**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2019**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2019. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The company's objects are specifically restricted to the following:

1. To promote and provide an arts exhibition centre and community centre primarily but not exclusively for the benefit of the inhabitants of the London Borough of Lambeth, the inhabitants of London generally and both national and international audiences, without distinction of sex or of political, religious or other opinions, by associating the local authorities, voluntary or organisations and the inhabitants in a common effort to advance arts education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants.
2. To promote the advancement of education for the public benefit, particularly in relation to the arts and particularly with young people.
3. The relief of unemployment for the benefit of the public in such ways as may be thought fit, including assistance to find employment.

Equal Opportunities

In the furtherance of the Objects the Company shall at all times actively promote and take into consideration the principles of equality of opportunity

Volunteers

The Charity is supported by a large number of volunteers and the trustees would like to acknowledge their contribution to the continued success of the Charity.

There is a Volunteering Policy in place that underpins the way the Charity works with volunteers and details the benefits of volunteering for both the individual and the Charity.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the past year 198 Contemporary Arts and Learning has continued to pursue its charitable objectives by delivering projects within the scope of our charitable objectives of arts, education and enterprise. This year we began a four year programme of artistic activities as an Arts Council England national portfolio organisation. This programme has included retrospective exhibitions by Paul Dash and Jon Daniel as well as collaborations with Afropunk and Suzie Wong Presents, with whom we collaborated at 1-54 Contemporary African Art Fair as a specially invited project. 198 also undertook four events at Tate Modern, as an Associate partner of Tate Exchange, working with guest curators, artists and guests to deliver a programme based on the theme of Movement. Our education and enterprise work has focused on supporting a cohort of young people aged 18-25 who are interested in developing careers and in the creative and cultural industries. They have been provided with mentoring, masterclasses, work experience, showcasing opportunities and more as part of our Factory programme. 198 has also continued to work with local communities, offering space for hire where possible and delivering social activities such as Tai Chi and arts and crafts. Throughout the year we have continued to work on the re-development of our building, making further applications to diverse sources to match the funding secured from The Mayors Good Growth Fund in the previous financial year and undertaking additional business planning to further refine the vision and strategy for the new building.

FINANCIAL REVIEW

Financial position

The Trustees are satisfied with the performance of the charity for the year under review. The surplus for the year was £37,460 (2018 - 26,086) and reserves of £394,817 (2018 - £357,357).

FINANCIAL REVIEW

Reserves policy

The trustees have adopted the Charity Commission's guidance in setting a reserve policy which is based on realistic assessments of the needs for the Charity to hold reserves.

This policy takes into account the needs of the Charity to plan for contingencies and to protect both its staff and its clients from any unforeseen adverse circumstances.

The trustees are aiming to accumulate and maintain a general reserve broadly equivalent to three months operating expenditure.

FUTURE PLANS

Our key focus over the next twelve months will be to secure the remainder of the match funding for the 198 building re-development so that we can commence the re-development in late 2019. This will enable us to complete the new building in mid-2020 as agreed with the GLA. In parallel to this we will be doing further work on the detailed operational planning for the new building with support from peer mentors provided by one of the primary funders, the Community Business Fund. We will also continue to fundraise for new project work to commence in the new building including work in education and youth enterprise. We will build on our achievements from the first year as a member of Arts Council England's National Portfolio. We have exciting projects planned including a film commission which will document the artistic practice of artist Denzil Forrester, who first showed his work at 198 in 1989. We will also be working on an exhibition of the archive of punk pioneer and Brixton resident Poly Styrene with a full programme of events over one weekend involving upcoming musicians and artists. We will be collaborating with Photofusion, our consortium partner for the ACE National Portfolio on a dual site exhibition of the work of photographer Neil Kenlock, who documented the British Black Panther movement in the 1970's. A Youth Summer programme, symposium and other related events will also be programmed to coincide with the exhibition. Alongside this we will be developing new events for Tate Exchange. These include All Rise for the Planet, a collaboration with climate litigation charity Plan B and others involved in the environmental movement and Dale Farm; The Eviction in partnership with Oblique Arts and Traveller Art Performance. This project continues our ongoing support of the Gypsy, Roma, and Traveller community.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Organisational structure

198 Contemporary Arts and Learning Limited has eleven trustees who are responsible for the strategic direction and policy of the Charity.

A scheme of delegation is in place and day to day responsibility for the delivery of services rest with the Gallery Director and the staff team. The Trustees are responsible for ensuring that the Charity delivers the services negotiated and agreed and that quality standards are maintained.

Key management remuneration

The Gallery Director is the most senior employee with the Charity and the requisite remuneration falls within the range of £30,000 - £40,000 per annum.

Related parties

During the year Clarence Thompson MBE a trustee, was also a trustee of another charity that ceased all activities in the UK. The trustees of the defunct charity obtained permission from Charity Commission that the total funds held in the bank for £18,422.62 less expenses should be donated to a nominated charity and it was agreed to make that donation to 198 Contemporary Arts & Learning Limited. The net proceed donated was £14,369.24.
