Bhai Sahib Ji, with members of the Vatican and Interfaith leaders sharing the message of the Charter for Forgiveness and Reconciliation.

CHAIRMANS REPORT

Guru Nanak Nishkam Sewak Jatha (Birmingham) UK - GNNSJ is a faith led 'not for profit' benevolent organisation. It is dedicated to practicing and promoting Nishkam (selfless) in the name of Guru Nanak Dev Ji (1469 -1539); the founder of the Sikh Dharam. With engagement in over 40 vears of spiritual development and enrichment from its headquarters in Birmingham, GNNSJ continues steadfast in its endeavours to fuse religous/Dharmic values with our secular lives, thus creating peace austained happiness. within ourselves, our families. our communities, our environment, our interconnected world and the common good... which supports some of our societal challenges ...

In our challenging times of conflict, violent extremism, war, death, destruction. unbearable pain, suffering and grief, forgiveness offers a consoling and soothing light of hope. Compassion and forgiveness are the foundations of our Dharma and religous practice, based on teachings of the ten Gurus and Guru Granth Sahib Ji, the eternal Guru and sacred scripture of the Sikhs. In being able to practice and share this learning one has to move towards an inner peace which is earned through the practice of prayer and selfless service which is the primary endeavour of the congregation form the inception of GNNSJ.

The world is still in agony and the learning continues. Peace eludes us. This is why in a humble effort we are proposing together, with committed friends, a Charter for Forgiveness and Reconciliation. The love in our hearts has to be stronger than the disagreements in our minds This year we had the opportunity to join with religous leaders on a global level to put forward the Charter for Forgiveness and Reconciliation. This Charter was shared and supported with interfaith events at Assisi with the Pope and in Toronto at the gathering of the Parliament for a World's Religions include some of the highlights this year.

Without forgiveness, any notion of rehabilitative healing and justice is incomplete. The healing power of forgiveness is immense and infinite Forgiveness allows not, the path of the past to dictate the path of the future. Forgiveness nullifies revenge and is the most welcome quest for restoration and healing of wounded human beings. Forgiveness and reconciliation are vital to achieve sustainable peace hetween individuals and communities, so very much and urgently needed.

Before we seek peace outside, we have to generate peace within ourselves. To create and sustain peace, we must reconcile. But to reconcile we must forgive Mercy, compassion and forgiveness are, of course, closely linked and related. They are the bedrock of spirituality of all religious traditions. It is a divine legacy we should all treasure and courageously enact in our lives.

Service and prayer have been the cornets one of our activities. At our Headquarters in Birmingham alone, there is an estimated voluntary 407,305 hours every year for a range of activities from cooking in the kitchen, to conducting prayer services and helping with administrative duties. Calculated at an average wage of £8.50 per hour, this quantifies to £3,462,093 every year, £66,578 every week and £9,511 every day worth of selfless service.

Sharing this learning with Interfaith dialogue across members of all faiths and none is a vital aspect of understanding the means to addressing the global challenges we currently face. Life's journey with an origin, purpose and destination, rooted in the existence of God, whose presence is latent in all creation and can be manifested in the human being through the cultivation of spiritual values, is of importance.

Outlining the human condition, the challenge of ego, the nature of mind, body and spirit; reframes and enlarges our vision of the purpose of education. Religion can be seen as an ethos and practice for fulfilling human life which recognises the interdependence of spiritual, secular and social dimensions.

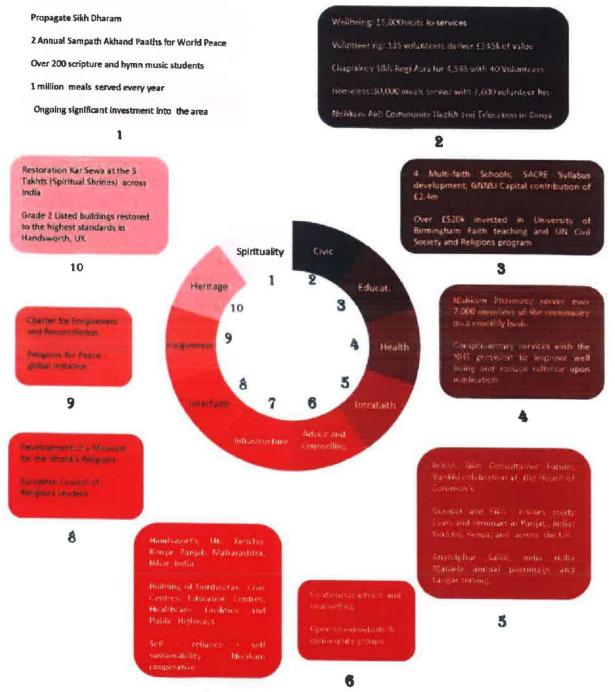

Human fulfilment' can be seen as the fruit of 'human flourishing', where personal success is defined in terms of rising to the best in ourselves, living a worthy life, and departing from this world with the richness that comes from the sustained practice of virtue.

