DIRECTORS' AND TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2019

The Directors, who are also Trustees for the purpose of Charity law, are pleased to present their report together with the financial statements of the Charitable Company for the year ended 31 March 2019.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

The Charitable Company is a Public Benefit Entity.

Objectives and activities

The object for which the Charitable Company is formed is:

- 1. To relieve the suffering of animals in need of care and attention and, in particular, to provide and maintain kennels and rescue homes or other facilities for the reception, care and treatment of such animals.
- 2. To promote humane behaviour towards animals by providing appropriate care, protection, treatment and security for animals which are in need of care and attention by reason of sickness, maltreatment, poor circumstances or ill usage, and to educate the public in matters pertaining to animal welfare in general and the prevention of cruelty and suffering among animals.

Moorview Rescue's area of operation is Yorkshire and the Midlands, and it achieved its charitable objects through the following activities:-

- The provision of shelter, veterinary care, rehabilitation, and rehoming services for animals in need.
- The neutering, vaccination, microchipping, and worm and flee treatment of every dog that leaves the rescue.
- Through a thorough process involving suitability checks, references, and the demonstration
 of commitment to owning a rescue animal, Moorview Rescue convey the responsibility of
 owning a pet to potential new owners, and in doing so aim to reduce the number of neglected
 or abandoned animals in the future.
- The provision of advice and support to owners of newly adopted animals who require further training assistance and special care.
- The promotion and advocacy of animal welfare issues and aiding the RSPCA in neglect cases, including cases involving dogs from illegal puppy farms and dog fighting rings.
- The majority of Moorview Rescue dogs and cats come from animal shelters, where lost, abandoned, or surrendered animals are taken. Due to a lack of resources and space, often these animals are euthanised within 7 days, if not claimed by the rescue. Moorview Rescue endeavours to take in these animals as a priority.

DIRECTORS' AND TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2019 (CONTINUED)

The Directors believe they have complied with the duty in section 17 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission in respect of public benefit.

Achievements and performance

- The rescue successfully rehabilitated and rehomed approximately 80 dogs and 5 cats in the year ending 31 March 2019.
- Moorview Rescue has continued to promote humane behaviour towards animals through a strong social media presence and an active presence in the local community. Through a continued partnership with Pets at Home, the Rescue has continued to build awareness, access opportunities for support, and raise funds in store.
- The rescue had several special campaigns during the year for particular dogs Bella, Frank and Roo to name a few. They required a great deal of veterinary care including MRI scans, operations, and medication. Thanks to the generosity of the public, the rescue was able to get the treatment these animals required to start them on their journey to rehabilitation and a new permanent home.
- Several successful fundraising events were held during the year. These included a pub quiz, a 'dance your pants off' class, a Country & Western night, a Hollywood Ball, sponsored dog walks, online auctions, and bake sales. Calendars and Christmas cards were also sold, along with fundraising at local shows and events in the community.
- The rescue installed a septic tank during the year, helping to make the site suitable for use.

Financial Review - continued

Reserves policy

Having regard inter alia to their legal duties of prudence and care, the Directors believe it is prudent for Moorview Rescue Limited to maintain minimum unrestricted non-designated reserves equivalent to at least 6 months core expenditure to provide the ability to:

- ensure that the Charitable Company does not become insolvent;
- meet unforeseen expenditure and provide flexibility in meeting growing demands;
- fund short-term deficits in income;
- ensure that the Charitable Company can meet its financial commitments;
- cover short term timing differences between income receipts and outgoing payments;
- give the Charitable Company time to consider other options to raise money or to cover operational costs and commitments should the decision be taken to wind the Charitable Company down.

Reserves are maintained through the generation of surpluses from delivery of activities, fundraising appeals and events, and shall be defined as unrestricted cash and debtors less liabilities. The current unrestricted non-designated reserves figure at 31 March 2019 amounted to £10,464, approximately 1 month core expenditure. The Charitable Company has a stated aim to increase its level of free reserves over the next 2 to 5 years.

