This year was a special year for NEEDS Africa because we were able to visit the island nation of Dominica for the first time. In 2017 we sent aid to Dominica after it had suffered catastrophic damage due to Hurricane Maria and so this was a good opportunity for us to follow up on that and connect with the people on the ground who had been directly affected.

On the other hand, due to the unrest caused by the national election, we were unable to travel to Zimbabwe, however we were still able to continue to support the work that we have been a part of for the last three years.

Fund Raising

NEEDS Africa hosted our annual golf day in April which unfortunately did not have as many players as previous years but nonetheless was enjoyed by all who attended.

Special thanks and mention must go to Caron Lurrie who ran a sponsored 10 Mile Race in order to raise funds and awareness for NEEDS Africa

Leadership Training

Whilst in Dominica, Nigel Lurrie held 3 Leadership Development Seminars in 2 different locations for church and community leaders focusing on personal development and leadership skills.

Education

In 2018 NEEDS Africa continued to sponsored the fees of 20 primary and secondary school children through school. Sponsorship included school fees, stationery for all with some receiving uniforms and food allowances as well.

NEEDS Africa was also able to sponsor the now annual primary and a secondary school football tournaments held in the rural district of Chiwundura in the Midlands Province of Zimbabwe, for a number of rural schools providing meals for the teams and prizes for the winners.

Miscellaneous

- NEEDS Africa provided monetary support for the medical treatment of social worker in Zimbabwe
- NEEDS Africa made donations to Projects in Lesotho
