### **Barkham Parochial Church Council**

### Trustees Annual Report for the year ended 31 December 2018

The Parochial Church Council (PCC) presents its Annual Report for the year ended 31 December 2018.

#### Reference and administrative information

The PCC is registered with the Charity Commission as 'The Parochial Church Council of the Ecclesiastical Parish of Barkham', registration number 1143332.

The address of the church office is The Rectory, Church Lane, Arborfield, Berkshire, RG2 9HZ

The trustees (members of the PCC) at the time of this report were as follows:

#### Structure, governance and management

The PCC has been formed under the Parochial Church Council (Powers) Measure 1956.

The PCC members are recruited in a number of ways. The clergy are members by virtue of their office. The Deanery Synod representatives and churchwardens are elected by the annual parochial church meeting (APCM) and hold office for three years. The treasurer and secretary are appointed by the PCC. Other members of the PCC are elected annually at the APCM and hold office for three years.

#### There are the following committees:

Standing Committee – This committee consists of the church leadership team (the Minister in charge plus two others at present), the Churchwardens and the Treasurer. They have power to transact business of the PCC between PCC meetings, reporting to the full PCC as appropriate.

#### **Objectives and activities**

The objectives of the PCC are defined by the Parochial Church Council (Powers) Measure 1956 as 'to cooperate with the minister in promoting in the parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical'.

St James' Church Barkham comprises 2 congregations meeting at 10am and 6pm. Our aim as a church is to honour the Lord Jesus Christ in all that we do. By his grace we are seeking to grow in our knowledge of him, our love for him and our obedience to him. We are also seeking to proclaim the gospel of Jesus Christ to others as well, both by reaching out to others ourselves and by supporting mission partners in the UK and overseas. We currently have particular links with Crosslinks, OMF, Open Doors and The Delhi Bible Institute and a former member now working in a church in Russia.

Our Sunday services are the focus for our life as a church as we gather to listen to the word of God being read and preached and as we respond to him in prayer and praise. It is our assumption, however, that our life as a church should overflow into our daily lives and our midweek small groups provide a natural context for relationships to develop whereby people can serve and encourage one another further. We are committed to encouraging people of all ages to hear the Christian message and grow in faith, so we run a number of groups for children up to the age of 18, we run a baby and toddler group jointly with Arborfield Church, with whom we also run a monthly meeting for 'seniors'.

#### Achievements and performance

Over the year we have seen some numerical growth at our morning service. This has started to fill some of the space that was created by several families leaving to help establish a new church plant last year.

We continue to be an active church where people do not just attend, but serve one another in many ways.

We are also encouraged that we have a large group of teenagers who are committed to church and who meet up mid-week. We have fewer younger families however and pray that we might be able to reach more young families with the gospel of Jesus Christ.

We have continued to maintain links with others in the area conducting weekly assemblies in our local primary school.

In accordance with Church of England rules, we have revised our Electoral Roll this year. The number on the roll is currently 119.

#### Financial information for Annual Report 2018

This time last year we were facing a few large payments and much uncertainty about our expenditure. It is wonderful, therefore, that our never-changing and generous God has provided for us in abundance.

Within our general giving there was an overall surplus of £16k, a very similar amount to last year. However, this general surplus is required to fund our other projects, including the Church Tower repairs (that arose out of the Quinquennial inspection), the Church Plant, and to ensure funds are available in the other funds, for which comments are below. The balance of the General fund is £81k, a healthy balance for a church of our size but helpful in the context of the other expenditure we have.

The Church Tower fund received £48k in gifts from the congregation (including Gift Aid), and paid out £30k for repairs carried out in 2018. About a third of the work still remains as at year end, which will be invoiced and paid out of this restricted fund in 2019. The carried forward balance is £20k, which will cover the expected remaining payments near exactly.

The Church Plant fund did not receive new funds but made £20k of payments in support of the Church at the Green, leaving a balance of £14k at year end. Barkham PCC are in regular discussions with the Church at the Green and other supporting churches to ensure that it is adequately supported, while at the same time making preparations for the church to be financially independent. The anticipated level of support for 2019 is approximately £24k, which will necessitate a transfer from the General fund.

The Youth Work fund is being used to pay for a Youth Worker who works across our sister churches. This fund is expected to be depleted during 2019, with additional transfers of around £1k from the general fund.

The Maintenance fund is a designated fund used for major repairs or projects to the church. In 2018 the boiler and boiler room needed works, and although there is a deficit balance, this will be made up in 2019 through additional transfers.

The Treasurer manages the day-to-day finances for St James Barkham and reports to the PCC as well as at the APCM, and at various points throughout the year to the congregations. Forecasts are prepared and re-assessed monthly to ensure that adequate funds exist for the church, and a Giving Day is held annually in the autumn.

Signed on behalf of the PCC by:

The Rev'd Julian Bidgood Chairman

#### Independent Examiner's Report to the Parochial Church Council of Barkham PCC

I report on the accounts for the year ended 31 December 2018.

#### Respective responsibilities of the Parochial Church Council and the examiner

As trustees of the charity, the members of the PCC are responsible for the preparation of the financial statements. They consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- follow the procedures laid down in the General Directions given by the Charity Commissioners section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

#### Basis of this report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the next statement.

#### Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### Note 1: Basis of preparation

The financial statements have been prepared in accordance with the Church Accounting Regulations 2006 together with applicable accounting standards and the Statement of Recommended Practice for Accounting and Reporting by Charities 2005.
