Public Benefit Statement

The creation of PNGCP as a CIO is merely a change of status and does not change the work as performed by the unincorporated PNGCP. It remains the recognised voluntary agency through which the Anglican Church of Papua New Guinea (ACPNG) and the Anglican Church in the UK and Ireland relate to each other, effectively acting as London Office for the Province and dedicated to raising awareness of and support for the Church's mission and ministry in PNG.

ACPNG continues to request people with skills and expertise in particular areas, and when asked to do so PNGCP has facilitated the recruitment of personnel for ACPNG. In addition, PNGCP acts as a conduit for donations from the UK to Anglican personnel, projects, parishes, and dioceses within Papua New Guinea.

The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Objectives

The objectives of the charity are:

- to encourage a Christian partnership with the Church in Papua New Guinea;
- to assist the maintenance and extension of the work of the Anglican Province of Papua New Guinea in all or any such ways as the House of Bishops of the Province of Papua New Guinea for the time being shall approve;
- to forward the interest of the Anglican Province of Papua New Guinea within the United Kingdom and elsewhere in all such ways as are within the competence of the Committee.

Activities, achievements and performance

During 2018 the CIO was incorporated, discussions were held as to appropriate banks but all the activity remained within the Unincorporated Organisation and can be viewed under PNGCP 249446

Financial Affairs and Reserves

During 2018 all financial activities remained within the the Unincorporated Organisation and can be viewed under PNGCP 249446.

Plans for future periods

We plan to continue sending money to the Anglican projects, parishes and dioceses of PNG in 2019, including an annual unrestricted grant to ACPNG.

We will continue to develop our new website and our Facebook page, to increase our profile and knowledge of our work.

We will continue our promotional activities within the UK and have initiated a programme to welcome and support ACPNG personnel on developmental visits to the UK.

Declaration

The trustees declare they have approved the trustees' report above.
