The following paragraph reviews the activities undertaken by the charity in the year. The activities undertaken reflect the charity's aims and the stated charitable purposes.

#### **Review of the year**

The trustees have successfully recruited 4 volunteers for the volunteering year 2018/19. Operating as one community based in Manchester. It has been an interesting year with many highlights including an excellent presentation day held in April 2019 at Christopher Grange in Liverpool, where our volunteers enthusiastically provided detailed feedback regarding their work placements and all that they had achieved throughout the year. This further demonstrated to the team and its supporters the immense benefit that the volunteers receive from participating in the programme each year. The volunteers also enjoyed participating in the Flame festival in March 2019, sharing their experiences and skills with other Vincentian families.

#### **Detailed description of Volunteer Community Activity**

##### ***Background***

- We offer volunteering programmes for young (Christian) people age 18 -35 from around the world (including Britain).
- Our Volunteers commit a year of their lives to the service of vulnerable people.
- During their year with us they live in a community of three or four people and engage in voluntary work, in partnership with other, well known charity organisations.
- Their work helps the impoverished, the homeless, the disabled, the refugees and those suffering with addictions in the local community.
- The individual volunteers who join the programme for the year normally come after school or university.
- Some have worked for a few years.
- Most have not experienced any long term commitment with people who are vulnerable.
- The year is comprised of 3 main experiences:
  1. The experience of working with vulnerable and disadvantaged people as a large part of their work time.
  2. The living in small communities of likeminded people, which enables mutual support & challenges each to live up to their values and ideals.
  3. Alongside this, there is a spiritual formation programme, which emphasises the Vincentian Charism.

##### ***Our commitment to the volunteers***

For the duration of their year with us we provide them with:

- paid accommodation (shared between 3-5 volunteers)
- small weekly allowance to cover food, travel, living expenses and pocket money

- tailor-made work placements to suit individual interests, skills and abilities which operate in the Vincentian Charism
- a dedicated area co-ordinator, as a first point of contact
- Spiritual guidance – through weekly meetings with the co-ordinator, planned programmes and seasonal retreats

#### ***Manchester Community***

The Manchester community consisted of 4 volunteers, Christian from Canada whose placements were with the Booth Centre and Salford Loaves and Fishes in Manchester. Gonzalo from Spain, whose placements were with the Booth Centre, Salford Loaves and Fishes in Manchester and St Vincent's School in Liverpool. McKenna from the USA, whose placement was with Mary and Joseph House in Manchester. Karoline from the USA, whose placements were with the Bread Church in Liverpool and with the SVP shop and local SVP projects.

#### **Financial Review**

During the year the income decreased to £39,165 (2018: £43,099) and expenditure decreased to £40,111 (2018: £43,543) leaving a deficit of £946, (2018: £444 deficit). The deficit has been reflected in a corresponding decrease in the charity's bank and cash balances.

In addition to the costs included in these accounts it should be noted that the accommodation for the volunteers is made available at little or no cost and that the coordinators and trustees give freely of their time.

#### **Post year events**

We have recruited 4 volunteers for the 2019-20 volunteer year all based in a community in Manchester.

#### **Reserves Policy and Future Plans**

The charity is reliant upon volunteers and needs balances at bank to ensure that the work can continue. The trustees are developing a fund raising strategy to ensure the work is continued.

#### **Risk Management**

The Trustees have examined the major strategic, business and operational risks which the Charity faces and confirm that the systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen the risks.

### **Independent Examiners report for the year ended 31 July 2019**

---

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 July 2019, which are set out on pages 8 to 12.

#### **Responsibilities and basis of report**

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the company's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### **1 Accounting policies**

##### **Basis of accounting**

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice.

The charity has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

##### **Income recognition**

Donations and other voluntary income are credited to the Statement of Financial Activities as they are received. Legacies are accounted for when notified, once the value of the legacy can be measured with reasonable certainty and any conditions to enable the legacy to be received have been fulfilled. Charges to work placements are accounted for in the period in which the work was carried out.

##### **Expenditure recognition**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

##### **Debtors and creditors**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

##### **Taxation**

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.
