Trustees Report

Abbeyfield Community Heritage Hub is a Charitable Incorporated Organisation formed on 8th October 2014. Our governing document is our constitution, a CIO by Association model. Trustees were appointed at the foundation of the charity – one has since resigned and a new Trustee has been appointed.

The charity was formed to explore the possibility of a community asset transfer of Abbeyfield Park House, with the object of developing the building as a community resource for the benefit of the people of Burngreave and the surrounding area.

Use of the building has increased significantly during **2018/19** and the trustees are working with volunteers and the local authority on a medium term plan to pursue a community asset transfer in **2019/20**. Interest in developing the building has increased and the Trustees are determined to continue to operate the charity while these plans are further developed. Following the resignation of Fran Belbin as a Trustee **Lyn Brandon** was appointed as a Trustee on the 20/03/2019.

Financial Review

No financial activity took place in **2018/19**. The charity does not have a bank account and so there was zero income and expenditure in this period.

This report was approved by the trustees on 11th November 2019 and is signed on their behalf by:

Tim Neal
