Firefly Cancer Awareness and Support Limited

Report of the Directors (including the Trustees' Report) **For the year ended 30 April 2019**

The trustees, who are also directors of the charity for the purposes of the Companies Act, submit their annual report and the financial statements for the year ended 30 April 2019. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) (FRS 102) issued in 2015 in preparing the annual report and financial statements of the charity.

The charity is a charitable company and is limited by guarantee. The charity's governing document is its Memorandum and Articles of Association, which restricts the charity's operations to all lawful acts as are necessary or incidental to its Objects.

Trustees' responsibilities statement

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statement;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Structure, governance and management

The trustees have responsibility to direct the charity's affairs in such a way as to promote the Objects.

Constitution

The Trust is a company limited by guarantee. The company's Memorandum & Articles of Association are the primary governing document of the trust. A member of the company must also be a director (trustee) of the company.

Members' liability

Each member of the company undertakes to contribute to the assets of the company in the event of it being wound up when he/she is a member or within 1 year after he/she ceases to be a member, such amount as may be required, not exceeding £1. The current number of members is four.

Structure, governance and management continued

Recruitment and training of trustees

Trustees are recruited based on their knowledge and experience in the services the charity provides to meet its objectives. No formal training is provided to new trustees given their existing knowledge. Training is available should it be required.

Risk management

The board of trustees have overall responsibility for ensuring that the charity has appropriate systems of controls, financial or otherwise. They are also responsible for keeping proper accounting records, for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- The charity is operating efficiently and effectively.
- The assets are safeguarded against unauthorised use or disposition
- Proper records are maintained and financial information used within the charity reliable
- The charity complies with relevant laws and regulations

Risk review

The trustees have conducted a review of the major risks to which the charity is exposed and appropriate systems have been established to mitigate those risks. Significant external risks to funding have led to the development and implementation of a strategic plan. This will allow for the re-direction of funding and some activities.

Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects to ensure consistent quality of delivery for all operational aspects of the charity. These procedures are constantly reviewed to ensure that they still meet the needs of the charity.

Objectives and activities

The principal objects and activities of the company are the promotion and protection of the physical and mental health of cancer sufferers and their carers through the provision of support, education and practical advice throughout South Yorkshire.

The objects of the charity are in particular, but without limitation;

- a) Advance the education of the general public in all areas relating to cancer.
- b) The provision of advocacy, advice and information.
- c) The provision of resources.

Achievements and performance

During the period under review the charity continued to develop its prominence in South Yorkshire through the delivery of its services, particularly the 'Firefly Expresses' which transfer patients undergoing cancer treatment and aftercare from home to the appropriate cancer treatment hospital. The charity has also taken part in a number of events within the community to increase cancer awareness and raise vital funds.

The service user numbers continue to increase and the trustees have acquired further vehicles to enable them to meet the increasing demands on these services. The trustees have again continued strengthening the operating infrastructure along with a bank of volunteers to ensure the clear demand can be met.

The trustees would like to thank all funders, donors, volunteers and supporters who have given their support, time and monies to help the charity deliver its objectives.

This report was approved by the directors on 3rd January 2020.

And signed on their behalf by;

Director

Independent Examiners Report to the Trustees of
Firefly Cancer Awareness and Support Limited
For the year ended 30 April 2019

We report on the accounts for the year ended 30 April 2019 set out on pages 6 to 11.

Retrospective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 145(1) of the Charities Act 2011 and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to;

- examine the accounts under section 145 of the Charities Act 2011;
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respects the requirements to keep accounting records in accordance with section 386 of the Companies Act 2006; and to prepare accounts which accord with accounting records, comply with the accounting requirements of section 386 of the Companies Act 2006 and with the method and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

Notes to the Financial Statements

For the year ended 30 April 2019

1 ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard 102 (effective January 2015) and with the Accounting and Reporting by: Statement of Recommended Practice (FRS 102) (issued in January 2015).

Going concern

The financial statements have been prepared on a going concern basis. The company's activities are dependent upon the continued support of its key funders who have undertaken to provide such support for the foreseeable future.

If the going concern basis were not appropriate, adjustments would have to be made to reduce the value of assets to their recoverable values, to provide any further liabilities that may arise and reclassify fixed assets to current assets and long terms liabilities to current liabilities.

Cash flow statement

The trustees have taken advantage of the exemption in Financial Reporting Standard No. 1 (revised) from including a cash flow statement in the financial statement on the grounds that the charity is small.

Grants receivable

Revenue grants are credited to the Statement of Financial Activities in the year for which they are received.

Taxation

The company is a registered charity and its activities are not subject to taxation.

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows;

Motor vehicles	25% reducing balance
Fixtures and fittings	33% straight line
Land and buildings	10% straight line
Plant and equipment	20% reducing balance
