Anglo-French Medical Society

Report of the Trustees for the Year Ended 30th June 2019

The trustees present their report with the financial statements of the charity for the year ended 30th June 2019. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Financial review

Statement of Accounts

The accounts for the year ended 30 June 2019 have been prepared and have been sent to our accountant, Mr of James Scott of Hardings Accountants, Newcastle-under-Lyme. The accounts will be circulated to the committee for agreement on their return before submission to the Charities Commission.

The financial situation remains static with poor return on capital. With the lack of movement in the Bank of England base rate, there is little scope for optimism for return on our savings.

After the expenses and receipts for our conferences in Lille, Manchester and Cardiff have been allocated to the appropriate year, our cash flow for the past year showed an inflow of £3,253 (last year: inflow of £5,282).

At year end, our total bank interest was £50, the majority being from our online Savings Accounts with Barclays Bank. Total bank charges for the year were £315.

Our overall net worth at year end was £107,088 (last year £103,859).

Our net income was £3,229 (last year £3,257).

These figures are after crediting the generous grants of £4,250 from the James Tudor Foundation which offsets the costs of some of the student attendances participation and also provides for a prize for the best student presentation, as well as £500 honorarium for the lecturer and an additional £250 to cover expenses for the James Tudor lecturer to attend the meeting.

Thanks are offered to all those who organised and ran all these meetings.

We have so far this year spent £2,300 on student grants and prizes.

We have not yet claimed the Gift Aid tax refund. We are still in the process of transitioning between treasurers and hope to reclaim this in retrospect. Thanks to our Membership secretary and Mr Tony Ridge, many members have taken up this route of payment of their annual subscription. I would urge any members who have not so far completed a Gift Aid form to strongly consider doing so.

Meetings

Thanks are due to Dr Zara Bieler for organising the Medical French course which was a great success in Lille. We also thank Dr Mark Cottrill for the Chamonix meeting and for his help with organisation of the Cardiff meeting. Thanks are also given to Mr Tony Ridge, our Administrative Secretary, for supervising and organising much of these arrangements and for all he does for us throughout the year.

Sources of income

As mentioned in the opening paragraph, the main sources of the Society's income are from subscriptions, aided by the income from our various conferences and the interest received from our bank accounts.

Members of the society, along with well wishers might consider adding a small bequest to the society in their wills.

Student grants

In addition to the grants mentioned above we sponsored several students and subsidised junior doctors to attend the Lille Conference and to present their papers. We are grateful to the James Tudor Foundation in supporting this.

Accountants

The Society has again benefitted greatly from the help given by Mr James Scott of Hardings Accountants in Newcastle-under-Lyme in his professional guidance in our financial affairs. I should like to express to him the Society's appreciation and thanks.

**Independent Examiner's Report to the Trustees of
Anglo-French Medical Society**

Independent examiner's report to the trustees of Anglo-French Medical Society

I report to the charity trustees on my examination of the accounts of the Anglo-French Medical Society (the Trust) for the year ended 30th June 2019.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 30th June 2019

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures, fittings & equipment	- 25% on cost
--------------------------------	---------------

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
