

## African Rights Action

### **Report of the Trustees and**

### **Financial Statement for the Year ended 31 March 2019**

#### **Activity Report:**

During the period ended 31 March 2019, the following activities were undertaken:

- Designing the charity's website
- Researching and Producing the content of the website
- Preparing the charity business plan
- Attending meetings and training in relation to charity fundraising, governance and management
- Identify projects to be implemented in UK and Africa
- Identifying project partners in the charity's targeted countries in Africa
- Researching sources of funding and producing the charity fundraising Strategy.

#### **Finances:**

No external funding has been raised yet. However, the Trustees spent about £500 for the design of the website. Other activities were undertaken by trustees on voluntary basis.

#### **Future plans:**

We will use our fundraising strategy to preparing funding applications and submit them to relevant funders.
