ALLERTON BYWATER COMMUNITY PARTNERSHIP

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST AUGUST 2017

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st August 2017. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The stated function of the Charity is:

"The promotion for the public benefit of urban or rural regeneration and of economic, social, and environmental welfare in areas of economic and social deprivation (in particular in the parish and village of Allerton Bywater)".

Public benefit

In accordance with their duties pursuant to Section 4 Charities Act 2011, the Trustees have considered the Charity's objects and activities in light of the Charity Commission's general guidance on public benefit. 'Charities and Public Benefit'.

In relation to the first limb of the public benefit test set out in the guidance, the objects are defined in the Memorandum of Association and the Trustees are satisfied that each of these is of benefit to the public. The Objects emphasise the promotion of economic, social and environmental welfare, in particular for the village of Allerton Bywater, which is evidenced through the running of the facilities at "The Old School" which clearly provide support to those in need within the local community.

In relation to the second limb of the test, the trustees ensure that the public at large benefit from the activities of the charity and that there is no private benefit, incidental or otherwise. By the nature of the activities performed the trustees do not enjoy any benefit, incidental or otherwise, from their position. As a result of being able to operate the ABC Daycare and O-Zone Out of School Club the public at large benefit from the charitable activities.

The child care facilities are available to all local families, and all reasonable steps are taken to ensure all parents are able to access these facilities. The charity does not discriminate against anyone on the grounds of the ability to pay and guidance is provided on available child care vouchers and tax credits. The trustees regularly keep the activities of the Charity under review, to ensure that they are of sufficient benefit to the public.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST AUGUST 2017

ACHIEVEMENT AND PERFORMANCE

Management

The Nursery Manager is responsible for the management, development and improvement of the childcare facility.

The management of the buildings, day to day financial management and future development of the partnership is the responsibility of the part-time Partnership Manager.

The Board of Trustees play a central role in developing the policies and procedures of the Partnership, with individual board members providing support and advice to the Nursery Management Team.

Finances

The Partnership relocated its childcare provision to a new purpose-built Nursery Annexe in 2011, thereby releasing itself from the building running costs of the main building. It has continued to consolidate its financial position through lower building running costs, keeping under review operating costs including staffing requirements, and benchmarking its childcare fees. Cash collection has seen a dramatic improvement through the appointment of a part-time Administration Assistant to prepare invoices and reduce arrears.

Partnership Developments

The Partnership has continued to develop the relationship with its principal community partner the Brigshaw Co-operative Trust. The creation of the Nursery Annexe Building released space in the main building with the following benefits:-

- increased occupancy and use of the building by the Trust as the principal tenant, who now contribute the major part of the building running costs
- ability to accommodate a wider range of community groups and activities

The Trust deliver a wide range of children and family services and hold a number of community events, increasing the community role of the building.

The Assembly Hall provides a large community space able to accommodate a wide variety of private and community events. The area of the building formerly occupied by the Public Library now operates as a Training and Conference Centre and provides occasional additional community space.

The building hosts a number of community groups and has the ability to provide a venue for other organisations, public meetings, community events, holiday clubs, parties, etc.

ABC Children's Day Care and O-Zone Out of School Club

The Partnership over the past year has concentrated its efforts on addressing the issues of sustainability and driving forward the standards achieved at the previous 'Ofsted' inspection.

Due to the voluntary and part-time nature of the Board membership, and the increased demands placed upon it as the nursery grows, the Board recognised that it was unable to provide the level of management support required to ensure that these objectives are achieved. A transfer of the provision under a TUPE arrangement was investigated as a potential solution to the problem without success. The Board are currently exploring a number of avenues in seeking to provide additional resources to support the nursery management team and to ensure the long term sustainability of the nursery.

The childcare facility continues to prove extremely popular both in terms of the purpose-built environment and the quality and commitment of the staff. Numbers continue to increase, necessitating the introduction of waiting lists for the various rooms.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST AUGUST 2017

ACHIEVEMENT AND PERFORMANCE

Management

Parent consultation sessions are held twice a year and an Annual Parents Questionnaire has delivered exceptionally positive feedback and fresh ideas leading to a number of fundraising events for specific items of equipment.

We must again thank Leeds City Council's Early Years Department for their continued support.

Staff Training Reviews are ongoing and any necessary training requirements identified are implemented as soon as possible. Staff representatives attend Board meetings as a means of improving communications.

