This charity is governed by a constitution adopted on 24/11/2015

Method of recruitment and appointment of trustees

The trustees of the charity are appointed by the members at the AGM

Halifax Street Angels

Trustees' report (continued) for the year ended 31 March 2019

Objectives and activities

The charity's objects

The objects of the CIO are: the following object is for the benefit of the local community in Halifax and the surrounding area without distinction of race, sex, political, religious or other opinion of the members of such community, to support, care and treat persons in need who are homeless and suffering from the effects of poverty, sickness, disability, old age, alcoholism, drug addiction, offending behaviour, or any other mental or physical infirmity, as an expression of Christian faith:- to promote the physical, mental and spiritual health and well-being in particular but not exclusively by the provision of pastoral care and the formation of a Street Angels programme providing a compassionate listening ear for all problems and practical advice on staying safe on the streets such as contact details for taxi firms/external agencies, warm drinks, flip flops etc. and simple first aid may be administered by those who have had appropriate training.

The charity's main activities

We are a charity working in Halifax Town Centre and Sowerby Bridge Friday and Saturday evenings to meet the needs of those who have become vulnerable whilst on a night out. We work to meet the needs of those who are victims of crime, the homeless or those who have had too much to drink and as a consequence are in need of support. We achieve this through three key projects:

Halifax Street Angels which sends out teams of volunteers into the Halifax Town Centre night-time economy to offer support and guidance.

Angels Rest Café which is a community café offering space to small community organisations, a safe place to those in need and runs the suspended coffee scheme which allows people who are homeless or low income to have a free hot meal and/or drink.

Safe Night Out Education Workshops which are delivered free of charge to schools, colleges and youth organisations across Calderdale with the aim to educate young people about alcohol, drug and crime related issues.

Public benefit statement

In setting out our objectives and planning our activities our trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular to the advancement of education and the prevention and relief of poverty.

Achievements and performance

The charity supported around 3,000 people through all of its projects over this last year.

Our volunteers invested 8,000 volunteer hours. Through our suspended coffee scheme, we now not only offer hot drinks to those who are homeless but also a hot meal, this is a testament to the level of support individuals have given us for this scheme.

We have developed our partnership work so that we are now not only working with other local charities but now have a closer relationship and are resource sharing with the West Yorkshire Police, Calderdale Council and the Community Safety Partnership.

Halifax was once again awarded the Purple Flag Award which recognises the town as a safe place to go for a night out, and this award is the result of our work and our partners in the town.

Our Safe Night Out workshops have been delivered to young people across Calderdale educating them on alcohol, drug and crime awareness.

We faced some financial challenges towards the end of the year, however, with successful fundraising and financial support from local partners we were able to raise the money required to see us through the years ahead.

Reserves policy

The charity's free cash reserves at the year-end were £10,284.00, which is made up from funds carried over. The trustees are working towards a policy to whereby unrestricted funds, not committed or invested in tangible assets (the free reserves) held by the charity should be between one and three months of the resources expended, which equates to £2,000 and £8,000 in general funds.

To date expenditure has been conditional on anticipated and guaranteed income, we are working towards being able to adopt a new reserves policy.

This policy will be reviewed on an annual basis.

Going concern

The trustees are confident that they will have sufficient funding and unrestricted income so that the activities of the charity can continue for the next 12 months and beyond. The accounts have therefore been prepared on a going concern basis.

Signed on behalf of the board of trustees:

Halifax Street Angels

Independent examiner's report to the trustees of Halifax Street Angels

I report on the accounts of the charity for the year ended 31 March 2019, which are set out on pages 7 & 8.

Respective responsibilities of the trustees and the examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

It is my responsibility to examine the accounts under section 145 of the 2011 Act, follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act and state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true & fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements: to

keep accounting records in accordance with section 130 of the 2011 Act; and

to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS For the year ending 31st March 2019

Accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below

Basis of preparation

The financial statements have been prepared in accordance with the Charities Act 2011 using the Receipts and Payments basis. The financial statements include all transactions for which the Trustees are responsible.

Fund accounting

Restricted Funds represent donations or grants received for a specific purpose or invited by the Trustees for a specific purpose. The funds may only be expended on the specific purpose for which they were given. Any balance remaining unspent at the end of the year is carried forward as a balance on that fund. The Trustees do not normally invest separately for each fund but when appropriate interest is apportioned to individual funds.

Designated Funds are funds which are not restricted by the donor but which the Trustees have agreed to designate to be used in the future for a specific purpose. They remain under the control of the Trustees as part of unrestricted funds and could be re-designated at any time in the future at the discretion of the Trustees.

Unrestricted Funds are general funds which can be used for Halifax Street Angels ordinary purposes. They include designated funds and free reserves. Free reserves are those funds available to be used at the discretion of the Trustees which have not been designated for any particular purpose

Incoming resources

As the Trustees have elected to use the Receipts and Payments method for production of these financial statements, all income is recognised when it is received and accounted for gross

Resources expended

As the Trustees have elected to use the Receipts and Payments method for production of these financial statements, all expenditure is recognised when it is incurred and accounted for gross

Assets

Equipment & fittings used within the Halifax Street Angels premises is normally depreciated on a straight-line basis over four years unless subject to a matching donation and individual items of equipment with a purchase price of £500 or less are written off when the asset is acquired. There are no assets presently undergoing depreciation of their value

Restricted Funds continued

Fund name	Purpose of restriction
WYPCC Safer Communities Fund	For education resources, volunteer uniforms and first aid supplies
Calderdale MBC	For salaries and on-costs
Café fundraising	For payment of rent and wages

Trustee expenses

No trustee received any expenses during the year or the previous accounting period.

Related party transactions

There were no related party transactions during the year or the previous accounting period.