As a charity we have generated income of £5m. As a charity we have no paid employees, which is usually 40% cost of income in the third sector and therefore based on the 2019 income of £5m less 40% (£2m) a usual charity sector benchmark would be a net benefit of £3m

This has been possible with the divine blessings of God Almighty and the continued support, dedication and commitment of our selfless sewadars (volunteers) and sangat (congregation) - may Satguru Ji's grace be showered upon us all for continuing the work.

Forever in God's service; Bhai Sahib Bhai (Dr) Mohinder Singh Ahluwalia KSG, OBE Chairman

How our activities deliver public benefit

GNNSJ carries out a wide range of activities in pursuance of its charitable objectives. The array of activities provide benefit both for those who attend the Gurudwara and the wider community at large. Benefits range from spiritual uplift through initiation and nurturing of Sikh practitioners; capacity building of individuals, families and communities with values based education; engaging in civic activities; creating jobs; providing support to the elderly through youth participation and healthcare: and environmental enhancement and heritage conservation through the traditional 'Kar Sewa' model in the UK and abroad.

These 'Labour of Love' projects enable community involvement through voluntary donations coupled with facilitating the provision of physical labour through a planned and professional approach. The spirit of Nishkam dedication and devotion no doubt permeates in the physical infrastructure so-created.

Furthermore the charity involves itself in national initiatives such as the Religions for Peace, the Charter for Forgiveness and the Museum of Worlds Religions (MWR) UK.

Participation and Engagement

The Sikh Gurudwara (Sikh place of worship) on Soho Road in Handsworth, served by Guru Nanak Nishkam Sewak Jatha, is the heart and soul of the Jatha's activities and aims. It promotes spiritual and physical regeneration through the promotion and propagation of the Sikh Dharam (religion).

The Gurudwara was established in 1977 in the inner city area of Handsworth, Birmingham, it continues to humbly provide quality voluntary services utilising the monetary and non-monetary contributions (sewa) provided by its members and the community.

The charity's cutting edge is 'nishkamta' - selflessness - providing services and expecting no reward. This is lovingly role-modelled by its chief volunteer and Chairman who provides inspirational motivation to all its volunteers down the line who serve in varying capacity. Sewa skills provided include: food preparation, Punjabi and Kirtan training, prayer recitation, management, IT, finance, cleaning, construction etc. The Gurudwara operates on a 24 hours a day, 7 days a week basis with intensive volunteering. There is a guesstimated global, informal membership base of 1 million volunteers.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Report of the Independent Auditors to the Trustees of GURU NANAK NISHKAM SEWAK JATHA (BIRMINGHAM) UK

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and the Charities Act 2011. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value.

income

All income is recognised in the Statement of Financial Activities once the Charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Allocation and apportionment of costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include cost related to statutory audit and legal fees.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost
Improvements to property	- 10% on cost
Fixtures and fittings	- 10% on cost and 10% on reducing balance
Motor vehicles	- 25% on reducing balance

Fixed asset investments

Investments are a form of basic financial instruments are initially recognised at their transaction value and subsequently measured at their fair value at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

No depreciation is provided on investment properties, as in the opinion of the trustees these properties are held primarily for their investment potential and so their fair value is of more significance than any measure of consumption and to depreciate them would not give a true and fair view. The revaluation of the investment property accords with the fair value accounting rules and will be reported in the Statement of Financial Activities.

Notes to the Financial Statements - continued for the year ended 31 March 2019

1. ACCOUNTING POLICIES - continued

Taxation

The charity is exempt from tax on its charitable activities

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Income and expenditure account

The Statement of Financial Activities discloses the identical information of the Income and Expenditure Account and as such no separate Income and Expenditure Account has been prepared.

Going Concern

The account have been prepared on the basis of being a going concern as outlined in the Trustees" annual report.

Debtors

Short term debtors ar measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised costs using the effective interest method.

Impairment of assets

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit and loss account.

Donated Services

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met and the receipt of economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time of Volunteers is not recognised. Please refer to the trustee's annual report for more information about their contribution.
