Objectives & Activities

Our primary objective and stated public benefit is the prevention or relief of poverty in Hertfordshire and Essex in particular, but not exclusively, by providing emergency food supplies and related provisions to individuals in need, and to charities or other organisations working to prevent or relieve poverty. The Food Bank provides food for people in crisis, who have been identified and referred by front-line professional partnering agencies, by means of a voucher system. Additionally, we seek to signpost people with underlying problems to appropriate specialist supporting agencies.

Governance & Management

The Trustees meet regularly to oversee the running of the charity, and to ensure there is a robust decision making process. In delivering its objectives, the Trustees are aware of their responsibilities and seek to ensure the Food Bank is legislatively compliant, and that appropriate governance arrangements, procedures, and safeguards are in place. Trustees are recruited for the knowledge, skills, experience, and personal values they bring to the Charity. Trustees are encouraged to attend Training Courses offered by Community Voluntary Services for Broxbourne & East Herts.

Operational

Bishops Stortford Food Bank operates as an independent charity, although works closely with our neighbouring Food Bank at Harlow. Food is distributed from the Methodist Church in Bishops Stortford on 4 days per week from 10a.m to 12.30p.m. and the day-to-day operation is overseen by a part-time employee supported by a bank of over 40 volunteers. We work with over 20 front line professional agencies. The food is provided to the Food Bank by donations from individuals, churches, schools and by means of collections at Supermarkets where our volunteers are permitted to stand and politely ask for gifts.

Financial

The accounts for the period ended 31st March 2019 have been produced on a Receipts and Payments basis. The Trustees have established a strategy to seek financial stability and, as part of that process, a Reserves Policy has been agreed to provide flexibility to meet foreseeable costs. The objective is to maintain minimum funds equivalent to 12 months operating costs to cover, in particular, risks to sources of donated income. We seek diversity of funding, this to include donations from individuals, businesses, churches, and community groups. A number of organised fund raising events are held and, where appropriate, applications are made to grant giving bodies.

Review

Since opening the Bishops Stortford Food Bank, we continue to be encouraged by the town's response to emergency local needs. Whether that support has been donating food, promoting the work of the Food Bank, providing financial support, or volunteering to help, all these contributions ensured we have been able to provide food and assistance to all those referred to us. Our work with local schools continues to raise awareness of need & awareness of the Food Bank's existence. We have continued to provide food to between 12-15 people per week on average in our financial year to 31st March 2019. As Trustees, we are aware of the need to be continuously fund-raising and we have organised a presence at the town's carnival & a coffee morning.

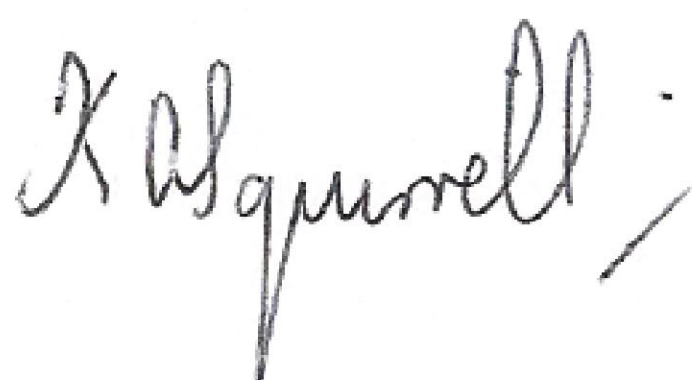

We wish to record our thanks to our new employee and Co-ordinator Jocelyn Guilhaumaud, a role which remains crucial in ensuring the smooth and efficient running of the Food Bank. Additionally, the dedication of our many volunteers is acknowledged with thanks, and the Food Bank would be unable to operate without their support.

We continue to be supported by many in the town and we wish to place on record our gratitude to the individuals, local businesses, supermarkets, churches, schools, professional and community organisations that have helped us enormously over the last 12 months.

We remain focussed on our core objectives. This is to ensure anyone in genuine need knows of our existence and, having been referred to us by front line professionals, to provide a warm welcome, a listening ear and a supply of food. We continue to seek to identify any underlying problems so that, in addition to meeting an immediate crisis, we are also able to signpost people to other specialist supporting agencies.