FINANCIAL REVIEW

Financial position

The accounts have been prepared in accordance with Sections 495 & 496 of the Companies Act 2006 relating to small companies and comply with the Statement of Recommended Practice on Accounting by Charities. The movement in funds is shown on the Statement of Financial Activities, see page 9.

The financial results of the charity are shown in the annexed financial statements.

The Trustees consider that, at the date of this report, the financial position of the Charity was acceptable.

A deficit of £12,475 was recorded in the year although if restricted costs of £8,570 (depreciation of the Childcare Unit Building) are excluded the deficit was more modest at £3,905.

Investment policy and objectives

The trustees have considered the most appropriate policy for the investment of funds and have decided that, given the sometimes significant demand on working capital, investment in the form of cash is the most appropriate policy.

Reserves policy

The reserves of the charity are composed of restricted and unrestricted funds. These funds are maintained at a sufficient level in order to allow the smooth operation of the charity's activities.

Unrestricted Reserves

The Trustees have set a target to establish a modest financial reserve of unrestricted funds equivalent to 3 months' total expenditure to cater for possible future contingencies; this would amount to £81,000. At the balance sheet date the level of actual liquid unrestricted funds were £26,944. The Trustees are working hard to identify sources of funding and reviewing the internal operations of the charity in order to increase reserves.

Restricted Reserves

The composition and detailed movement of restricted reserves is shown in note 13 to the accounts. At the balance sheet date the majority of restricted fund assets were held in the form of cash in bank accounts or funding due. The current level of restricted funds, and the ongoing funding arrangements relating to those funds, is sufficient to maintain and complete the specific projects.

ALLERTON BYWATER COMMUNITY PARTNERSHIP

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST AUGUST 2017

FUTURE PLANS

The Partnership remains committed to the continued success of the nursery provision in addressing the issues of management support and long term sustainability.

In conjunction with its community partners, the Partnership intend to continue to explore and develop the range of community activities and services delivered from the site, maximise its use and enable it to become a centre for community activity in the area.

There is a rolling programme of improving the external areas including the children's play areas and general landscaping works, subject to available funding. The aim is to make the site more attractive and suitable for a range of outdoor community events and activities.

These developments will enable the Partnership to address its original aims and objectives, previously unachievable due to restrictions on space and finances.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The legal status of Allerton Bywater Community Partnership is that of a company limited by guarantee established in 2003 and a registered charity. As such it was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the Company being wound up members are required to contribute an amount not exceeding £10.

Recruitment and appointment of new trustees

The articles of association state that the number of Trustees shall not be less than three but shall not be subject to any maximum. In accordance with the articles of association one third of the trustees will retire, and offer themselves for re-election, at the next annual general meeting.

Induction and training of new trustees

An induction pack is provided for all Trustees which contains comprehensive information on the charity, the rules of conduct and duties of a Trustee, job specifications and other essential information. In addition details of relevant training courses are regularly circulated for Trustees to attend if they wish.

Key management remuneration

The key management personnel of the charity was represented by the Board of Trustees. The trustees received no remuneration for their time.

Risk management

The Trustees are in the process of adopting a risk management policy in order that the major strategic, business and operational risks which the charity faces are examined and systems established to enable regular reports to be produced so that the necessary steps can be taken to lessen those risks.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by order of the board of trustees on 4th January 2018 and signed on its behalf by:

Mrs C Leonard - Trustee

In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST AUGUST 2017

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements are prepared on a going concern basis. The working capital of the charity is provided by the funds available in the charity's bank account. As with many voluntary organisations the charity is dependent upon renewing and securing new funding sources to replace current short term grants as well as short term agreements with parents for childcare arrangements. The trustees consider that, based on available information for future funding and projected capacity of Daycare and Childcare Unit, the charity will continue to be able to operate within available facilities for a period of not less than 12 months from the date of approval of the financial statements. Accordingly the financial statements are prepared on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Fixed assets

Fixed assets are stated at cost less depreciation. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value, of the assets over their expected useful lives, as follows:-

- Fixtures, fittings & office equipment 20% p.a. (straight line)
- Leasehold improvements Over the period of the relevant lease

Fund accounting

Monies earmarked by donors or by the terms of an appeal for particular projects are accounted for separately, in Restricted Funds. The notes to the accounts show the movements and balances on any such restricted funds. Unrestricted funds may be spent on any legitimate charitable aim as laid down in the Charity's memorandum of association.

The Charity's main sources of income are grants that, by their nature, are neither regular nor permanent. The Charity, therefore, aims to maintain sufficient funds in working capital to cover any shortfall caused by a particular grant coming to an end and to enable its operations to continue at normal levels.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
