Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To build and subsequently manage a community centre for the benefit primarily of the inhabitants of Hurstbourne Tarrant but also of neighbouring areas without distinction of sex, sexual orientation, age, disability, nationality, race or political, religious or other opinions, including use for meetings, lectures and classes or other forms of recreation and leisure time occupation in the interests of social welfare and the object of improving the conditions of life for the said inhabitants.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In essence, the main activities undertaken by the charity between 1st July 2018 and 30th June 2019 were:

- Managing all financial and operational aspects of the Community Centre.
- Maintaining the high quality of the building and its facilities.
- Building on established links with local community organisations (parish council, school, church etc), and with other voluntary organisations, to foster increased local community cohesion and to bring 'outreach' services for the local community to the Centre.
- Delivering easy to use Centre booking systems and combining this with good customer services for every booking.
- Developing a wide range of mechanisms to enable users to feedback their experience in using the Centre, the booking process, the quality of customer services, ideas for improvement and so on.
- Promoting the Centre and regularly communicating the classes, regular activities and community events at the Centre via a wide range of media (web site, local Facebook site, direct e-mail, village notice boards, parish magazine, update reports to the parish council and so on).
- Continuing to foster further user/volunteer engagement and two-way communications – within the village and with wider stakeholders.

The trustees have had due regard to the guidance on public benefit in the running of the charity and in its planning and decision-making processes for the achievement of the charity's objectives.

(See also Section D below on main achievements during the year).

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

In summary, the main achievements of the Charity between 1st July 2018 and 30th June 2019 were:

- The Centre continued to be a thriving and highly popular community hub with income in line with budget and expenditure under target - and reserve funds set aside.
- Links with local community organisations (parish council, school, church, borough council etc) have been further strengthened so fostering increased local community cohesion.
- A well-attended 'Open Evening' was held on 19th October 2018, to report back to the local community (and associated stakeholders) on Year 3 performance and to encourage further feedback, ideas and suggestions about the future use of the Centre. As well as publicising the event widely, personal invitations to the event were delivered to every household in the parish as well as wider stakeholders.
- Information about all activities and community events at the Centre were published regularly via a wide range of media (web site, Facebook, direct e-mail, village notice boards, parish magazine, etc)
- Some 430 regular sessions, private and village events were held at the Centre in 2018/19. Regular sessions included e.g. fitness classes, including new older adult exercise classes, Scouts, Cubs & Beavers sessions, After School Club, Children's Story Telling & Movement sessions, the 'Swifts' Social & Support Group, Table Tennis sessions, Messy Church sessions, local Historical Society meetings, Parish Council Meetings, and PCC Meetings. Private events included e.g. children's parties, occasion parties, wedding receptions, christening parties, wakes, workshops & meetings, local Primary School events, and charity fundraising events. Eleven major village events took place, with the help of many volunteers from the local community.
- In total, 16,265 people used the Centre in 2018/19 – a 4% increase on year 3. Of these, 63% were local users (residents of the Parish) and 37% were users from neighbouring areas.
- 57% repeat business was achieved this year with 43% 'new business' – a healthy balance moving forwards.
- User feedback is that the quality of the building and the facilities at the Centre, its cleanliness, the ease of booking, and our associated customer services are rated as excellent.
- A planned maintenance schedule is in place to ensure that the high quality of the building and its facilities are maintained.
- The Centre's management structure continues to operate successfully, with clearly defined responsibilities to ensure that each of the operational management roles are carried out effectively. The key roles are:

Financial management	Communications & marketing
Booking management	Business administration
Building maintenance	Health & safety.
- Our action plan to foster further volunteer engagement in supporting the operation of the Centre is continuing to pay dividends.
- The achievements of the Charity are in turn supporting the local economy – through additional business for local catering suppliers, children's entertainers, accommodation providers and taxi firms resulting from event bookings at the Centre.

Section E

Financial review

Brief statement of the charity's policy on reserves

In accordance with our Reserves Policy, the trustees have set aside reserves to cover any unforeseen expenditure on maintaining or modifying the fabric of the building, unusually high operating costs and/or the risk of suffering significant unforeseen loss of income. The trustees review the current level of reserves whenever priorities are reassessed, and when updating the financial plan for the charity.

Details of any funds materially in deficit

None.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act have not been met ; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
