## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The charity is in place to benefit the residents and youth of Slough. The Light UK provide a bespoke and tailored service by trained staff to support Vulnerable children and adults in the community whilst helping them to develop their independence, cognitive skills and life skills. Vulnerability is stipulated but not limited to as members of the community involved in gangs, drugs and alcohol, CSE or SE, and Special Educational Needs and Disabilities.

Furthermore we target young 'hard to reach individuals who are NEET, and help them to attain qualifications and other experience in order to

reach their goals and ambitions.

To provide facilities which are in the best interest of Social Welfare, recreation and leisure.

The main activities which we provide for the community are as follows:

Respite care – We provide respite support to children and adults, accessing facilities in the local community. This includes shopping centres, community centres, libraries, parks, activity centres and other social environments.

Mentoring – We offer 1:1 support to young people and adults who need guidance on developing their skills and progressing in life. The progression could be something as small as being mentored to buying products from a supermarket confidently to attending a job interview and dealing with questions.

Furthermore we work directly with children in care and at home who have refused to go to school. Our mentors encourage them and help them to understand the importance of school and the education system.

Workshops – The Light UK carry out workshops in local community centres for the whole community. The workshops focus on topics such as Drugs & Alcohol, CSE, Honour based violence, gangs and general employment workshops. These workshops have been very successful and have allowed us to educate the community as well as guide and support those individuals in need.

Sports – The Light UK carry out up to 3 sporting activities in week engaging 8 – 25 year olds from across Berkshire. The objectives of the sessions are to provide the young people with an activity, mentor them and also allow them to positively integrate with other young people and adults within the community.

International work – The Light UK and its volunteers work abroad by supporting those in poverty. Last year we targeted different countries in Asia, the middle east and Europe where we sent volunteers to work with the homeless by providing food and temporary shelter. Majority of these trips take place for up to 7 days. These are classed as spontaneous visits and we hope to continue these to support people who are struggling and require support.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**
