Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Education

- St Marks had approximately 400 pupils of which 150 had 'orphan' status. The charity has sponsors for about 108 of these children, but all are equally supported through charity funds. Numbers fluctuate by a few during the year as pupils start or leave for a variety of reasons.
- School has continued to produce good exam results and is well respected in the community.
- In February the charity had to raise the cost of sponsorship of orphans to £12 per month due to rising costs.

Pastors Training/Youth work

- A graduation service was held on August 2018 for the pastors who had completed their 3 year diploma course. This took place during the visit of Sophie and Cahrlie Campbell-Wynter.
- In May 2018 Doug Crowder from the UK went over and lead a Christian teaching conference.
- The youth leader, Wilson continues to run the Teens work extremely well, and is leading the team making Sani-Pads (see below). In October 2018 the Charity were able to present Wilson with a motorbike to help hm with his work.

Micro-enterprise

- The widows are continuing to reap the benefits of the pig project by being able to buy useful items such as mattresses, or tin roofs for example; although we have heard of cases where pigs have been stolen.
- The vocational and training activities in Tailoring and jewellery making that were set up in September 2017 have developed slowly.
 By July 18 they were producing goods to a reasonable standard, but a little more work in improving standards and quality was still needed.
- The Sani-pads continued to be produced under the direction of Wilson the teens leader. These were sold back to the school.
- Anti-mosquito soap and candle making and the jewellery and tailoring training have all continued on a local basis, but none are yet selfsustaining. The charity is still receiving requests to provide financial support for materials and tools.
- By July 18 all enterprises were producing goods to a reasonable standard, but a need for further training in marketing their products was identified.

Buildings

- The new Hall at St Mark's was substantially complete by February 2019. It still needs funding for completing the floor before it an be used, and the charity have notified Pastor Lumika that the local community need to contribute more to this as it will be a useful community facility as well. It was agreed to call this the St Mark's Memorial Hall.
- Due to a private donor, a church roof was completed at Kwambe church.
- In February 2019 following a severe storm Nyangorongo church had part of its roof torn off along with some solar panels. A supporter of the charity came forward with funds to replace the roof, but funding would not stretch to replacing the solar panels.

Section D

Achievements and performance

Health Work

 The charity continued to arrange health visits to the school and community from St Paul's clinic in Kasese. There were visits in April and October 2018. These were two-day visits that involved both health education as well as examinations and treatment for common ailments. The April visit included eye tests and the October visit included dental work.

Trustee Visits

- Sophie Campbell-Wynter, our charity Patron, visited from 31st July 19th August 2018 with the whole of her family, (husband and four children). This is the first time they have been able to do this.
- Three Trustees, Liz Edmondson-Smith, Rob Smith and Charlotte Callicot visited from 18th to 30th October 2018

Section E

Financial review

Brief statement of the charity's policy on reserves

AAD operates without any overheads and is a natural conduit of donations flowing through to Uganda from the UK. As such there is no requirement other than the temporary targeting of specific project requirements and for obtaining short term interest on deposit accounts with instant access to build reserves.

Notwithstanding the above the Trustees agreed in September 2010 to keep in reserve a sum to cover 50% of one year's wages for teachers at St Marks. This is currently about £5,000.00

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

AAD's principal source of funding is from individuals, schools and churches.

We have a single donor who has chosen to provide funding for one or two church roofs each year.

We have received occasional donations from other charitable trusts and large organisations or schools.

The charity receives a substantial regular annual donation specifically to fund travel for Trustees visits, in order to enable Trustees on low income to visit and carry out tasks on behalf of the Charity, and to be able to afford the more expensive but safer private transfers.

Independent examiner's report to the trustees of an African Dream

I report on the accounts of the Trust for the year ended 5th April 2019.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

<u>Independent examiner's statement</u>

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
