INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DATUM FOUNDATION

Independent Examiner's Report to the Trustees of Datum Foundation Ltd

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2018, which are set out on pages 6 to 11.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. STATUTORY INFORMATION

Datum Foundation is a private company, limited by guarantee, registered in England and Wales. The company's registered number and registered office address can be found on Page 1.

2. STATEMENT OF COMPLIANCE

The financial statements have been prepared in compliance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006 as they apply to the financial statements of the company for the year ended 31 December 2018.

3. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historic cost convention.

The financial statements are presented in sterling (£) which is also the functional currency of the company.

The company meets the definition of a public benefit entity under FRS 102.

Income recognition policies

Incomes recognised are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

Allocation of support costs

Charitable expenditure includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. They also include those costs associated with meeting the constitutional and statutory requirements of the charity and include the costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of financial Activities on a basis designed to reflect the use of the resource.

Debtors

Other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

3. ACCOUNTING POLICIES (continued)

Cash at bank

Cash at bank comprises balances held in various instant access bank accounts and represents highly liquid funds.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

Financial instruments

The charity has only financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

During the year there were no fixed assets.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charitable company. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Going concern

The financial statements have been prepared on a going concern basis as the directors believe that no material uncertainties exist. The directors have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements and are satisfied that the charity will be able to continue as a going concern.

Volunteers and donated services and facilities

Where services are provided to the charity as a donation that would normally be purchased from our suppliers, this contribution is included in the financial statements at an estimate based on the value of the contribution to the charity.

Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions can, therefore, potentially be different from the related actual results.

In the opinion of the directors, there is no specific key judgements or areas of estimates to disclose.
