THE HARRIS CHARITY

TRUSTEES' REPORT

FOR THE YEAR ENDED 5 APRIL 2019

The Trustees present their report and financial statements of the charity for the year ended 5 April 2019. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

Constitution, objectives and activities for the public benefit

The charity, which was originally known as "The Harris Orphanage" regulated by a scheme of the High Court of Justice of 23 January 1883, was re-organised in 1985 following the disposal of the Harris Orphanage premises in Garstang Road, Preston, to the Lancashire Polytechnic (now renamed University of Central Lancashire).

The proceeds of sale together with previously held investments have resulted in a substantial endowment which has been invested for the future benefit of young people under the age of twenty-five years resident in the County of Lancashire, with preference given to persons living in the City of Preston (formerly the Borough of Preston).

The Harris Charity is a registered charity governed by a scheme of arrangement dated 8 August 1985 approved by the Charity Commissioners. The Trustees' powers of investment are determined by the Trustee Act 2000.

Financial assistance is given to relieve hardship or distress, for promoting training and education and to assist in the provision of facilities for recreation and leisure activities.

The trustees generally meet on a quarterly basis to address the business of the charity. The secretary handles the day to day running of the charity from the registered office.

Trustees and appointment of new trustees

The trustees who have served during the year and since the year end are set out on page 1 and are appointed in accordance with the trust scheme.

Trustees are appointed for five years by resolution of the body of trustees passed at a special meeting of which not less than twenty-one days' notice has been given. The trustees look to appoint new trustees with expertise and knowledge and who have an involvement with the care of children and activities for which grants are sought. Any Trustee who is absent from all meetings of the trustees during a period of two consecutive years is considered to have determined their trusteeship.

The trustees regret to announce the retirement of Mrs A Scott on 23 August 2018 and thank her for her many years of service to the charity.

The trustees, Mr P R Metcalf and Mr T J Scott were re-elected during the year.

THE HARRIS CHARITY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2019

Investment policy

An Investment Sub-Committee meets quarterly to review the investment portfolio of the charity and to discuss any proposals made by the investment advisers, Brown Shipley.

The Trustees have notified Brown Shipley that they require the investments held to generate income overall of at least £120,000 per annum, accepting a moderate level of risk. The Brown Shipley Balanced mandate and the WMA Balanced mandate are used to evaluate the performance and guide the asset allocation of the investment portfolio. Investments are avoided where their products are harmful to children and young people who the charity serves. The policy is to generate income for the making of grants while maintaining capital growth to protect the value of the investments in real terms.

Grant-making policy

The charity invites applications from individuals under the age of 25 years and organisations which support persons under the age of 25 years, twice yearly in March and September. Applicants are invited to submit a summary of their proposals on a specific form. The Trustees peruse each application and grants are awarded at their discretion. Each applicant is informed as to whether or not a grant has been awarded and if successful is asked to provide the Trustees with the relevant documents/invoices in order that funds may be released.

Public benefit

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant-making policy for the year. Financial assistance is given to relieve hardship or distress, for promoting training and education and to assist in the provision of facilities for recreation and leisure activities for those under the age of twenty five years resident in the county of Lancashire, with preference given to persons living in the city of Preston. An analysis of the assistance provided is shown in note 4 on page 12.

Review of activities – achievements and performance

During the year 27 grants (2018:24) have been made by the charity totalling £40,489 (2018:£51,130). Grants amounting to £20,483 (2018:£27,022) had been approved but not paid at the year end. Irrecoverable loans to applicants totalling £1,300 were written off during the year (2018:£Nil).

The Harris Charity continues to explore ways to provide help to young people in the Lancashire area who are living in challenged circumstances. It works closely with two local charities, Preston Relief in Need and Guild Initiative for Furniture Trust (Gift 92) in supporting young people and families setting up home.

During the year the website has been updated to provide more information to visitors about the charity's history, aims and the scope of help it is able to offer as well as providing easier access with online grant application facilities.

Financial review

The Statement of Financial Activities (SOFA) for the period is set out on page 6.

The charity's income during the year amounted to £137,442 (2018:£165,937).

Resources expended during the year amounted to £85,723 (2018:£93,620). Grants payable during the year totalled £40,489 (2018:£51,130). The overall result was an increase in the value of the unrestricted fund of £74,679 (2018:increase of £95,591) to £422,901 (2018:£348,222) at 5 April 2019.

During the year the value of the endowment fund increased by £74,502 (2018:decrease of £18,304) to £3,900,337 (2018:£3,825,835) at 5 April 2019. This occurred as a result of realised gains of £219 (2018:losses of £15,385) and unrealised gains of £97,243 (2018:£20,355) and after deducting investment management costs of £22,960 (2018:£23,274).

THE HARRIS CHARITY
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 5 APRIL 2019

Future plans

The charity intends to continue with its current investment, management and grant awarding policies.

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are free reserves of the charity, at a level that provides sufficient funds to cover grants payable and administration costs and to respond to emergency applications for grants which arise from time to time. The endowment fund is invested in order to generate the income necessary to provide for the grants that are awarded.

