BARNET AFRICAN CARIBBEAN ASSOCIATION LTD

Trustees' Report

For the year ended 31 March 2019

Objectives and activities

The Charity's objects are to promote the benefit of the inhabitants of the London boroughs, in particular but not exclusively people of African and Caribbean heritage, without distinction of sex or of political, religious or other opinions by associating the local authorities, voluntary organisations and the inhabitants in a common effort to relieve poverty, preserve and protect good health, advance education and to provide facilities in the interest of social welfare for recreation and leisure time occupation with the object of improving conditions of the said inhabitants.

The vision that shapes our annual activities remains the promotion and fostering of the health and well being of the public by providing day services. The charity also aims to contribute to the quality of life of the people of the London boroughs through the provision of accessible excursions and events.

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'. The charity relies on grants and income from fees and charges to cover its operating costs. Affordability and access to our services is important to us and is reflected in our pricing policy set out in detail later in this report.

We endeavour to encourage all within our community to take part in our activities and to attend day services with particular appeal to our older residents.

The strategies employed to achieve the charity's aims and objectives are to:

- provide day services for older adults
- provide opportunities for volunteers
- celebrate the diversity of cultures in our society by arranging events
- provide health checks and welfare advice

Putting these strategies into action we have three major areas of activity which are: days services; health checks; and opportunities for volunteers. Our programme of activities focuses on encouraging our community to take part in our activities.

Achievements and performance

Day services

BACA continues to offer a full range of activities at Barnet Multicultural Community Centre (BMCC) to on average 50 service users per week. Due to financial constraints BACA discontinued its service on Fridays at BMCC but is currently working with partners to establish a new service in the west of the borough, to improve the services on offer to some of the most disadvantaged members of our community.

Service users continue to benefit from manicures, massages, opticians' visits, health checks provided by Cherry Lodge Cancer Care, advice and information on healthy living, keep-fit classes and support from a social worker and a nurse. The Police hold regular surgeries at BMCC and BMCC remains a third-party reporting site. All third-party reporting sites will report any form of hate crime however

they have been categorised in the areas where they will be able to provide specialist knowledge to the victim. BACA strives to improve the networking between BACA and other BMCC resident groups, service providers and partners.

BACA continues to support reparation by young people, working in partnership with Barnet Council's Youth Offending Service. The aim is to help build bridges between older adults and young people to the benefit of the wider community. BACA has maintained its five-star rating by the London Borough of Barnet's Environmental Health Service under the National Food Hygiene Rating Scheme. BACA continues to support an entrepreneur, Hazels Kitchen, who provides catering services.

Outings and events

In July 2018 service users enjoyed a daytrip to Clacton-on-Sea. They visited the Victorian Clacton Pier, with its undercover amusements and fun fair and enjoyed the lovely sandy beaches and themed gardens.

As part of its Black History Month celebrations in November 2018, BACA welcomed Ping Wing, a top Jamaican comedian, and the vocalist Jenny Graham. Jenny entertained the audience with her wonderful voice, whilst Ping Wing raised a laugh in celebration of Black History Month.

In December 2018 BACA service users enjoyed a lively Christmas lunch with singing by Jenny Graham.

Volunteers

The charity is very involved in the community and relies on voluntary help. Volunteers assist with the provision of day services, outings, events and administration. We wish to thank our volunteers for their loyal support and service.

Financial Review

The Statement of Financial Activities shows net expenditure of £2,159 for the year ended 31 March 2019 compared to net income of £6,635 for the year ended 31 March 2018, after receiving income of £43,998, including £22,999 grant received from Age UK Barnet, and spending of £46,157. Grant income was reduced as a result of the discontinuation of the Friday service. BACA is a member of the Barnet Provider Group, which delivers Neighbourhood Services. Neighbourhood Services provide older people with information, advice and practical support, and help them to undertake activities or simply spend time together. Neighbourhood Services is made up of 13 voluntary sector and community organisations, with Age UK Barnet as lead contractor. Funding from Age UK Barnet was reduced by £15,364 to £22,999 for the year ended 31 March 2019. The fall in funding in real terms means that the charity is expected to generate a larger proportion of funds from service charges, fundraising and donations. BACA has yet to be advised as to whether it will receive any funding for 2019-20.

Special thanks go to the London Borough of Barnet, Age UK Barnet, The Stroke Association, Cherry Lodge Cancer Care, Barnet Community Transport, the NCS Challenge Network, the Rotary Club of Hendon, local churches and the users of our day services, who have supported the charity during this financial year.

BACA continues to receive support from Tesco. The Community Food Connection programme, delivered in partnership with UK food redistribution charity FareShare, links Tesco stores to local

charities and community groups to ensure that no good food goes to waste. So far, the programme has donated enough food to provide 16.4 million meals for vulnerable people across the UK.

Our pricing policy

Our pricing policy reflects our strategy of enabling all within our community, whatever their means, to take part in our activities. Our day services, events and excursions offer an opportunity for the public to participate in a range of low-cost activities.

