For the year ended 31st March 2019

The Trustees are responsible for:

- Keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act, 1993 and the requirements of the Secretary of State;
- Safeguarding the assets of the charity; and
- Taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are required under the Charities Act, 1993 to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the net incoming resources of the charity for that year. In preparing those accounts, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
