#### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### **Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

#### **OBJECTIVES AND ACTIVITIES**

#### **Objectives and aims**

The Trust's objectives are "for the advancement of the education of the public in the history of Edenbridge, the Eden Valley, and the surrounding areas in particular, but not exclusively, by the provision and maintenance of a museum". #### FINANCIAL REVIEW

#### **Reserves** policy

The trustees plan to hold reserves of at least one year's salaries and other running costs in order that the charity could continue in the short term while seeking additional funding should the need arise.

#### STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
