Fund (the 'Charity') for the year ended 31 December 2018 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2018 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
   and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The Trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF BRITISH EMUNAH FUND

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of Trustees**

As explained more fully in the statement of trustees' responsibilities, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Other matter

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

This has been done in order for the financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2016.

# INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF BRITISH EMUNAH FUND

#### Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Landau Morley LLP

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

#### 1 Accounting policies

#### **Charity information**

British Emunah Fund is governed by a Trust Deed dated 26th July 1950, amended and updated by resolution dated 19th June 2013, and the Charities Act 2011. The charity's name was amended to British Emunah Fund and the change has been approved by the Charities Commission.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

#### 1.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2018

#### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and deprecation charges allocated on the portion of the asset's use.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities and Governance costs are costs incurred on the charity's educational operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Short-term leasehold property

Over the period of the lease 10% on written down value

Office equipment

25% straight line

Computer equipment

25% Straight line

Database

No depreciation

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

#### 1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

A subsidiary is an entity controlled by the Charity. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2018

#### 1 Accounting policies

(Continued)

#### 1.8 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### 1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### Basic financial assets

Basic financial assets, which include debtors and cash at bank balances.

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

#### 1,11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### 1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

# NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2018

#### 1 Accounting policies

(Continued)

#### 1.13 Consolidation

The wholly-owned trading subsidiary is a British Emunah Entertains Limited. No consolidated accounts have been prepared incorporating the results of this subsidiary undertaking. The trustees consider that the inclusion of the subsidiary undertaking's results is not material for the purposes of giving a true and fair view.

#### 1.14 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

#### 2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### 3 Donations and legacies
