Structure, Governance and Management

Marlow Opportunity Playgroup has operated as an unincorporated charity for many years with the registered charity number 1108650. In 2018 we successfully applied to the Charity Commission to set up a new charity under CIO status with the same name and charitable aims. However, we have not yet started to use the CIO due to delays with our Ofsted registration.

Marlow Opportunity Playgroup CIO (charity number 1177581) has therefore not been used; and has no income, expenditure, assets or liabilities. These will be transferred to the CIO once our Ofsted registration is complete. We will then close the unincorporated charity.

The CIO has adopted a Foundation Model Constitution, and expects to start operating early in 2020.

Objectives and Activities

Our objectives and activities remain the same as under unincorporated status. To provide a safe, caring and stimulating environment where children, primarily with special needs can learn through play. To operate under charitable status managed by a

voluntary committee and run by qualified staff.

The main activities undertaken for the public benefit are:

- 1) To advance the education of children, in particular but not exclusively, those with special needs through the provision of nursery and pre-school care.
- 2) To advance the education and training of persons in the provision of such pre-school care.
