REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 31 MARCH 2019

The directors, who are also trustees for the purposes of the Charity Act, present their annual report and independently reviewed Financial Statements for the year ended 31st March 2019

OBJECTS AND ACTIVITIES

As set out in the Memorandum and Articles of Association, the objects of the charity are: to promote the benefit of the inhabitants of the area of benefit. In particular, to advance Christian values, education and training, relieve sickness and old age, preserve and protect good health and to provide facilities in the interest of social welfare for recreation and other leisure time occupation with the object of improving the conditions of life for the said inhabitants.

Bilston Resource Centre's main activity is to support local people to access learning, skills and employment, by providing a welcoming open access facility, providing Information Advice & Guidance (IAG), help with CVs and jobsearch, as well as learning opportunities in Basic Skills, ESOL and Information Technology. We also provide help with benefits, housing and other issues, and work with partners to provide vocationally relevant skills and qualifications.

All of the Centre's activities are aimed at supporting local people, in an area of high deprivation. No member of the Company, including the Directors, receives any financial benefit from their involvement with the Centre.

In developing activities and delivering services, the Directors have taken account of the guidance on public benefit published by the Charities Commission.

ACHIEVEMENTS AND PERFORMANCE - April 2018 to March 2019

From April 2018 - March 2019, BRC registered 518 new clients [221 men and 297 women]. The Centre provided a range of support to local people wishing to access education, training and employment including:

- Information Advice and Guidance to Matrix Quality Standard. This included career guidance and action planning, help with CVs and job applications, and access to jobsearch (including online job search). We also provided IT and budgetting support for local people moving onto Universal Credit. OCR and City & Guilds accredited learning for Basic Skills and ESOL. In the period from April 2018
- to March 2019, 110 learners attended ESOL and Basic Skills classes. In total 90 learners gained certificates in this period.
- Access to our IT suite and learning support. Clients book time on our suite of computers, and work at their own pace, supported by skilled tutors. The suite is also used for job search, and supports a group undertaking OCR training in Sage bookkeeping and payroll. Altogether, 276 clients made use of the IT learning facility in the period of April 18- March 19 (180 for IT learning and 86 for jobsearch). 38 learners gained accredited qualifications in IT.
- We also ran two short programmes focussed on the security sector, providing training and relevant vocational qualifications. We have built up good links with employers, who have been involved in the course delivery and/or offered interviews to course completers. 20 learners completed the courses and gained their SIA licences, of whom 16 moved into employment.
- From April 2018- March 2019, at least 51 people have gained employment with the assistance of BRC.

The year also saw substantial progress in completing our Phase 2 capital project to develop BRC as a Community Hub with a community café and additional meeting space. Despite some construction delays, we held a successful launch event in May 2019.

REPORT OF THE TRUSTEES (continued) FOR THE PERIOD ENDED 31 MARCH 2019

FINANCIAL REVIEW

The charity receives a variety of grants and donations for specific purposes, which are treated as Restricted Funds. Other income is earned through delivering services for public agencies. While not restricted funds, we are still required to account to these agencies for the use of these funds. This year, we were also managing a significant capital project. We use the Money Manager software package to track expenditure against various funds. The largest area of expenditure is on staff salaries. We use an external payroll agency, who are responsible for handling of PAYE and NI and payments to HMRC. All other expenditure is authorised by the Centre Manager. Nearly all our income is received in the form of cheques or direct BACS payments, and most expenditure is also made by cheque or direct debit. The bank statements are reconciled on a monthly basis.

We knew that 2018-19 would be a difficult year financially, with our Reaching Communities grant from Big Lottery Fund ending in May 2018, and our grant from the Black Country City Deal, to provide support to workless social housing tenants in Bilston East ending in October 2018. The Trustees agreed at the start of the year to use some of the reserves in 2018-19 to retain key staff whose posts were grant-funded through these projects. We set a budget that indicated a loss of £36,084 in Unrestricted Funds, but succeeded in limiting the loss to £10,375, leaving the Unrestricted Fund at a satisfactory position at £122,074.

Other sources of income included the Building Better Opportunities programme, which is aimed at helping people furthest from the labour market, Black Country Impact, which supports young people not in education, employment or training, Good Things Foundation, to deliver basic IT and ESOL, and from City of Wolverhampton Council, to provide Pre-entry ESOL and digital and budgetting support to those moving onto Universal Credit.

We also worked hard to secure the funding for our Phase 2 capital project, where the tender costs were higher than anticipated. We received generous donations from the Tudor Trust, The Clothworkers Foundation, The Beatrice Laing Trust, and St Michaels Neighbourhood Church. Our grateful thanks are due to all those who supported the project [listed at Note 12 of the accounts] and especially to the Big Lottery Fund, who provided the bulk of the funding, and to the Tudor Trust who provided valuable legal advice. We now have a valuable community asset which is much needed in Bilston.

In line with the recommendations of the Charity Commission, the Trustees have adopted a policy on the holding of reserves. In view of the short term nature of the Centre's funding, the Trustees are seeking to achieve unrestricted reserves amounting to six months' salaries and running costs. This amounts to around £115,000, which we have now exceeded, but we expect further pressure on these reserves in 2019-20, given uncertainties over future funding.

The directors are empowered to invest monies of the Charity not immediately required for the furtherance of its objects in or upon such investments, securities or property as may be thought fit, nevertheless subject to such conditions (if any) and such consents (if any) as may for the time being be imposed or required by law.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is constituted as a Charitable Company Limited by Guarantee and is a charity registered with the Charity Commission number 1077034, and is therefore not subject to Corporation Tax.

Governing document: Memorandum & Articles of Association incorporated on the 5th January 1999 as amended by special resolution dated 15th April 1999.

REPORT OF THE TRUSTEES (continued) FOR THE PERIOD ENDED 31 MARCH 2019

The Trustees set the overall policy and direction of the Charity. Day to day management responsibility is devolved to the paid staff, led by Simon Bhardwaj, the Centre Manager, who also acts as Company Secretary.

The Trustees all provide their services free of charge. They have a wide range of skills and experience in management in the public, private and voluntary sectors. Trustees are elected by the membership at the AGM, and serve for a three-year term.

REFERENCE & ADMINISTRATIVE DETAILS

These are set out on Page 3 of these accounts.

STATEMENT OF DIRECTORS' RESPONSIBILITIES