Going concern

The Directors have a reasonable expectation that the Charitable Company has adequate resources to continue in existence for the foreseeable future. They continue to believe that the going concern basis of accounting is appropriate in preparing the financial statements.

Plans for future periods

Moorview Rescue plans to continue its rescue services and animal welfare advocacy and aims to secure funding towards core activities going forward.

The rescue has plans to upgrade the rescue kennels with a double-glazed corridor, helping to insulate and make the kennels more energy efficient.

Further fundraising events have been organised, including a sponsored dog walk in Ripon and cake stalls as Pets at Home.

Structure, Governance and Management

Governing document

Moorview Rescue is a company limited by guarantee governed by its Memorandum and Articles of Association dated 27 June 2012, as amended by special resolutions dated 24 October 2013 and 28 November 2013. The Company received charitable status on 20 December 2013.

Appointment of Directors

The minimum number of directors under the Articles shall not be less than 3 but shall not be subject to any maximum.

Appointment of Directors

The Directors may at any time co-opt any person as a director, either to fill a casual vacancy or by way of addition to their number. Any person co-opted shall remain in office until the next Annual General Meeting, but shall then be eligible for re-election. At the first Annual General Meeting and at each following Annual General Meeting one-third of the Directors shall retire from office. The Directors to retire shall be those who have been longest in office since their last election or appointment. At the meeting at which a director retires the Charitable Company may appoint a new director in place of the retiring director. If standing for re-election the retiring director shall be deemed to have been re-elected, unless at the meeting it is expressly resolved not to replace the retiring director or a resolution for the re-election of the retiring director shall have been put to the meeting and lost.

Directors induction and training

Potential directors meet with the Chair of Directors and another director and are invited to attend a Directors' Meeting as an observer prior to consenting to being put forward for appointment. Due diligence is exercised in checking that there are no reasons as to why they should not be appointed as a director. New directors are briefed on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the Directors' decision making processes, the business plan and recent financial performance of the Charitable Company. During their induction they meet key members of the Charitable Company and other directors. Directors are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role and relevant external training opportunities are brought to the attention of the Directors. Directors are also encouraged to visit activities delivered by the Charitable Company to facilitate their understanding of the work of the Charitable Company.

Organisation

The Directors administer the Charitable Company and they meet quarterly. An Administrator is appointed by the Directors to manage the day-to-day operations of the Charitable Company. To facilitate effective operations, the Administrator has delegated authority, within terms of delegation approved by the Directors, for operational matters including finance, fundraising and project programme related activity.

The Directors who served during the year and up to the date of this report are set out in the Reference and Administration section.

DIRECTORS' AND TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2019 (CONTINUED)

Related parties

None of the Directors receives remuneration or other benefit from their work with the Charitable Company. Any connection between a director with a contracted organisation must be disclosed to the Directors in the same way as any other contractual relationship with a related party. Details of transactions with related parties are contained within the notes to the accounts.

Risk management

The Directors have a risk management strategy which comprises:

- an annual review of the risks the Charitable Company may face;
- the establishment of systems and procedures to mitigate those risks identified in the plan;
- the implementation of procedures designed to minimise any potential impact on the Charitable Company should those risks materialise.

This work has identified that financial sustainability is the major financial risk for the Charitable Company. This risk is managed by ensuring that the Charitable Company has adequate unrestricted cash reserves to cover any short-term cash fluctuations and deficits in income whilst alternative funding sources are sought.

Directors' responsibilities in relation to the financial statements

Company law requires the Directors to prepare financial statements that give a true and fair view of the state of affairs of the Charitable Company at the end of the financial year and of its surplus or deficit for the financial year. In doing so the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make sound judgements and estimates that are reasonable and prudent; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business.

The Directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charitable Company and enables them to ensure that the financial accounts comply with the Companies Act 2006 and applicable charity law.

The Directors are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Exemption

This report has been prepared in accordance with the special provisions of the Companies Act 2006 applicable to small companies.

My independent examiner's work has been undertaken so that I might state to the Charitable Company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charitable Company, the Charitable Company's members as a body and the Charitable Company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the Charitable Company's trustees (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Charitable Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your Charitable Company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Charitable Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities, applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