To enable BACA to continue to provide services to those who need them the trustees reviewed the charging structure and found it necessary to increase the charges as follows with effect from 1 May 2019:

Service	2019 Charge	2018 Charge
Day service	£12.00	£11.00
Transport	£7.00	£6.00
Exercise	£5.00	£5.00
Dominoes	£6.00	£6.00

The trustees believe that the charges still represent excellent value for money and is less than the charges made by other similar services.

Investment powers and policy

The trustees, having regard to the liquidity requirements of operating the services, have kept available funds in an interest-bearing deposit account and seek to achieve a rate on deposit which matches or exceeds inflation as measured by the retail prices index. Due to wider economic circumstances deposit rates have been depressed and so this aim was not achieved in the year.

The invested funds held on deposit achieved an average rate of 0.5% against the RPI of 2.8% in March 2019.

Reserves policy and going concern

BACA aims to have reserves equal to six months operating expenditure and continues to seek funding to support its activities and reduce deprivation. The trustees consider that the ideal level of reserves as at 31 March 2019 would be £30,000. Reserves are currently £34,427. BACA will also need the ongoing support of its trustees, members, volunteers, friends, colleagues and partners if it is to continue to support its service users. The trustees are confident that the charity continues to be a going concern, if it receives continued funding from Age UK Barnet.

Plans for future periods

A major financial concern for the charity will be ongoing financial sustainability given the lower level of support from our funders. The trustees continue to keep the cost base under review and to seek new sources of funding and new opportunities for income generation. There will also be another increase in service charges in 2020.

Structure, Governance and Management

Governing Document

Barnet African Caribbean Association Ltd. is a company limited by guarantee governed by its Memorandum and Articles of Association dated 5 February 2013. It was incorporated as a company on 5 July 2012 and registered as a charity on 5 March 2013 with the Charity Commission in England & Wales. On 1 April 2013 the assets and liabilities of Barnet African Caribbean Association were transferred to Barnet African Caribbean Association Ltd. On 12 January 2015 the Charity Commission registered the merger of Barnet African Caribbean Association with Barnet African Caribbean Association Ltd. with a transfer date of 1 April 2013. Barnet African Caribbean Association has been removed from the Register of Charities.

Appointment of trustees

As set out in the Articles of Association the charity may by ordinary resolution appoint a trustee and determine the rotation in which any additional trustees are to retire. All members are circulated with invitations to nominate trustees prior to the AGM requesting nominations for the AGM. The trustees may appoint a person who is willing to act to be a trustee, but a trustee appointed by a resolution of the

other trustees must retire at the next annual general meeting and must not be considered in determining the directors who are to retire by rotation.

Trustee induction and training

New trustees undergo an orientation to brief them on: their legal obligations under charity and company law, the Charity Commission guidance on public benefit, and inform them of the content of the Memorandum and Articles of Association, the committee and decision-making processes, the budget and recent financial performance of the charity. During the induction they meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role, those provided by the National Council for Voluntary Organisations, of which the charity is a member.

Organisation

The board of trustees, which has no maximum number of members, administers the charity. The board normally meets quarterly. A Day Services Manager is appointed by the trustees to manage the day-to-day operations of the charity. To facilitate effective operations, the Day Services Manager has delegated authority for operational matters including finance and employment.

The trustees submit their trustees' report and financial statements for the year ended 31 March 2018.

Related parties

None of our trustees receive remuneration or other benefit from their work with the charity. Any conflict of interest or contractual relationship with a related party must be disclosed to the full board of trustees.

Pay policy

The trustees consider the board of trustees and the Day Services Manager comprise the key management personnel of the charity in charge of directing, controlling, running and operating the charity on a day-to-day basis. All trustees give of their time freely and no trustee received remuneration in the year.

Staff pay is reviewed annually.

Risk management

The trustees have a risk management strategy which comprises:

- an annual review of the principal risks and uncertainties the charity faces;
- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This review has identified that financial sustainability is the major financial risk for the charity. A key element in the management of financial risk is a regular review of available liquid funds.

Non-financial risks, arising from health and safety and food hygiene, have also been reviewed. These risks are managed by ensuring accreditation is up to date, having robust policies and procedures in place and regular training for staff.

Trustees' responsibilities in relation to the financial statements

The trustees, who are also directors of Barnet African Caribbean Association Ltd. for the purposes of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small Company Provisions

This report has been prepared in accordance with the special provisions for small companies of the Companies Act 2006.

Independent Examiner

Issa Associates have been re-appointed as independent examiner for the ensuing year.

By order of the board of trustees

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
BARNET AFRICAN CARIBBEAN ASSOCIATION LTD
ON THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2019
CHARITY NUMBER: 1151068 COMPANY NUMBER: 08130713**

I have examined the accounts on pages 10 to 17.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether matters have come to my attention

Basis of independent examiner's statement

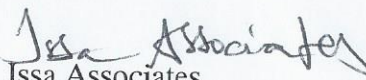

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- Accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- The accounts do not accord with such records; or
- The accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- The accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