Risk management

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities Statement of Recommended Practice 2015 (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees on 22 August 2019 and signed on its behalf:

E J Booth CBE DL LLD
Chairman of the Board of Trustees

THE HARRIS CHARITY
INDEPENDENT EXAMINER'S REPORT TO THE
TRUSTEES OF THE HARRIS CHARITY

I report to the trustees on my examination of the accounts of The Harris Charity for the year ended 5 April 2019 set out on pages 6 to 17.

Responsibilities and basis of report

As the charity trustees of The Harris Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Trustee's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 Accounting records were not kept in respect of the Harris Charity as required by section 130 of the Act;
 or
- 2 The accounts do not accord with those records; or
- 3 The accounts do not comply with the applicable requirements concerning the form and content of
 accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement
 that the accounts give a 'true and fair view' which is not a matter considered as part of an independent
 examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE HARRIS CHARITY
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 5 APRIL 2019

1 Accounting policies

Basis of preparation

The Harris Charity is a charity registered in England and Wales. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are set out on page 2 of the trustees report.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

In law, unincorporated charities are required to prepare their accounts in accordance with the Charities (Accounts and Reports) Regulations 2008, which are based on the Charities SORP 2005. However, this has been withdrawn, and replaced with The Charities SORP (FRS 102) but as yet the Charities (Accounts and Reports) Regulations 2008 have not been updated to be based on The Charities SORP (FRS 102). In order to show a true and fair view the accounts have departed from the Charities (Accounts and reports) Regulations 2008, and are prepared in accordance with The Charities SORP (FRS 102), as this is now U.K. Generally Accepted Accounting Practice.

The charity has taken advantage of the exemption available from preparing a cash flow statement in accordance with the Charities SORP as a small charity.

The trustees have at the time of approving the financial statements, a reasonable expectation that the charity has adequate resources to continue in operation for the foreseeable future. They continue to adopt the going concern basis of accounting in preparing these financial statements.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in Sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Income recognition

All income is recognised once the charity has entitlement to receipt and it is probable that the income will be received and the amount of income receivable can be measured reliably. All income is included in the Statement of Financial Activities.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds then the income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

THE HARRIS CHARITY
NOTES TO THE ACCOUNTS (CONTINUED)
FOR THE YEAR ENDED 5 APRIL 2019

1 Accounting policies (continued)

The entitlement to legacies is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably, and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate and the criteria for income recognition has not been met, then the legacy is treated as a contingent asset and disclosed if material. Where a gift is in the form of an asset other than cash or a financial asset traded on an acknowledged stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

Investment income is recognised in the period in which the charity is entitled to receipt.

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been allocated to the fund to which it relates. Expenditure is recognised where there is a legal or constructive obligation to make payment, it is probable that settlement will be required and the amount of the obligation can be measured reliably. The charity is not registered for VAT, consequently, input VAT incurred is charged against the expenditure heading to which it relates.

Grants approved are only accounted for when they are paid. Grants which have been awarded but not paid at the year end are noted as a commitment.

Allocation of support and governance costs

Support costs are those costs incurred that assist the work of the charity but do not directly represent charitable activities. They are in sustained support of expenditure on the objects of the charity.

Governance costs are those costs relating to the public accountability of the charity and its compliance with regulations and good charity practices. The trustees have decided that all such costs be met from unrestricted funds.

Investments

Investments are initially recognised at their transaction value and subsequently measured at their fair value at the balance sheet date using the closing quoted mid market price as quoted on the London Stock Exchange and, in the case of foreign investments, on their respective stock exchanges.

Financial instruments

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Basic financial assets

Basic financial assets, which include loans, debtors and cash and bank balances, are measured at transaction price including transaction costs.

Other financial assets

All the charity's financial assets fall to be classed as basic financial assets and the charity therefore has no other financial assets.

THE HARRIS CHARITY
NOTES TO THE ACCOUNTS (CONTINUED)
FOR THE YEAR ENDED 5 APRIL 2019

1 Accounting policies (continued)

Impairment of financial assets

Financial assets, other than those held at fair value through statement of financial activities, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the statement of financial activities.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into.

Basic financial liabilities

Basic financial liabilities, including creditors, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Other financial liabilities

All the charity's financial liabilities fall to be classed as basic financial liabilities and the charity therefore has no other financial liabilities.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between cost, if acquired during the year, their fair value at the previous year end and their fair value at the current year end.

THE HARRIS CHARITY

NOTES TO THE ACCOUNTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2019

1 Accounting policies (continued)

Unrestricted fund

The unrestricted fund is a fund which is available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which has not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The charity currently has no designated funds.

Endowment fund

The endowment fund is a fund representing those assets which must be held permanently by the charity, principally investments. Income arising on the endowment fund can be used in accordance with the objects of the charity and is included as unrestricted income. Any capital gains or losses arising on the investments form part of the fund.

11 Analysis of charitable funds

The unrestricted fund is available for use at the direction of the trustees in furtherance of the general objectives of the charity and which has not been designated for other purposes.

The investment fund is a restricted fund established from previously owned investments together with the proceeds from the disposal of the Harris Orphanage premises in 1985. The fund is kept as a permanent endowment with investments being held for their capital appreciation and also to generate revenue for the unrestricted fund.
