

## **TRUSTEE ANNUAL REPORT FOR THE PERIOD ENDING 2018**

All praises are for our creator, Allah (Subhanahu-wa-ta'ala, (SWT) "Glorious and Exalted Is He"), we testify that HE alone we worship and HH alone is worthy of the worship, who is the most Magnificent, the most Beneficial and the most Merciful of all, And we send our limitless salutations upon the most blessed prophet of Allah (SWT), Muhammad (Sallallahu-alayhi-wa-Salam S.W.T. "Allah's blessings be upon Him") and we testify that HE is the last and final prophet of Allah (SWT) and there is none after him.

The Trustees of the Pakistan Muslim Society (the society hereafter) have the pleasure in presenting (the duly prepared) annual report for the year ended 31/12/2018, which comply with appropriate statutory requirements and those of the Charity's trust deed.

### **Governance:**

In accordance with its constitution, the society is overall governed by the appointed Trustees, whilst the elected Management Committee oversees day-to-day affairs of the society. All officials, the Trustees, the Management Committee and the Youth Committee are appointed / elected by the membership of the society and work together as a team on an ongoing basis.

### **Aims and Objectives:**

The aims and objectives of the society are those stated in the constitution of the society and have not changed since its inception.

### **Services to members and the broader Community:**

The society continues to strive in providing the religious, cultural, social and educational needs of all its members and the broader society's community including children, women and the elderly. This includes daily five-time prayers congregations, Friday sermons and congregations, regular daily religious educational classes for the children (with modernised and diverse curriculum), funeral and burial services and observance of several annual important religious events (in the Islamic calendar), to name a few.

Various lectures, seminars and religious congregations (delivered in several languages including English, Arabic and Urdu) were held for all walks of life, especially for women and in particular the youth to fulfil the society's religious, cultural, civic, safeguarding, social and law-abiding responsibilities.

The society continues to employ appropriate numbers of suitably qualified personnel (who are vetted staff in accordance with current legislation and good practice) and has many suitable volunteers to meet the needs of the service users. The society is always keen to develop its users' understanding of the importance of living in multi-cultural Britain, so that they fully participate in the broader diverse society, based on respect, acceptance and tolerance values. To this end, the society continues to deliver diverse lectures for youngsters in

particular in English medium and also provides extra-curricular activities, (including sporting activities) for children, young people and adults.

These services and activities are being delivered and supported by suitably qualified and appropriate personnel. These services are at present being used by over 500/600 users on a weekly basis (during Friday congregations) with a minimum of 50/60 adults and over 200 children attending, for various services, almost on a daily basis.

#### **Assets and Finances:**

The society has effectively managed yet another difficult financial year that was caused due to the on-going recession, which has adversely impacted on our members' donations. However, the Trustees are delighted to report that despite the varying financial pressures and some emerging new priorities, the newly built community centre is going through its final phases of completion. Major building external work had been completed with significant progress had also been made to complete the internal work, including: the society's community centre had secured all utility services at the site and other internal work for example the electric work almost completed and door frames were also completed. The remaining work is planned for the next couple of years and will be completed on schedule, subject to the required donations received. In addition, and will include external door-shutters, lifts, suspended ceilings, CCTV and fully develop car park. Other key sites of the society have enjoyed light touch cosmetic make-over so that it continues to meet the needs of the users in an appropriate manner and at well-presented and professionally managed, safe and secure sites with modern and effective CCTVs facilities.

#### **Conclusion:**

The Trustees are satisfied that the Management Committee has adequately executed their duties and, in accordance with the constitution of the society. The Trustees would also like to thank the Management committee, the Youth Committee, the society membership and above all its volunteers and donors for their valuable services and donations. This directly helps the society to continue to provide the services that are needed for the memberships and users and provides a centre for prayers also.

The Trustees' report is presented in anticipation that it will be accepted relating to the period ended 31 December 2018.

**Signed by Mr Farooq Shah, Chair of the Trustees**

For and on Behalf of the Trustees
